Offered By

1 AMEND Senate Committee Substitute for Senate Bill No. 93, Page 1, Section A, Line 2, by
2 inserting immediately after said section and line the following:

3
4 "160.415. 1. For the purposes of calculation and distribution of state school aid under
5 section 163.031, pupils enrolled in a charter school shall be included in the pupil enrollment of the
6 school district within which each pupil resides. Each charter school shall report the names,
7 addresses, and eligibility for free and reduced price lunch, special education, or limited English
8 proficiency status, as well as eligibility for categorical aid, of pupils resident in a school district who
9 are enrolled in the charter school to the school district in which those pupils reside. The charter
10 school shall report the average daily attendance data, free and reduced price lunch count, special
11 education pupil count, and limited English proficiency pupil count to the state department of
12 elementary and secondary education. Each charter school shall promptly notify the state department
13 of elementary and secondary education and the pupil's school district when a student discontinues
14 enrollment at a charter school.

15 2. Except as provided in subsections 3 and 4 of this section, the aid payments for charter
16 schools shall be as described in this subsection.

17 (1) A school district having one or more resident pupils attending a charter school shall pay
18 to the charter school an annual amount equal to the product of the charter school's weighted average
19 daily attendance and the state adequacy target, multiplied by the dollar value modifier for the
20 district, plus local tax revenues per weighted average daily attendance from the incidental and
21 teachers' funds in excess of the performance levy as defined in section 163.011 plus all other state
22 aid attributable to such pupils.

23 (2) The district of residence of a pupil attending a charter school shall also pay to the charter
24 school any other federal or state aid that the district receives on account of such child.

25 (3) If the department overpays or underpays the amount due to the charter school, such
26 overpayment or underpayment shall be repaid by the public charter school or credited to the public
27 charter school in twelve equal payments in the next fiscal year.

28 (4) The amounts provided pursuant to this subsection shall be prorated for partial year
29 enrollment for a pupil.

30 (5) A school district shall pay the amounts due pursuant to this subsection as the disbursal
31 agent and no later than twenty days following the receipt of any such funds. The department of
32 elementary and secondary education shall pay the amounts due when it acts as the disbursal agent
33 within five days of the required due date.

34 3. A workplace charter school shall receive payment for each eligible pupil as provided
35 under subsection 2 of this section, except that if the student is not a resident of the district and is
36 participating in a voluntary interdistrict transfer program, the payment for such pupils shall be the

Action Taken _____ Date _____

1 same as provided under section 162.1060.

2 4. A charter school that has declared itself as a local educational agency shall receive from
3 the department of elementary and secondary education an annual amount equal to the product of the
4 charter school's weighted average daily attendance and the state adequacy target, multiplied by the
5 dollar value modifier for the district, plus local tax revenues per weighted average daily attendance
6 from the incidental and teachers funds in excess of the performance levy as defined in section
7 163.011 except those funds designated by taxpayers in an urban district as early childhood education
8 funds, plus all other state aid attributable to such pupils. If a charter school declares itself as a local
9 educational agency, the department of elementary and secondary education shall, upon notice of the
10 declaration, reduce the payment made to the school district by the amount specified in this
11 subsection and pay directly to the charter school the annual amount reduced from the school
12 district's payment.

13 5. If a school district fails to make timely payments of any amount for which it is the
14 disbursal agent, the state department of elementary and secondary education shall authorize payment
15 to the charter school of the amount due pursuant to subsection 2 of this section and shall deduct the
16 same amount from the next state school aid apportionment to the owing school district. If a charter
17 school is paid more or less than the amounts due pursuant to this section, the amount of
18 overpayment or underpayment shall be adjusted equally in the next twelve payments by the school
19 district or the department of elementary and secondary education, as appropriate. Any dispute
20 between the school district and a charter school as to the amount owing to the charter school shall be
21 resolved by the department of elementary and secondary education, and the department's decision
22 shall be the final administrative action for the purposes of review pursuant to chapter 536. During
23 the period of dispute, the department of elementary and secondary education shall make every
24 administrative and statutory effort to allow the continued education of children in their current
25 public charter school setting.

26 6. The charter school and a local school board may agree by contract for services to be
27 provided by the school district to the charter school. The charter school may contract with any other
28 entity for services. Such services may include but are not limited to food service, custodial service,
29 maintenance, management assistance, curriculum assistance, media services and libraries and shall
30 be subject to negotiation between the charter school and the local school board or other entity.
31 Documented actual costs of such services shall be paid for by the charter school.

32 7. In the case of a proposed charter school that intends to contract with an education service
33 provider for substantial educational services or management services, the request for proposals shall
34 additionally require the charter school applicant to:

35 (1) Provide evidence of the education service provider's success in serving student
36 populations similar to the targeted population, including demonstrated academic achievement as
37 well as successful management of nonacademic school functions, if applicable;

38 (2) Provide a term sheet setting forth the proposed duration of the service contract; roles and
39 responsibilities of the governing board, the school staff, and the service provider; scope of services
40 and resources to be provided by the service provider; performance evaluation measures and time
41 lines; compensation structure, including clear identification of all fees to be paid to the service
42 provider; methods of contract oversight and enforcement; investment disclosure; and conditions for
43 renewal and termination of the contract;

44 (3) Disclose any known conflicts of interest between the school governing board and
45 proposed service provider or any affiliated business entities;

46 (4) Disclose and explain any termination or nonrenewal of contracts for equivalent services
47 for any other charter school in the United States within the past five years;

48 (5) Ensure that the legal counsel for the charter school shall report directly to the charter

1 school's governing board; and

2 (6) Provide a process to ensure that the expenditures that the education service provider
3 intends to bill to the charter school shall receive prior approval of the governing board or its
4 designee.

5 8. A charter school may enter into contracts with community partnerships and state agencies
6 acting in collaboration with such partnerships that provide services to children and their families
7 linked to the school.

8 9. A charter school shall be eligible for transportation state aid pursuant to section 163.161
9 and shall be free to contract with the local district, or any other entity, for the provision of
10 transportation to the students of the charter school.

11 10. (1) The proportionate share of state and federal resources generated by students with
12 disabilities or staff serving them shall be paid in full to charter schools enrolling those students by
13 their school district where such enrollment is through a contract for services described in this
14 section. The proportionate share of money generated under other federal or state categorical aid
15 programs shall be directed to charter schools serving such students eligible for that aid.

16 (2) A charter school shall provide the special services provided pursuant to section 162.705
17 and may provide the special services pursuant to a contract with a school district or any provider of
18 such services.

19 11. A charter school may not charge tuition or impose fees that a school district is
20 prohibited from charging or imposing, except that a charter school may receive tuition payments
21 from districts in the same or an adjoining county for nonresident students who transfer to an
22 approved charter school, as defined in section 167.131, from an unaccredited district.

23 12. A charter school is authorized to incur debt in anticipation of receipt of funds. A charter
24 school may also borrow to finance facilities and other capital items. A school district may incur
25 bonded indebtedness or take other measures to provide for physical facilities and other capital items
26 for charter schools that it sponsors or contracts with. Except as otherwise specifically provided in
27 sections 160.400 to 160.425, upon the dissolution of a charter school, any liabilities of the
28 corporation will be satisfied through the procedures of chapter 355. A charter school shall satisfy
29 all its financial obligations within twelve months of notice from the sponsor of the charter school's
30 closure under subsection 8 of section 160.405. After satisfaction of all its financial obligations, a
31 charter school shall return any remaining state and federal funds to the department of elementary
32 and secondary education for disposition as stated in subdivision (17) of subsection 1 of section
33 160.405. The department of elementary and secondary education may withhold funding at a level
34 the department determines to be adequate during a school's last year of operation until the
35 department determines that school records, liabilities, and reporting requirements, including a full
36 audit, are satisfied.

37 13. Charter schools shall not have the power to acquire property by eminent domain.

38 14. The governing body of a charter school is authorized to accept grants, gifts or donations
39 of any kind and to expend or use such grants, gifts or donations. A grant, gift or donation may not
40 be accepted by the governing body if it is subject to any condition contrary to law applicable to the
41 charter school or other public schools, or contrary to the terms of the charter."; and
42

43 Further amend said bill, Page 3, Section 162.492, Line 76, by inserting immediately after said
44 section and line the following:

45
46 "163.018. 1. Notwithstanding the definition of "average daily attendance" in subdivision
47 (2) of section 163.011 to the contrary, pupils between the ages of three and five who are eligible for
48 free and reduced price lunch and attend an early childhood education program;

1 (1) That is operated by and in a district or by a charter school that has declared itself as a
2 local educational agency providing full-day kindergarten and that meets standards established by the
3 state board of education; or

4 (2) That is under contract with a district or charter school that has declared itself as a local
5 educational agency and that meets standards established by the state board of education

6 shall be included in the district's or charter school's calculation of average daily attendance. The
7 total number of such pupils included in the district's or charter school's calculation of average daily
8 attendance shall not exceed four percent of the total number of pupils who are eligible for free and
9 reduced price lunch between the ages of five and eighteen who are included in the district's or
10 charter school's calculation of average daily attendance.

11 2. (1) For any district that has been declared unaccredited by the state board of education
12 and remains unaccredited as of July 1, 2015, and for any charter school located in said district, the
13 provisions of subsection 1 of this section shall become applicable during the 2015-16 school year.

14 (2) For any district that is declared unaccredited by the state board of education after July 1,
15 2015, and for any charter school located in said district, the provisions of subsection 1 of this
16 section shall become applicable immediately upon such declaration.

17 (3) For any district that has been declared provisionally accredited by the state board of
18 education and remains provisionally accredited as of July 1, 2016, and for any charter school
19 located in said district, the provisions of subsection 1 of this section shall become applicable
20 beginning in the 2016-17 school year.

21 (4) For any district that is declared provisionally accredited by the state board of education
22 after July 1, 2016, and for any charter school located in said district, the provisions of this section
23 shall become applicable beginning in the 2016-17 school year or immediately upon such
24 declaration, whichever is later.

25 (5) For all other districts and charter schools, the provisions of subsection 1 of this section
26 shall become effective in any school year subsequent to a school year in which the amount
27 appropriated for subsections 1 and 2 of section 163.031 is equal to or exceeds the amount necessary
28 to fund the entire entitlement calculation determined by subsections 1 and 2 of section 163.031, and
29 shall remain effective in all school years thereafter, irrespective of the amount appropriated for
30 subsections 1 and 2 of section 163.031 in any succeeding year, provided that in the first school year
31 in which subsection 1 of this section becomes effective under this subdivision, school districts and
32 charter schools shall receive thirty-three percent of the funding associated with such pupils; in the
33 second school year, school districts and charter schools shall receive sixty-six percent of the funding
34 associated with such pupils; and in the third school year, school districts and charter schools shall
35 receive one hundred percent of the funding associated with such pupils.

36 3. This section shall not require school attendance beyond that mandated under section
37 167.031 and shall not change or amend the provisions of sections 160.051, 160.053, 160.054, and
38 160.055 relating to kindergarten attendance."; and

39
40 Further amend said bill by amending the title, enacting clause, and intersectional references
41 accordingly.
