33 appropriate authority in the remote state, as may be defined in the rules of the commission.

34 4. Except as provided in subsection 3 of this section, an individual practicing in a remote  
35 state shall be subject to the remote state's authority and laws. A remote state may, in accordance  
36 with due process and that state's laws, restrict, suspend, or revoke an individual's privilege to  
37 practice in the remote state and may take any other necessary actions to protect the health and safety  
38 of its citizens. If a remote state takes action, it shall promptly notify the home state and the  
39 commission.

40 5. If an individual's license in any home state is restricted, suspended, or revoked, the

14 remote state in response to such declaration.

18 the state license being sought as satisfying the minimum training and examination requirements for  
19 such licensure.

20           2. Member states shall expedite the process of licensure applications submitted by veterans,  
21 active military service members, or members of the National Guard and Reserves separating from

29 individual's home state license is restored.

30           (1) All home state adverse action orders shall include a statement that the individual's  
31 compact privileges are inactive. The order may allow the individual to practice in remote states  
32 with prior written authorization from both the home state and the remote state's EMS authority.

33           (2) An individual currently subject to adverse action in the home state shall not practice in  
34 any remote state without prior written authorization from both the home state and remote state's  
35 EMS authority.

37 compact privileges are restricted, suspended, or revoked to the commission in accordance with the  
38 rules of the commission.

39           4. A remote state may take adverse action on an individual's privilege to practice within that  
40 state.

41           5. Any member state may take adverse action against an individual's privilege to practice in  
42 that state based on the factual findings of another member state, so long as each state follows its  
43 own procedures for imposing such adverse action.

44           6. A home state's EMS authority shall coordinate investigative activities, share information  
45 via the coordinated database, and take appropriate action with respect to reported conduct in a  
46 remote state as it would if such conduct had occurred within the home state. In such cases, the  
47 home state's law shall control in determining the appropriate adverse action.

48           7. Nothing in this compact shall override a member state's decision that participation in an

1 alternative program may be used in lieu of adverse action and that such participation shall remain  
 2 nonpublic if required by the member state's laws. Member states shall require individuals who enter  
 3 any alternative programs to agree not to practice in any other member state during the term of the  
 4 alternative program without prior authorization from such other member state.

5 334.1521. A member state's EMS authority, in addition to any other powers granted under  
 6 state law, is authorized under this compact to:

7 (1) Issue subpoenas for both hearings and investigations that require the attendance and  
 8 testimony of witnesses and the production of evidence. Subpoenas issued by a member state's EMS  
 9 authority for the attendance and testimony of witnesses or the production of evidence from another  
 10 member state shall be enforced in the remote state by any court of competent jurisdiction according  
 11 to that court's practice and procedure in considering subpoenas issued in its own proceedings. The  
 12 issuing state's EMS authority shall pay any witness fees, travel expenses, mileage, and other fees  
 13 required by the service statutes of the state where the witnesses or evidence is located; and

19 (2) Venue is proper and judicial proceedings by or against the commission shall be brought  
 20 solely and exclusively in a court of competent jurisdiction where the principal office of the  
 21 commission is located. The commission may waive venue and jurisdictional defenses to the extent  
 22 it adopts or consents to participate in alternative dispute resolution proceedings.

23 (3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

24 2. Each member state shall have and be limited to one delegate. The responsible official of  
 25 the state EMS authority or his or her designee shall be the delegate to this compact for each member  
 26 state. Any delegate may be removed or suspended from office as provided by the law of the state  
 27 from which the delegate is appointed. Any vacancy occurring in the commission shall be filled in  
 28 accordance with the laws of the member state in which the vacancy exists. In the event that more  
 29 than one board, office, or other agency with the legislative mandate to license EMS personnel at and  
 30 above the level of EMT exists, the governor of the state will determine which entity will be  
 31 responsible for assigning the delegate.

32 (1) Each delegate shall be entitled to one vote with regard to the promulgation of rules and  
 33 creation of bylaws, and shall otherwise have an opportunity to participate in the business and affairs  
 34 of the commission. A delegate shall vote in person or by such other means as provided in the  
 35 bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other  
 36 means of communication.

37 (2) The commission shall meet at least once during each calendar year. Additional meetings  
 38 shall be held as set forth in the bylaws.

39 (3) All meetings shall be open to the public, and public notice of meetings shall be given in  
 40 the same manner as required under the rulemaking provisions in section 334.1530.

41 (4) The commission may convene in a closed, nonpublic meeting if the commission must  
 42 discuss:

43 (a) Noncompliance of a member state with its obligations under the compact;

44 (b) The employment, compensation, discipline or other personnel matters, practices, or  
 45 procedures related to specific employees, or other matters related to the commission's internal  
 46 personnel practices and procedures;

47 (c) Current, threatened, or reasonably anticipated litigation;

48 (d) Negotiation of contracts for the purchase or sale of goods, services, or real estate;

1 (e) Accusing any person of a crime or formally censuring any person;

2 (f) Disclosure of trade secrets or commercial or financial information that is privileged or  
3 confidential;

4 (g) Disclosure of information of a personal nature if disclosure would constitute a clearly  
5 unwarranted invasion of personal privacy;

6 (h) Disclosure of investigatory records compiled for law enforcement purposes;

7 (i) Disclosure of information related to any investigatory reports prepared by or on behalf of  
8 or for use of the commission or other committee charged with responsibility of investigation or  
9 determination of compliance issues pursuant to the compact; or

10 (j) Matters specifically exempted from disclosure by federal or member state statute.

11 (5) If a meeting or portion of a meeting is closed under this section, the commission's legal  
12 counsel or designee shall certify that the meeting may be closed and shall reference each relevant  
13 exempting provision. The commission shall keep minutes that fully and clearly describe all matters  
14 discussed in a meeting and shall provide a full and accurate summary of actions taken and the  
15 reasons therefor, including a description of the views expressed. All documents considered in  
16 connection with an action shall be identified in such minutes. All minutes and documents of a  
17 closed meeting shall remain under seal, subject to release by a majority vote of the commission or  
18 order of a court of competent jurisdiction.

19 3. The commission shall, by a majority vote of the delegates, prescribe bylaws and rules to  
20 govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the  
21 powers of the compact including, but not limited to:

22 (1) Establishing the fiscal year of the commission;

23 (2) Providing reasonable standards and procedures:

24 (a) For the establishment and meetings of other committees; and

25 (b) Governing any general or specific delegation of any authority or function of the  
26 commission;

27 (3) Providing reasonable procedures for calling and conducting meetings of the  
28 commission, ensuring reasonable advance notice of all meetings, and providing an opportunity for  
29 attendance of such meetings by interested parties, with enumerated exceptions designed to protect  
30 the public's interest, the privacy of individuals, and proprietary information, including trade secrets.  
31 The commission may meet in closed session only after a majority of the membership votes to close  
32 a meeting in whole or in part. As soon as practicable, the commission shall make public a copy of  
33 the vote to close the meeting revealing the vote of each member with no proxy votes allowed;

34 (4) Establishing the titles, duties and authority, and reasonable procedures for the election of  
35 the officers of the commission;

36 (5) Providing reasonable standards and procedures for the establishment of the personnel

38 of any member state, the bylaws shall exclusively govern the personnel policies and programs of the  
39 commission;

40 (6) Promulgating a code of ethics to address permissible and prohibited activities of  
41 commission members and employees;

42 (7) Providing a mechanism for winding up the operations of the commission and the  
43 equitable disposition of any surplus funds that may exist after the termination of the compact after  
44 the payment or reserving of all of its debts and obligations;

45 (8) The commission shall publish its bylaws and file a copy thereof, and a copy of any  
46 amendment thereto, with the appropriate agency or officer in each of the member states, if any;

47 (9) The commission shall maintain its financial records in accordance with the bylaws; and

48 (10) The commission shall meet and take such actions as are consistent with the provisions

1 of this compact and the bylaws.

2 4. The commission shall have the following powers:

4 administration of this compact. The rules shall have the force and effect of law and shall be binding  
5 on all member states;

6 (2) To bring and prosecute legal proceedings or actions in the name of the commission;  
7 provided that, the standing of any state EMS authority or other regulatory body responsible for  
8 EMS personnel licensure to sue or be sued under applicable law shall not be affected;

10 (4) To borrow, accept, or contract for services of personnel including, but not limited to,  
11 employees of a member state;

12 (5) To hire employees, elect or appoint officers, fix compensation, define duties, grant such  
13 individuals appropriate authority to carry out the purposes of the compact, and to establish the  
14 commission's personnel policies and programs relating to conflicts of interest, qualifications of  
15 personnel, and other related personnel matters;

16 (6) To accept any and all appropriate donations and grants of money, equipment, supplies,  
17 materials, and services, and to receive, utilize, and dispose of the same; provided that, at all times

27 regulators, state legislators or their representatives, consumer representatives, and such other  
28 interested persons as may be designated in this compact and the bylaws;

29 (12) To provide and receive information from, and to cooperate with, law enforcement  
30 agencies;

31 (13) To adopt and use an official seal; and

32 (14) To perform such other functions as may be necessary or appropriate to achieve the  
33 purposes of this compact consistent with the state regulation of EMS personnel licensure and

44 promulgate a rule binding upon all member states.

45 (4) The commission shall not incur obligations of any kind prior to securing the funds  
46 adequate to meet the same; nor shall the commission pledge the credit of any of the member states,  
47 except by and with the authority of the member state.

48 (5) The commission shall keep accurate accounts of all receipts and disbursements. The

1 receipts and disbursements of the commission shall be subject to the audit and accounting  
2 procedures established under its bylaws. However, all receipts and disbursements of funds handled  
3 by the commission shall be audited yearly by a certified or licensed public accountant, and the  
4 report of the audit shall be included in and become part of the annual report of the commission.

5 6. (1) The members, officers, executive director, employees, and representatives of the  
6 commission shall be immune from suit and liability, either personally or in their official capacity,  
7 for any claim, damage to or loss of property, personal injury, or other civil liability caused by or  
8 arising out of any actual or alleged act, error, or omission that occurred or that the person against  
9 whom the claim is made had a reasonable basis for believing occurred within the scope of  
10 commission employment, duties, or responsibilities; provided that, nothing in this subdivision shall  
11 be construed to protect any such person from suit or liability for any damage, loss, injury, or  
12 liability caused by the intentional, willful, or wanton misconduct of that person.

13 (2) The commission shall defend any member, officer, executive director, employee, or  
14 representative of the commission in any civil action seeking to impose liability arising out of any  
15 actual or alleged act, error, or omission that occurred within the scope of commission employment,  
16 duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis  
17 for believing occurred within the scope of commission employment, duties, or responsibilities;  
18 provided that, nothing herein shall be construed to prohibit that person from retaining his or her own  
19 counsel; and provided further, that the actual or alleged act, error, or omission did not result from  
20 that person's intentional, willful, or wanton misconduct.

21 (3) The commission shall indemnify and hold harmless any member, officer, executive  
22 director, employee, or representative of the commission for the amount of any settlement or  
23 judgment obtained against that person arising out of any actual or alleged act, error, or omission that  
24 occurred within the scope of commission employment, duties, or responsibilities, or that such  
25 person had a reasonable basis for believing occurred within the scope of commission employment,  
26 duties, or responsibilities; provided that, the actual or alleged act, error, or omission did not result  
27 from the intentional, willful, or wanton misconduct of the person.

28 334.1527. 1. The commission shall provide for the development and maintenance of a  
29 coordinated database and reporting system containing licensure, adverse action, and significant  
30 investigatory information on all licensed individuals in member states.

31 2. Notwithstanding any other provision of state law to the contrary, a member state shall  
32 submit a uniform data set to the coordinated database on all individuals to whom this compact is  
33 applicable as required by the rules of the commission, including:

34 (1) Identifying information;

35 (2) Licensure data;

36 (3) Significant investigatory information;

37 (4) Adverse actions against an individual's license;

38 (5) An indicator that an individual's privilege to practice is restricted, suspended, or  
39 revoked;

40 (6) Nonconfidential information related to alternative program participation;

41 (7) Any denial of application for licensure and the reasons for such denial; and

42 (8) Other information that may facilitate the administration of this compact, as determined  
43 by the rules of the commission.

44 3. The coordinated database administrator shall promptly notify all member states of any  
45 adverse action taken against, or significant investigative information on, any individual in a member  
46 state.

47 4. Member states contributing information to the coordinated database may designate  
48 information that shall not be shared with the public without the express permission of the

1 contributing state.

2 5. Any information submitted to the coordinated database that is subsequently required to be  
3 expunged by the laws of the member state contributing the information shall be removed from the  
4 coordinated database.

5 334.1530. 1. The commission shall exercise its rulemaking powers pursuant to the criteria  
6 set forth in this section and the rules adopted thereunder. Rules and amendments shall become  
7 binding as of the date specified in each rule or amendment.

8 2. If a majority of the legislatures of the member states rejects a rule by enactment of a  
9 statute or resolution in the same manner used to adopt the compact, then such rule shall have no  
10 further force and effect in any member state.

11 3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the  
12 commission.

13 4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least  
14 sixty days in advance of the meeting at which the rule or rules will be considered and voted upon,  
15 the commission shall file a notice of proposed rulemaking:

16 (1) On the website of the commission; and

17 (2) On the website of each member state's EMS authority or the publication in which each  
18 state would otherwise publish proposed rules.

19 5. The notice of proposed rulemaking shall include:

20 (1) The proposed time, date, and location of the meeting at which the rule will be  
21 considered and voted upon;

22 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

23 (3) A request for comments on the proposed rule from any interested person; and

24 (4) The manner in which interested parties may submit notice to the commission of their  
25 intention to attend the public hearing and any written comments.

26 6. Prior to adoption of a proposed rule, the commission shall allow persons to submit  
27 written data, facts, opinions, and arguments that shall be made available to the public.

28 7. The commission shall grant an opportunity for a public hearing before it adopts a rule or  
29 amendment if a hearing is requested by:

30 (1) At least twenty-five persons;

31 (2) A governmental subdivision or agency; or

32 (3) An association having at least twenty-five members.

33 8. If a hearing is held on the proposed rule or amendment, the commission shall publish the  
34 place, time, and date of the scheduled public hearing.

35 (1) All persons wishing to be heard at the hearing shall notify the executive director of the  
36 commission or other designated member in writing of their desire to appear and testify at the  
37 hearing not less than five business days before the scheduled date of the hearing.

38 (2) Hearings shall be conducted in a manner providing each person who wishes to comment  
39 a fair and reasonable opportunity to comment orally or in writing.

40 (3) No transcript of the hearing is required, unless a written request for a transcript is made,  
41 in which case the person requesting the transcript shall bear the cost of producing the transcript. A  
42 recording may be made in lieu of a transcript under the same terms and conditions as a transcript.  
43 This subdivision shall not preclude the commission from making a transcript or recording of the  
44 hearing if it so chooses.

45 (4) Nothing in this section shall be construed as requiring a separate hearing on each rule.  
46 Rules may be grouped for the convenience of the commission at hearings required by this section.

47 9. Following the scheduled hearing date, or by the close of business on the scheduled  
48 hearing date if the hearing was not held, the commission shall consider all written and oral

1 comments received.

2 10. The commission shall, by majority vote of all members, take final action on the  
3 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking  
4 record and the full text of the rule.

5 11. If no written notice of intent to attend the public hearing by interested parties is  
6 received, the commission may proceed with promulgation of the proposed rule without a public  
7 hearing.

8 12. Upon determination that an emergency exists, the commission may consider and adopt  
9 an emergency rule without prior notice, opportunity for comment, or hearing; provided that, the  
10 usual rulemaking procedures provided in the compact and in this section shall be retroactively  
11 applied to the rule as soon as reasonably possible, in no event later than ninety days after the  
12 effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be  
13 adopted immediately in order to:

14 (1) Meet an imminent threat to public health, safety, or welfare;

15 (2) Prevent a loss of commission or member state funds;

16 (3) Meet a deadline for the promulgation of an administrative rule that is established by  
17 federal law or rule; or

18 (4) Protect public health and safety.

19 13. The commission or an authorized committee of the commission may direct revisions to  
20 a previously adopted rule or amendment for purposes of correcting typographical errors, errors in  
21 format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted  
22 on the website of the commission. The revision shall be subject to challenge by any person for a  
23 period of thirty days after posting. The revision may be challenged only on grounds that the  
24 revision results in a material change to a rule. A challenge shall be made in writing and delivered to  
25 the chair of the commission prior to the end of the notice period. If no challenge is made, the  
26 revision will take effect without further action. If the revision is challenged, the revision may not  
27 take effect without the approval of the commission.

28 334.1533. 1. The executive, legislative, and judicial branches of state government in each  
29 member state shall enforce this compact and take all actions necessary and appropriate to effectuate  
30 the compact's purposes and intent. The provisions of this compact and the rules promulgated  
31 hereunder shall have standing as statutory law.

32 2. All courts shall take judicial notice of the compact and the rules in any judicial or  
33 administrative proceedings in a member state pertaining to the subject matter of this compact which  
34 may affect the powers, responsibilities, or actions of the commission.

35 3. The commission shall be entitled to receive service of process in any such proceeding and  
36 shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of  
37 process to the commission shall render a judgment or order void as to the commission, this compact,  
38 or promulgated rules.

39 4. If the commission determines that a member state has defaulted in the performance of its  
40 obligations or responsibilities under this compact or the promulgated rules, the commission shall:

41 (1) Provide written notice to the defaulting state and other member states of the nature of  
42 the default, the proposed means of curing the default, or any other action to be taken by the  
43 commission; and

44 (2) Provide remedial training and specific technical assistance regarding the default.

45 5. If a state in default fails to cure the default, the defaulting state may be terminated from  
46 the compact upon an affirmative vote of a majority of the member states, and all rights, privileges,  
47 and benefits conferred by this compact may be terminated on the effective date of termination. A  
48 cure of the default does not relieve the offending state of obligations or liabilities incurred during

1 the period of default.

2 6. Termination of membership in the compact shall be imposed only after all other means of  
3 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given  
4 by the commission to the governor, the majority and minority leaders of the defaulting state's  
5 legislature, and each of the member states.

6 7. A state that has been terminated is responsible for all assessments, obligations, and  
7 liabilities incurred through the effective date of termination, including obligations that extend  
8 beyond the effective date of termination.

9 8. The commission shall not bear any costs related to a state that is found to be in default or  
10 that has been terminated from the compact unless agreed upon in writing between the commission  
11 and the defaulting state.

12 9. The defaulting state may appeal the action of the commission by petitioning the United  
13 States District Court for the District of Columbia or the federal district where the commission has its  
14 principal offices. The prevailing member shall be awarded all costs of such litigation, including  
15 reasonable attorney's fees.

16 10. Upon a request by a member state, the commission shall attempt to resolve disputes  
17 related to the compact that arise among member states and between member and nonmember states.

18 11. The commission shall promulgate a rule providing for both mediation and binding  
19 dispute resolution for disputes as appropriate.

20 12. The commission, in the reasonable exercise of its discretion, shall enforce the provisions  
21 and rules of this compact.

22 13. By majority vote, the commission may initiate legal action in the United States District  
23 Court for the District of Columbia or the federal district where the commission has its principal  
24 offices against a member state in default to enforce compliance with the provisions of the compact  
25 and its promulgated rules and bylaws. The relief sought may include both injunctive relief and  
26 damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all  
27 costs of such litigation, including reasonable attorney's fees.

28 14. The remedies herein shall not be the exclusive remedies of the commission. The  
29 commission may pursue any other remedies available under federal or state law.

30 334.1536. 1. The compact shall come into effect on the date on which the compact statute  
31 is enacted into law in the tenth member state. The provisions, which become effective at that time,  
32 shall be limited to the powers granted to the commission relating to assembly and the promulgation  
33 of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the  
34 implementation and administration of the compact.

35 2. Any state that joins the compact subsequent to the commission's initial adoption of the  
36 rules shall be subject to the rules as they exist on the date on which the compact becomes law in that  
37 state. Any rule that has been previously adopted by the commission shall have the full force and  
38 effect of law on the day the compact becomes law in that state.

39 3. Any member state may withdraw from this compact by enacting a statute repealing the  
40 same.

41 (1) A member state's withdrawal shall not take effect until six months after enactment of the  
42 repealing statute.

43 (2) Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS  
44 authority to comply with the investigative and adverse action reporting requirements of this act prior  
45 to the effective date of withdrawal.

46 4. Nothing contained in this compact shall be construed to invalidate or prevent any EMS  
47 personnel licensure agreement or other cooperative arrangement between a member state and a  
48 nonmember state that does not conflict with the provisions of this compact.

1           5. This compact may be amended by the member states. No amendment to this compact  
2 shall become effective and binding upon any member state until it is enacted into the laws of all  
3 member states.

4           334.1539. This compact shall be liberally construed so as to effectuate the purposes thereof.  
5 If this compact shall be held contrary to the constitution of any member state thereto, the compact  
6 shall remain in full force and effect as to the remaining member states. Nothing in this compact  
7 supersedes state law or rules related to licensure of EMS agencies."; and

8  
9 Further amend said bill by amending the title, enacting clause, and intersectional references  
10 accordingly.
