## AN ACT

To repeal sections 337.010 and 337.025, RSMo, and to enact in lieu thereof two new sections relating to the licensure of psychologists.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Sections 337.010 and 337.025, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 337.010 and 337.025, to read as follows:

337.010. As used in sections 337.010 to 337.090 the following terms mean:

- 2 (1) "Committee", the state committee of psychologists;
- 3 (2) "Department", the department of insurance, financial institutions and professional  
4 registration;
- 5 (3) "Division", the division of professional registration;
- 6 (4) **"Internship", any supervised hours that occur during a formal internship of  
7 twelve to twenty-four months after all academic course work toward a doctorate has been  
8 completed but prior to completion of the full degree. Internship is part of successful  
9 completion of a doctorate in psychology, and a person cannot earn his or her doctorate  
10 without completion of an internship;**
- 11 (5) "Licensed psychologist", any person who offers to render psychological services to  
12 individuals, groups, organizations, institutions, corporations, schools, government agencies or  
13 the general public for a fee, monetary or otherwise, implying that such person is trained,  
14 experienced and licensed to practice psychology and who holds a current and valid, whether  
15 temporary, provisional or permanent, license in this state to practice psychology;
- 16 (6) **"Postdoctoral experiences", experiences that follow the completion of a person's  
17 doctoral degree. Such person shall not be licensed until he or she satisfies additional**

18 supervised hours. Postdoctoral experiences shall include any supervised clinical activities  
19 following the completion of the doctoral degree;

20 (7) "Predoctoral postinternship", any supervised hours that occur following  
21 completion of the internship but prior to completing the degree. Such person may continue  
22 to provide supervised clinical services even after his or her internship is completed and  
23 while still completing his or her doctoral degree requirements;

24 (8) "Preinternship", any supervised hours acquired as a student or in the course  
25 of seeking a doctorate in psychology but before the internship, which includes supervised  
26 practicum;

27 ~~[(5)]~~ (9) "Provisional licensed psychologist", any person who is a graduate of a  
28 recognized educational institution with a doctoral degree in psychology as defined in section  
29 337.025, and who otherwise meets all requirements to become a licensed psychologist except  
30 for passage of the licensing exams, oral examination and completion of the required period of  
31 postdegree supervised experience as specified in subsection 2 of section 337.025;

32 ~~[(6)]~~ (10) "Recognized educational institution":

33 (a) A school, college, university or other institution of higher learning in the United  
34 States, which, at the time the applicant was enrolled and graduated, had a graduate program in  
35 psychology and was accredited by one of the regional accrediting associations approved by the  
36 Council on Postsecondary Accreditation; or

37 (b) A school, college, university or other institution of higher learning outside the United  
38 States, which, at the time the applicant was enrolled and graduated, had a graduate program in  
39 psychology and maintained a standard of training substantially equivalent to the standards of  
40 training of those programs accredited by one of the regional accrediting associations approved  
41 by the Council of Postsecondary Accreditation;

42 ~~[(7)]~~ (11) "Temporary license", a license which is issued to a person licensed as a  
43 psychologist in another jurisdiction, who has applied for licensure in this state either by  
44 reciprocity or endorsement of the score from the Examination for Professional Practice in  
45 Psychology, and who is awaiting either a final determination by the committee relative to such  
46 person's eligibility for licensure or who is awaiting the results of the jurisprudence examination  
47 or oral examination.

337.025. 1. The provisions of this section shall govern the education and experience  
2 requirements for initial licensure as a psychologist for the following persons:

3 (1) A person who has not matriculated in a graduate degree program which is primarily  
4 psychological in nature on or before August 28, 1990; and

5 (2) A person who is matriculated after August 28, 1990, in a graduate degree program  
6 designed to train professional psychologists.

7           2. Each applicant shall submit satisfactory evidence to the committee that the applicant  
8 has received a doctoral degree in psychology from a recognized educational institution, and has  
9 had at least one year of satisfactory supervised professional experience in the field of psychology.

10           3. A doctoral degree in psychology is defined as:

11           (1) A program accredited, or provisionally accredited, by the American Psychological  
12 Association **or the Canadian Psychological Association**; or

13           (2) A program designated or approved, including provisional approval, by the  
14 [~~American~~] Association of State **and Provincial** Psychology Boards or the Council for the  
15 National Register of Health Service Providers in Psychology, or both; or

16           (3) A graduate program that meets all of the following criteria:

17           (a) The program, wherever it may be administratively housed, shall be clearly identified  
18 and labeled as a psychology program. Such a program shall specify in pertinent institutional  
19 catalogues and brochures its intent to educate and train professional psychologists;

20           (b) The psychology program shall stand as a recognizable, coherent organizational entity  
21 within the institution of higher education;

22           (c) There shall be a clear authority and primary responsibility for the core and specialty  
23 areas whether or not the program cuts across administrative lines;

24           (d) The program shall be an integrated, organized, sequence of study;

25           (e) There shall be an identifiable psychology faculty and a psychologist responsible for  
26 the program;

27           (f) The program shall have an identifiable body of students who are matriculated in that  
28 program for a degree;

29           (g) The program shall include a supervised practicum, internship, field, or laboratory  
30 training appropriate to the practice of psychology;

31           (h) The curriculum shall encompass a minimum of three academic years of full-time  
32 graduate study, with a minimum of one year's residency at the educational institution granting  
33 the doctoral degree; and

34           (i) Require the completion by the applicant of a core program in psychology which shall  
35 be met by the completion and award of at least one three-semester-hour graduate credit course  
36 or a combination of graduate credit courses totaling three semester hours or five quarter hours  
37 in each of the following areas:

38           a. The biological bases of behavior such as courses in: physiological psychology,  
39 comparative psychology, neuropsychology, sensation and perception, psychopharmacology;

40           b. The cognitive-affective bases of behavior such as courses in: learning, thinking,  
41 motivation, emotion, and cognitive psychology;

42 c. The social bases of behavior such as courses in: social psychology, group  
43 processes/dynamics, interpersonal relationships, and organizational and systems theory;

44 d. Individual differences such as courses in: personality theory, human development,  
45 abnormal psychology, developmental psychology, child psychology, adolescent psychology,  
46 psychology of aging, and theories of personality;

47 e. The scientific methods and procedures of understanding, predicting and influencing  
48 human behavior such as courses in: statistics, experimental design, psychometrics, individual  
49 testing, group testing, and research design and methodology.

50 4. Acceptable supervised professional experience **may be accrued through**  
51 **preinternship, internship, predoctoral postinternship, or postdoctoral experiences. The**  
52 **academic training director or the postdoctoral training supervisor shall attest to the hours**  
53 **accrued to meet the requirements of this section. Such hours** shall consist of:

54 (1) A minimum of fifteen hundred hours of ~~[professional]~~ experience ~~[obtained]~~ **in a**  
55 **successfully completed internship to be completed** in not less than twelve nor more than  
56 twenty-four ~~[consecutive calendar]~~ months; and

57 (2) **A minimum of two thousand hours of experience consisting of any combination**  
58 **of the following:**

59 (a) **Preinternship and predoctoral postinternship professional experience that**  
60 **occurs following the completion of the first year of the doctoral program or at any time**  
61 **while in a doctoral program after completion of a master's degree in psychology or**  
62 **equivalent as defined by rule by the committee;**

63 (b) **Up to seven hundred fifty hours obtained while on the internship under**  
64 **subdivision (1) of this subsection but beyond the fifteen hundred hours identified in**  
65 **subdivision (1) of this subsection; or**

66 (c) **Postdoctoral professional experience obtained in no more than twenty-four**  
67 **consecutive calendar months.** In no case shall this experience be accumulated at a rate of ~~[less~~  
68 ~~than twenty hours per week nor]~~ more than fifty hours per week. Postdoctoral supervised  
69 professional experience for prospective health service providers **and other applicants** shall  
70 involve and relate to the delivery of psychological ~~[health]~~ services~~[-Postdoctoral supervised~~  
71 ~~professional experience for other applicants shall be]~~ in accordance with professional  
72 requirements and relevant to the applicant's intended area of practice.

73 5. ~~[Postdoctoral]~~ Experience for those applicants who intend to seek health service  
74 provider certification and who have completed a program in one or more of the American  
75 Psychological Association designated health service provider delivery areas shall be obtained  
76 under the primary supervision of a licensed psychologist who is also a health service provider  
77 or who otherwise meets the requirements for health service provider certification. ~~[Postdoctoral]~~

78 Experience for those applicants who do not intend to seek health service provider certification  
79 shall be obtained under the primary supervision of a licensed psychologist or such other qualified  
80 mental health professional approved by the committee.

81         **6. For postinternship and postdoctoral hours,** the psychological activities of the  
82 applicant shall be performed pursuant to the primary supervisor's order, control, and full  
83 professional responsibility. The primary supervisor shall maintain a continuing relationship with  
84 the applicant and shall meet with the applicant a minimum of one hour per month in face-to-face  
85 individual supervision. Clinical supervision may be delegated by the primary supervisor to one  
86 or more secondary supervisors who are qualified psychologists. The secondary supervisors shall  
87 retain order, control, and full professional responsibility for the applicant's clinical work under  
88 their supervision and shall meet with the applicant a minimum of one hour per week in  
89 face-to-face individual supervision. If the primary supervisor is also the clinical supervisor,  
90 meetings shall be a minimum of one hour per week. Group supervision shall not be acceptable  
91 for supervised professional experience. The primary supervisor shall certify to the committee  
92 that the applicant has complied with these requirements and that the applicant has demonstrated  
93 ethical and competent practice of psychology. The changing by an agency of the primary  
94 supervisor during the course of the supervised experience shall not invalidate the supervised  
95 experience.

96         **7.** The committee by rule shall provide procedures for exceptions and variances from the  
97 requirements for once a week face-to-face supervision due to vacations, illness, pregnancy, and  
98 other good causes.
