(2) **In the event of reasonable cause to believe a suspected sexual assault of the resident has occurred, in addition to the report to be made to the department, a report**

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

19 **shall be made to a local law enforcement entity in accordance with federal law under the**  
20 **provisions of 42 U.S.C. 1320b-25.**

21 3. Any person required in subsection 1 of this section to report or cause a report to be  
22 made to the department who knowingly fails to make a report within a reasonable time after the  
23 act of abuse or neglect as required in this subsection is guilty of a class A misdemeanor.

24 4. In addition to the penalties imposed by this section, any administrator who knowingly  
25 conceals any act of abuse or neglect resulting in death or serious physical injury, as defined in  
26 section 556.061, is guilty of a class E felony.

27 5. In addition to those persons required to report pursuant to subsection 1 of this section,  
28 any other person having reasonable cause to believe that a resident has been abused or neglected  
29 may report such information to the department.

30 6. Upon receipt of a report, the department shall initiate an investigation within  
31 twenty-four hours and, as soon as possible during the course of the investigation, shall notify the  
32 resident's next of kin or responsible party of the report and the investigation and further notify  
33 them whether the report was substantiated or unsubstantiated unless such person is the alleged  
34 perpetrator of the abuse or neglect. As provided in section 192.2425, substantiated reports of  
35 elder abuse shall be promptly reported by the department to the appropriate law enforcement  
36 agency and prosecutor.

37 7. If the investigation indicates possible abuse or neglect of a resident, the investigator  
38 shall refer the complaint together with the investigator's report to the department director or the  
39 director's designee for appropriate action. If, during the investigation or at its completion, the  
40 department has reasonable cause to believe that immediate removal is necessary to protect the  
41 resident from abuse or neglect, the department or the local prosecuting attorney may, or the  
42 attorney general upon request of the department shall, file a petition for temporary care and  
43 protection of the resident in a circuit court of competent jurisdiction. The circuit court in which  
44 the petition is filed shall have equitable jurisdiction to issue an ex parte order granting the  
45 department authority for the temporary care and protection of the resident, for a period not to  
46 exceed thirty days.

47 8. Reports shall be confidential, as provided pursuant to section 192.2500.

48 9. Anyone, except any person who has abused or neglected a resident in a facility, who  
49 makes a report pursuant to this section or who testifies in any administrative or judicial  
50 proceeding arising from the report shall be immune from any civil or criminal liability for  
51 making such a report or for testifying except for liability for perjury, unless such person acted  
52 negligently, recklessly, in bad faith or with malicious purpose. It is a crime under section  
53 565.189 for any person to knowingly file a false report of elder abuse or neglect.

54           10. Within five working days after a report required to be made pursuant to this section  
55 is received, the person making the report shall be notified in writing of its receipt and of the  
56 initiation of the investigation.

57           11. No person who directs or exercises any authority in a facility shall evict, harass,  
58 dismiss or retaliate against a resident or employee because such resident or employee or any  
59 member of such resident's or employee's family has made a report of any violation or suspected  
60 violation of laws, ordinances or regulations applying to the facility which the resident, the  
61 resident's family or an employee has reasonable cause to believe has been committed or has  
62 occurred. Through the existing department information and referral telephone contact line,  
63 residents, their families and employees of a facility shall be able to obtain information about their  
64 rights, protections and options in cases of eviction, harassment, dismissal or retaliation due to  
65 a report being made pursuant to this section.

66           12. Any person who abuses or neglects a resident of a facility is subject to criminal  
67 prosecution under section 565.184.

68           13. The department shall maintain the employee disqualification list and place on the  
69 employee disqualification list the names of any persons who are or have been employed in any  
70 facility and who have been finally determined by the department pursuant to section 192.2490  
71 to have knowingly or recklessly abused or neglected a resident. For purposes of this section  
72 only, "knowingly" and "recklessly" shall have the meanings that are ascribed to them in this  
73 section. A person acts "knowingly" with respect to the person's conduct when a reasonable  
74 person should be aware of the result caused by his or her conduct. A person acts "recklessly"  
75 when the person consciously disregards a substantial and unjustifiable risk that the person's  
76 conduct will result in serious physical injury and such disregard constitutes a gross deviation  
77 from the standard of care that a reasonable person would exercise in the situation.

78           14. The timely self-reporting of incidents to the central registry by a facility shall  
79 continue to be investigated in accordance with department policy, and shall not be counted or  
80 reported by the department as a hot-line call but rather a self-reported incident. If the  
81 self-reported incident results in a regulatory violation, such incident shall be reported as a  
82 substantiated report.
