SPONSOR: Peters

This bill requires all operator's license applicants between the ages of 15 and 18 to meet the Department of Elementary and Secondary Education's (DESE's) educational standards in order to obtain an operator's license or temporary permit.

Pursuant to this bill, DESE shall develop educational standards encompassing attendant, grade maintenance, and assessment scores, that public school students must meet to be eligible for an operator's license or temporary permit. DESE will also inform the Department of Revenue of those public school students who have not met the developed standards.
