

HB 2227 -- ST. LOUIS REGIONAL CONVENTION AND SPORTS AUTHORITY  
COMPLEX

SPONSOR: Barnes

This bill repeals the requirement that any stadium, complex, or facility newly constructed by the St. Louis Regional Convention and Sports Authority must be located adjacent to an existing convention facility.

The bill also repeals the prohibition against any refunding bonds issued by the authority exceeding the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest thereon to the date of such refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding.
