

HB 2205 -- FIREARMS

SPONSOR: Newman

The bill requires persons purchasing firearms to obtain a permit from the sheriff's office serving their residence. Applications for permits shall be made available by the sheriff's department, and an electronic version of such permit shall be administered by the Secretary of State. Permits shall be valid for ten years.

Any person who moves from one county to another within this state shall alert the county sheriff's department of the county in which he or she is moving to that he or she has a permit and owns firearms.
