

HB 2719 -- MOTORCYCLE HELMETS

SPONSOR: Johnson

Currently, an individual may not ride or operate a motorcycle without protective headgear. This bill exempts a motorcyclist or motorcycle passenger who is a resident of a state which does not require the wearing of protective headgear, who is 21 years or older, and is driving through Missouri between August 1 and August 21 from the protective headgear requirement.

This bill is the same as HB 1025 (2015).
