FISCAL DESCRIPTION

This proposal specifies that the election date for street light maintenance district board members is the general municipal election date, and that a board may authorize nominations to be filed with the election authority under whose jurisdiction the district is located.

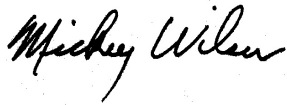

The proposal also changes the staggered election of board members beginning at the first general municipal election to occur after August 28, 2017.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
