

HB 2809 -- LOCAL SALES TAX ON MOTOR VEHICLES

SPONSOR: Cierpiot

This bill removes the authorization to levy a local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors from any local jurisdiction that does not authorize the local sales tax or fails to place the ballot question before the voters by November 2016, except those jurisdictions in which voters have previously approved a local use tax. Such taxing jurisdiction must cease applying the local sales tax on the titling of motor vehicles whether purchased in-state or out-of-state.
