

HB 2724 -- NOTARIES PUBLIC

SPONSOR: McCann Beatty

This bill specifies that the Secretary of State must maintain a database that includes information contained on each notary public's seal or any lost seal of a notary public. A manufacturer of a notary public seal is required to register with the Secretary of State and notify the Secretary of State when a seal is issued. The Secretary of State must approve any seal issued by the manufacturer within 10 days. A copy of the commission must be maintained by the manufacturer and if a manufacturer violates this provision, they are subject to a \$1,000 fine for each violation.

The bill increases the penalty for acting as, or willfully impersonating a notary public while not lawfully appointed and commissioned to perform notarial acts from a misdemeanor to a class D felony.
