FISCAL ANALYSIS

ASSUMPTION

§162.720 Gifted Programs

Officials at the **Department of Elementary and Secondary Education** assume there is no fiscal impact from this proposal.

Officials at the **Milan C-2 School District** assume this would cost additional funds that would not be otherwise allotted, specifically within the man-power portion of resources.

In response to the previous version, officials at the **Lee's Summit School District** assumed minimal staff time.

Officials at the **Everton, Kansas City, Kirksville R-III, Seymour R-II and West Plains** school districts each assume there is no fiscal impact from this proposal to their respective districts.

In response to the previous version, officials at the **Bakersfield R-IV, Parkway and the Pettis County R-XII** school districts each assumed there was no fiscal impact from this proposal to their respective districts.

Oversight notes this proposal requires a school district with a gifted program to have a policy, approved by the school district's board of education, that outlines when a parent could request a review of the decision that determined that their child did not qualify to receive services through the district's gifted education program. Oversight assumes the creation and approval of these procedures can be done with existing resources.

Depending upon the decision review processes that are set up, **Oversight** assumes there could be some additional costs to school districts. Therefore, Oversight will reflect a potential cost to school districts as \$0 or an unknown amount of costs to the district.

§162.722 Acceleration Policy (HA1)

Officials at the **Department of Elementary and Secondary Education** assume there is no fiscal impact from this proposal.

In response to similar legislation filed this year, HB 257, officials at the **Bakersfield, Kansas City, Kirksville R-III, Parkway, Pettis County R-XII, Special School District of St. Louis, West Plains** and the **Wright City R-II** school districts each assumed there was no fiscal impact from this proposal to their respective district.

FISCAL DESCRIPTION

This bill requires any district with an approved gifted education program to have a policy, which must be approved by the district's board of education, that allows parents or guardians to review the decision that determined that their child did not qualify to receive services through the district's gifted education program.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
