the provisions of section 33.080 to the contrary, if the moneys collected and deposited into this
fund are not totally expended annually for the purposes set forth in sections 43.500 to 43.543,
the unexpended moneys in such fund shall remain in the fund and the balance shall be kept in
the fund to accumulate from year to year.

the principal shall immediately report such incident to the appropriate local law enforcement
agency and to the superintendent, except in any instance when any person is believed to have
committed an act which if committed by an adult would be assault in the third degree and a
written agreement as to the procedure for the reporting of such incidents of third degree assault
has been executed between the superintendent of the school district and the appropriate local law
enforcement agency, the principal shall report such incident to the appropriate local law
enforcement agency in accordance with such agreement.
In any instance when a pupil is discovered to have on or about such pupil's person, or among such pupil's possessions, or placed elsewhere on the school premises, including but not limited to the school playground or the school parking lot, on a school bus or at a school activity whether on or off of school property any controlled substance as defined in section 195.010 or any weapon as defined in subsection 6 of section 160.261 in violation of school policy, the principal shall [immediately] as soon as reasonably practical report such incident to the appropriate local law enforcement agency and to the superintendent, and in any instance when a teacher becomes aware that a pupil is in possession of a controlled substance or any weapon on school property, on any school bus in service on behalf of the school district, or while involved in school activities, the teacher shall as soon as reasonably practical report such incident to the principal.

4. A school employee, superintendent, or such person's designee who in good faith provides information to law enforcement or juvenile authorities pursuant to this section or section 160.261 or provides information to law enforcement or juvenile authorities regarding an instance in which a pupil is believed to have committed an act which, if committed by an adult, would be assault in the third degree as defined in section 565.054 or assault in the fourth degree as defined in section 565.056 shall not be civilly liable for providing such information.

5. Any school official responsible for reporting pursuant to this section or section 160.261 who willfully neglects or refuses to perform this duty shall be subject to the penalty established pursuant to section 162.091.

252.069. Any agent of the conservation commission may enforce the provisions of sections 577.070 and 577.080 and arrest violators only upon the water, the banks thereof, or upon public land.

If a Missouri resident charged with a moving traffic violation of this state or any county or municipality of this state fails to dispose of the charges of which the resident is accused through authorized prepayment of fine and court costs and fails to appear on the return date or at any subsequent date to which the case has been continued, or without good cause fails to pay any fine or court costs assessed against the resident for any such violation within the period of time specified or in such installments as approved by the court or as otherwise provided by law, any court having jurisdiction over the charges shall within ten days of the failure to comply inform the defendant by ordinary mail at the last address shown on the court records that the court [shall] may order the director of revenue to suspend the defendant's driving privileges if the charges are not disposed of and fully paid within thirty days from the date of mailing at the request of the prosecutor having original jurisdiction. Thereafter, if the defendant fails to timely act to dispose of the charges and fully pay any applicable fines and court costs, the court [shall] may notify the director of revenue of such failure and of the pending charges against the defendant. Upon receipt of this notification, the director shall suspend the license of the driver, effective immediately, and provide notice of the suspension to the driver at the last address for the driver shown on the records of the department of revenue. Such suspension shall remain in effect until the court with the subject pending charge requests setting aside the noncompliance suspension pending final disposition, or satisfactory evidence of disposition of pending charges and payment of fine and court costs, if applicable, is furnished to the director by the individual. The filing of financial responsibility with the bureau of safety responsibility, department of revenue, shall not be required as a condition of reinstatement of a driver's license suspended solely under the provisions of this section.

2. The provisions of subsection 1 of this section shall not apply to minor traffic violations as defined in section 479.350.

302.441. 1. If a person is required to have an ignition interlock device installed on such person's vehicle, he or she may apply to the court for an employment exemption variance to allow him or her to drive an employer-owned vehicle not equipped with an ignition interlock device for employment purposes only. Such exemption shall not be granted to a person who is self-employed or who wholly or partially owns or controls an entity that owns an employer-owned vehicle. Such exemption by the court may also require that the person submit to continuous alcohol monitoring, as defined in section 577.001, as an additional or alternative requirement to the use of an ignition interlock device.

2. A person who is granted an employment exemption variance under subsection 1 of this section shall not drive, operate, or be in physical control of an employer-owned vehicle used for transporting children under eighteen years of age or vulnerable persons, as defined in section 630.005, or an employer-owned vehicle for personal use.
304.351. 1. The driver of a vehicle approaching an intersection shall yield the right-of-way to a vehicle which has entered the intersection from a different highway, provided, however, there is no form of traffic control at such intersection.

2. When two vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right-of-way to the driver of the vehicle on the right. This subsection shall not apply to vehicles approaching each other from opposite directions when the driver of one of such vehicles is attempting to or is making a left turn.

3. The driver of a vehicle within an intersection intending to turn to the left shall yield the right-of-way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard.

4. (1) The state highways and transportation commission with reference to state highways and local authorities with reference to other highways under their jurisdiction may designate through highways and erect stop signs or yield signs at specified entrances thereto, or may designate any intersection as a stop intersection or as a yield intersection and erect stop signs or yield signs at one or more entrances to such intersection.

(2) Preferential right-of-way at an intersection may be indicated by stop signs or yield signs as authorized in this section:

(a) Except when directed to proceed by a police officer or traffic-control signal, every driver of a vehicle approaching a stop intersection, indicated by a stop sign, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic in the intersecting roadway before entering the intersection. After having stopped, the driver shall yield the right-of-way to any vehicle which has entered the intersection from another highway or which is approaching so closely on the highway as to constitute an immediate hazard during the time when such driver is moving across or within the intersection.

(b) The driver of a vehicle approaching a yield sign shall in obedience to the sign slow down to a speed reasonable to the existing conditions and, if required for safety to stop, shall stop at a clearly marked stop line, but if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After slowing or stopping the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard during the time such traffic is moving across or within the intersection.

5. The driver of a vehicle about to enter or cross a highway from an alley, building or any private road or driveway shall yield the right-of-way to all vehicles approaching on the highway to be entered.
6. The driver of a vehicle intending to make a left turn into an alley, private road or driveway shall yield the right-of-way to any vehicle approaching from the opposite direction when the making of such left turn would create a traffic hazard.

7. The state highways and transportation commission or local authorities with respect to roads under their respective jurisdictions, on any section where construction or major maintenance operations are being effected, may fix a speed limit in such areas by posting of appropriate signs, and the operation of a motor vehicle in excess of such speed limit in the area so posted shall be deemed prima facie evidence of careless and imprudent driving and a violation of section 304.010.

8. Notwithstanding the provisions of section 304.361, violation of this section shall be deemed a class C misdemeanor.

9. In addition to the penalty specified in subsection 8 of this section, any person who pleads guilty to or is found guilty of a violation of this section in which the offender is found to have caused physical injury, there shall be assessed a penalty of up to [two hundred] one thousand dollars, but not less than five hundred dollars. The court may issue an order of suspension of such person's driving privilege for a period of thirty days.

10. In addition to the penalty specified in subsection 8 of this section, any person who pleads guilty to or is found guilty of a violation of this section in which the offender is found to have caused serious physical injury, there shall be assessed a penalty of up to [five hundred] three thousand dollars, but not less than one thousand dollars. The court [may] shall issue an order of suspension of such person's driving privilege for a period of ninety days.

11. In addition to the penalty specified in subsection 8 of this section, any person who pleads guilty to or is found guilty of a violation of this section in which the offender is found to have caused a fatality, there shall be assessed a penalty of up to [one] ten thousand dollars, but not less than five thousand dollars. The court [may] shall issue an order of suspension of such person's driving privilege for a period of up to one year, but not less than six months. Such person shall also be required to participate in and successfully complete a driver-improvement program approved by the director of the department of revenue.

12. As used in subsections 9 and 10 of this section, the terms "physical injury" and "serious physical injury" shall have the meanings ascribed to them in section 556.061.

13. For any court-ordered suspension under subsection 9, 10, or 11 of this section, the director of the department shall impose such suspension as set forth in the court order. The order of suspension shall include the name of the offender, the offender's driver's license number, Social Security number, and the effective date of the suspension. Any appeal of a suspension imposed under subsection 9, 10, or 11 of this section shall be a direct appeal of the court order and subject to review by the presiding judge of the circuit court or another judge within the
circuit other than the judge who issued the original order to suspend the driver's license. The
director of revenue's entry of the court-ordered suspension on the driving record is not a decision
subject to review under section 302.311. Any suspension of the driver's license ordered by the
court under this section shall be in addition to any other suspension that may occur as a result
of the conviction under other provisions of law.

476.385. 1. The judges of the supreme court may appoint a committee consisting of at
least seven associate circuit judges, who shall meet en banc and establish and maintain a
schedule of fines to be paid for violations of sections 210.104, 577.070, and 577.073, and
chapters 252, 301, 302, 304, 306, 307 and 390, with such fines increasing in proportion to the
severity of the violation. The associate circuit judges of each county may meet en banc and
adopt the schedule of fines and participation in the centralized bureau pursuant to this section.
Notice of such adoption and participation shall be given in the manner provided by supreme
court rule. Upon order of the supreme court, the associate circuit judges of each county may
meet en banc and establish and maintain a schedule of fines to be paid for violations of
municipal ordinances for cities, towns and villages electing to have violations of its municipal
ordinances heard by associate circuit judges, pursuant to section 479.040; and for traffic court
divisions established pursuant to section 479.500. The schedule of fines adopted for violations
of municipal ordinances may be modified from time to time as the associate circuit judges of
each county en banc deem advisable. No fine established pursuant to this subsection may exceed
the maximum amount specified by statute or ordinance for such violation.

2. In no event shall any schedule of fines adopted pursuant to this section include
offenses involving the following:

(1) Any violation resulting in personal injury or property damage to another person;
(2) Operating a motor vehicle while intoxicated or under the influence of intoxicants or
drugs;
(3) Operating a vehicle with a counterfeited, altered, suspended or revoked license;
(4) Fleeing or attempting to elude an officer.

3. There shall be a centralized bureau to be established by supreme court rule in order
to accept pleas of not guilty or guilty and payments of fines and court costs for violations of the
laws and ordinances described in subsection 1 of this section, made pursuant to a schedule of
fines established pursuant to this section. The centralized bureau shall collect, with any plea of
guilty and payment of a fine, all court costs which would have been collected by the court of the
jurisdiction from which the violation originated.

4. If a person elects not to contest the alleged violation, the person shall send payment
in the amount of the fine and any court costs established for the violation to the centralized
bureau. Such payment shall be payable to the central violations bureau, shall be made by mail
or in any other manner established by the centralized bureau, and shall constitute a plea of guilty, 
waiver of trial and a conviction for purposes of section 302.302, and for purposes of imposing 
any collateral consequence of a criminal conviction provided by law. By paying the fine and 
costs, the person also consents to attendance either online or in person at any driver-improvement 
program or motorcycle-rider training course ordered by the court and consents to verification of 
such attendance as directed by the bureau. Notwithstanding any provision of law to the contrary, 
the prosecutor shall not be required to sign any information, ticket or indictment if disposition 
is made pursuant to this subsection. In the event that any payment is made pursuant to this 
section by credit card or similar method, the centralized bureau may charge an additional fee in 
order to reflect any transaction cost, surcharge or fee imposed on the recipient of the credit card 
payment by the credit card company.

5. If a person elects to plead not guilty, such person shall send the plea of not guilty to 
the centralized bureau. The bureau shall send such plea and request for trial to the prosecutor 
having original jurisdiction over the offense. Any trial shall be conducted at the location 
designated by the court. The clerk of the court in which the case is to be heard shall notify in 
writing such person of the date certain for the disposition of such charges. The prosecutor shall 
not be required to sign any information, ticket or indictment until the commencement of any 
proceeding by the prosecutor with respect to the notice of violation.

6. In courts adopting a schedule of fines pursuant to this section, any person receiving 
a notice of violation pursuant to this section shall also receive written notification of the 
following:

(1) The fine and court costs established pursuant to this section for the violation or 
information regarding how the person may obtain the amount of the fine and court costs for the 
violation;

(2) That the person must respond to the notice of violation by paying the prescribed fine 
and court costs, or pleading not guilty and appearing at trial, and that other legal penalties 
prescribed by law may attach for failure to appear and dispose of the violation. The supreme 
court may modify the suggested forms for uniform complaint and summons for use in courts 
adopting the procedures provided by this section, in order to accommodate such required written 
notifications.

7. Any moneys received in payment of fines and court costs pursuant to this section shall 
not be considered to be state funds, but shall be held in trust by the centralized bureau for benefit 
of those persons or entities entitled to receive such funds pursuant to this subsection. All 
amounts paid to the centralized bureau shall be maintained by the centralized bureau, invested 
in the manner required of the state treasurer for state funds by sections 30.240, 30.250, 30.260 
and 30.270, and disbursed as provided by the constitution and laws of this state. Any interest
earned on such fund shall be payable to the director of the department of revenue for deposit into a revolving fund to be established pursuant to this subsection. The state treasurer shall be the custodian of the revolving fund, and shall make disbursements, as allowed by lawful appropriations, only to the judicial branch of state government for goods and services related to the administration of the judicial system.

8. Any person who receives a notice of violation subject to this section who fails to dispose of such violation as provided by this section shall be guilty of failure to appear provided by section 544.665; and may be subject to suspension of driving privileges in the manner provided by section 302.341. The centralized bureau shall notify the appropriate prosecutor of any person who fails to either pay the prescribed fine and court costs, or plead not guilty and request a trial within the time allotted by this section, for purposes of application of section 544.665. The centralized bureau shall also notify the department of revenue of any failure to appear subject to section 302.341, and the [department shall thereupon] prosecutor shall determine whether to suspend the license of the driver in the manner provided by section 302.341[...as if notified by the court].

9. In addition to the remedies provided by subsection 8 of this section, the centralized bureau and the courts may use the remedies provided by sections 488.010 to 488.020 for the collection of court costs payable to courts, in order to collect fines and court costs for violations subject to this section.

479.170. 1. If, in the progress of any trial before a municipal judge, it shall appear to the judge that the accused ought to be put upon trial for an offense against the criminal laws of the state and not cognizable before him as municipal judge, he shall immediately stop all further proceedings before him as municipal judge and cause the complaint to be made before some associate circuit judge within the county.

2. For purposes of this section, any offense involving the operation of a motor vehicle in an intoxicated condition as defined in section 577.001 shall not be cognizable in municipal court, if the defendant has been convicted, found guilty, or pled guilty to two or more previous intoxication-related traffic offenses as defined in section [577.023] 577.001, or has had two or more previous alcohol-related enforcement contacts as defined in section 302.525.

488.029. There shall be assessed and collected a surcharge of one hundred fifty dollars in all criminal cases for any violation of chapter 195 or chapter 579 in which a crime laboratory makes analysis of a controlled substance, but no such surcharge shall be assessed when the costs are waived or are to be paid by the state or when a criminal proceeding or the defendant has been dismissed by the court. The moneys collected by clerks of the courts pursuant to the provisions of this section shall be collected and disbursed as provided by sections 488.010 to 488.020. All such moneys shall be payable to the director of revenue, who shall deposit all amounts collected
pursuant to this section to the credit of the state forensic laboratory account to be administered
by the department of public safety pursuant to section 650.105.

488.5320. 1. Sheriffs, county marshals or other officers shall be allowed a charge for
their services rendered in criminal cases and in all proceedings for contempt or attachment, as
required by law, the sum of seventy-five dollars for each felony case or contempt or attachment
proceeding, ten dollars for each misdemeanor case, and six dollars for each infraction, including
cases disposed of by a violations bureau established pursuant to law or supreme court rule. Such
charges shall be charged and collected in the manner provided by sections 488.010 to 488.020
and shall be payable to the county treasury; except that, those charges from cases disposed of by
a violations bureau shall be distributed as follows: one-half of the charges collected shall be
forwarded and deposited to the credit of the MODEX fund established in subsection 6 of this
section for the operational cost of the Missouri data exchange (MODEX) system, and one-half
of the charges collected shall be deposited to the credit of the inmate security fund, established
in section 488.5026, of the county or municipal political subdivision from which the citation
originated. If the county or municipal political subdivision has not established an inmate security
fund, all of the funds shall be deposited in the MODEX fund.

2. [Notwithstanding subsection 1 of this section to the contrary, sheriffs, county
marshals, or other officers in any county with a charter form of government and with more than
nine hundred fifty thousand inhabitants or in any city not within a county shall not be allowed
a charge for their services rendered in cases disposed of by a violations bureau established
pursuant to law or supreme court rule.

———3.— The sheriff receiving any charge pursuant to subsection 1 of this section shall
reimburse the sheriff of any other county or the City of St. Louis the sum of three dollars for each
pleading, writ, summons, order of court or other document served in connection with the case
or proceeding by the sheriff of the other county or city, and return made thereof, to the maximum
amount of the total charge received pursuant to subsection 1 of this section.

[4.] 3. The charges provided in subsection 1 of this section shall be taxed as other costs
in criminal proceedings immediately upon a plea of guilty or a finding of guilt of any defendant
in any criminal procedure. The clerk shall tax all the costs in the case against such defendant,
which shall be collected and disbursed as provided by sections 488.010 to 488.020; provided,
that no such charge shall be collected in any proceeding in any court when the proceeding or the
defendant has been dismissed by the court; provided further, that all costs, incident to the issuing
and serving of writs of scire facias and of writs of fieri facias, and of attachments for witnesses
of defendant, shall in no case be paid by the state, but such costs incurred under writs of fieri
facias and scire facias shall be paid by the defendant and such defendant's sureties, and costs for
attachments for witnesses shall be paid by such witnesses.
4. Mileage shall be reimbursed to sheriffs, county marshals and guards for all services rendered pursuant to this section at the rate prescribed by the Internal Revenue Service for allowable expenses for motor vehicle use expressed as an amount per mile.

5. (1) There is hereby created in the state treasury the "MODEX Fund", which shall consist of money collected under subsection 1 of this section. The fund shall be administered by the peace officers standards and training commission established in section 590.120. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, money in the fund shall be used solely for the operational support and expansion of the MODEX system.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

6. The MODEX fund may accept funds from federal, state, local, and private entities which utilize the information from the fund to fight fraud and other activities which are in the best interest of law enforcement or the state of Missouri.

7. Any information in MODEX which is open under the provisions of chapter 610 is considered open and is not Criminal Justice Information Services data. Any information in MODEX may be shared with any other law enforcement agency, division, or department of the state of Missouri, or other entity approved by the peace officer standards and training commission, for the purpose of anti-fraud efforts.

3. A statement may not be admitted under this section unless the prosecuting attorney makes known to the accused or the accused's counsel his or her intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the accused or the accused's counsel with a fair opportunity to prepare to meet the statement.

3. If the visual and aural recording of a verbal or nonverbal statement of a child or vulnerable person is admissible under this section and the child or vulnerable person testifies at the proceeding, it shall be admissible in addition to the testimony of the child or vulnerable person at the proceeding whether or not it repeats or duplicates the child's or vulnerable person's testimony.

conduct or the person's complicity therein is terminated. Time starts to run on the day after the 
offense is committed.

5. A prosecution is commenced for a misdemeanor or infraction when the information 
is filed and for a felony when the complaint or indictment is filed.

2. The court shall not be obligated to charge the jury with respect to an included offense unless there is a rational basis for a verdict acquitting the person of the offense charged and convicting him of the included offense. An offense is charged for purposes of this section if:

   (1) It is in an indictment or information; or
   (2) It is an offense submitted to the jury because there is a rational basis for a verdict acquitting the person of the offense charged and convicting the person of the included offense.

Jackson, 433 S.W.3d 390 (Mo. banc 2014) and all cases citing, interpreting, applying, or following that case. It is the intent of the legislature to apply these provisions retroactively.

557.035. 1. For all violations of section 565.054 or 565.090, subdivision (1) of
subsection 1 of section 569.100, or subdivision (1), (2), (3), (4), (6), (7) or (8) of subsection 1
of section 571.030, which the state believes to be knowingly motivated because of race, color,
religion, national origin, sex, sexual orientation or disability of the victim or victims, the state
may charge the offense or offenses under this section, and the violation is a class D felony.

2. For all violations of section [565.054] 565.056; [subdivisions (1), (3) and (4) of
subsection 1 of section 565.090]; subdivision (1) of subsection 1 of section 569.090; subdivision
(1) of subsection 1 of section 569.120; section 569.140; or section 574.050; which the state
believes to be knowingly motivated because of race, color, religion, national origin, sex, sexual
orientation or disability of the victim or victims, the state may charge the offense or offenses
under this section, and the violation is a class E felony.

3. The court shall assess punishment in all of the cases in which the state pleads and
proves any of the motivating factors listed in this section.

557.036. 1. Upon a finding of guilt, the court shall decide the extent or duration of
sentence or other disposition to be imposed under all the circumstances, having regard to the
nature and circumstances of the offense and the history and character of the defendant and render
judgment accordingly.

2. Where an offense is submitted to the jury, the trial shall proceed in two stages. At the
first stage, the jury shall decide only whether the defendant is guilty or not guilty of any
submitted offense. The issue of punishment shall not be submitted to the jury at the first stage.

3. If the jury at the first stage of a trial finds the defendant guilty of the submitted
offense, the second stage of the trial shall proceed. The issue at the second stage of the trial shall
be the punishment to be assessed and declared. Evidence supporting or mitigating punishment
may be presented. Such evidence may include, within the discretion of the court, evidence
concerning the impact of the offense upon the victim, the victim's family and others, the nature and circumstances of the offense, and the history and character of the defendant. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. The court shall instruct the jury as to the range of punishment authorized by statute for each submitted offense. The attorneys may argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The jury shall assess and declare the punishment as authorized by statute.

4. A second stage of the trial shall not proceed and the court, and not the jury, shall assess punishment if:

   (1) The defendant requests in writing, prior to voir dire, that the court assess the punishment in case of a finding of guilt; or

   (2) The state pleads and proves the defendant is a prior offender, persistent offender, dangerous offender, or persistent misdemeanor offender as defined in section 558.016[, or a persistent sexual offender or predatory sexual offender as defined in section 566.125]. If the jury cannot agree on the punishment to be assessed, the court shall proceed as provided in subsection 1 of this section. If, after due deliberation by the jury, the court finds the jury cannot agree on punishment, then the court may instruct the jury that if it cannot agree on punishment that the court will assess punishment.

5. If the jury returns a verdict of guilty in the first stage and declares a term of imprisonment in the second stage, the court shall proceed as provided in subsection 1 of this section except that any term of imprisonment imposed cannot exceed the term declared by the jury unless the term declared by the jury is less than the authorized lowest term for the offense, in which event the court cannot impose a term of imprisonment greater than the lowest term provided for the offense.

6. If the defendant is found to be a prior offender, persistent offender, dangerous offender or persistent misdemeanor offender as defined in section 558.016:

   (1) If he has been found guilty of an offense, the court shall proceed as provided in section 558.016; or

   (2) If he has been found guilty of a class A felony, the court may impose any sentence authorized for the class A felony.

7. The court shall not seek an advisory verdict from the jury in cases of prior offenders, persistent offenders, or dangerous offenders[, persistent sexual offenders or predatory sexual offenders]; if an advisory verdict is rendered, the court shall not deem it advisory, but shall consider it as mere surplusage.

558.021. 1. The court shall find the defendant to be a prior offender, persistent offender, or dangerous offender[, persistent sexual offender or predatory sexual offender] if:
3 (1) The indictment or information, original or amended, or the information in lieu of an
indictment pleads all essential facts warranting a finding that the defendant is a prior offender,
persistent offender, or dangerous offender; and
4 (2) Evidence is introduced that establishes sufficient facts pleaded to warrant a finding
beyond a reasonable doubt that the defendant is a prior offender, persistent offender, or
dangerous offender; and
5 (3) The court makes findings of fact that warrant a finding beyond a reasonable doubt
by the court that the defendant is a prior offender, persistent offender, or dangerous offender.
6 2. In a jury trial, the facts shall be pleaded, established and found prior to submission to
the jury outside of its hearing, except the facts required by subdivision (1) of subsection 4 of
section 558.016 may be established and found at a later time, but prior to sentencing, and may
be established by judicial notice of prior testimony before the jury.
7 3. In a trial without a jury or upon a plea of guilty, the court may defer the proof and
findings of such facts to a later time, but prior to sentencing. The facts required by subdivision
(1) of subsection 4 of section 558.016 may be established by judicial notice of prior testimony
or the plea of guilty.
8 4. The defendant shall be accorded full rights of confrontation and cross-examination,
with the opportunity to present evidence, at such hearings.
9 5. The defendant may waive proof of the facts alleged.
10 6. Nothing in this section shall prevent the use of presentence investigations or
commitments under sections 557.026 and 557.031.
11 7. At the sentencing hearing both the state and the defendant shall be permitted to present
additional information bearing on the issue of sentence.
12 558.046. The sentencing court may, upon petition, reduce any term of sentence or
probation pronounced by the court or a term of conditional release or parole pronounced by the
state board of probation and parole if the court determines that:
13 (1) The convicted person was:
14 (a) Convicted of an offense that did not involve violence or the threat of violence; and
15 (b) Convicted of an offense that involved alcohol or illegal drugs; and
16 (2) Since the commission of such offense, the convicted person has successfully
completed a detoxification and rehabilitation program; and
17 (3) The convicted person is not:
18 (a) A prior offender, a persistent offender, a dangerous offender or a persistent
misdemeanor offender as defined by section 558.016; or
(b) A predatory sexual offender as defined in section 566.123 or a prior sexual offender or a persistent sexual offender as defined in section [566.125] 566.124; or
(c) A prior offender, a persistent offender or a class X offender as defined in section 559.019.

559.115. 1. Neither probation nor parole shall be granted by the circuit court between the time the transcript on appeal from the offender's [conviction] finding of guilt has been filed in appellate court and the disposition of the appeal by such court.

2. Unless otherwise prohibited by subsection 8 of this section, a circuit court only upon its own motion and not that of the state or the offender shall have the power to grant probation to an offender anytime up to one hundred twenty days after such offender has been delivered to the department of corrections but not thereafter. The court may request information and a recommendation from the department concerning the offender and such offender's behavior during the period of incarceration. Except as provided in this section, the court may place the offender on probation in a program created pursuant to section 217.777, or may place the offender on probation with any other conditions authorized by law.

3. The court may recommend placement of an offender in a department of corrections one hundred twenty-day program under this subsection or order such placement under subsection 4 of section 559.036. Upon the recommendation or order of the court, the department of corrections shall assess each offender to determine the appropriate one hundred twenty-day program in which to place the offender, which may include placement in the shock incarceration program or institutional treatment program. When the court recommends and receives placement of an offender in a department of corrections one hundred twenty-day program, the offender shall be released on probation if the department of corrections determines that the offender has successfully completed the program except as follows. Upon successful completion of a program under this subsection, the board of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. The court shall follow the recommendation of the department unless the court determines that probation is not appropriate. If the court determines that probation is not appropriate, the court may order the execution of the offender's sentence only after conducting a hearing on the matter within ninety to one hundred twenty days from the date the offender was delivered to the department of corrections. If the department determines the offender has not successfully completed a one hundred twenty-day program under this subsection, the offender shall be removed from the program and the court shall be advised of the removal. The department shall report on the offender's participation in the program and may provide recommendations for terms and conditions of an offender's probation. The court shall then have the power to grant probation or order the execution of the offender's sentence.
4. If the court is advised that an offender is not eligible for placement in a one hundred twenty-day program under subsection 3 of this section, the court shall consider other authorized dispositions. If the department of corrections one hundred twenty-day program under subsection 3 of this section is full, the court may place the offender in a private program approved by the department of corrections or the court, the expenses of such program to be paid by the offender, or in an available program offered by another organization. If the offender is convicted of a class C, class D, or class E nonviolent felony, the court may order probation while awaiting appointment to treatment.

5. Except when the offender has been found to be a predatory sexual offender pursuant to section [566.125] 566.123, the court shall request the department of corrections to conduct a sexual offender assessment if the defendant has been found guilty of sexual abuse when classified as a class B felony. Upon completion of the assessment, the department shall provide to the court a report on the offender and may provide recommendations for terms and conditions of an offender's probation. The assessment shall not be considered a one hundred twenty-day program as provided under subsection 3 of this section. The process for granting probation to an offender who has completed the assessment shall be as provided under subsections 2 and 6 of this section.

6. Unless the offender is being granted probation pursuant to successful completion of a one hundred twenty-day program the circuit court shall notify the state in writing when the court intends to grant probation to the offender pursuant to the provisions of this section. The state may, in writing, request a hearing within ten days of receipt of the court's notification that the court intends to grant probation. Upon the state's request for a hearing, the court shall grant a hearing as soon as reasonably possible. If the state does not respond to the court's notice in writing within ten days, the court may proceed upon its own motion to grant probation.

7. An offender's first incarceration under this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term under the provisions of section 558.019.

8. Notwithstanding any other provision of law, probation may not be granted pursuant to this section to offenders who have been convicted of murder in the second degree pursuant to section 565.021; forcible rape pursuant to section 566.030 as it existed prior to August 28, 2013; rape in the first degree under section 566.030; forcible sodomy pursuant to section 566.060 as it existed prior to August 28, 2013; sodomy in the first degree under section 566.060; statutory rape in the first degree pursuant to section 566.032; statutory sodomy in the first degree pursuant to section 566.062; child molestation in the first degree pursuant to section 566.067 when classified as a class A felony; abuse or neglect of a child pursuant to section 568.060 when classified as a class A felony; or an offender who has been found to be a predatory sexual
offender pursuant to section [566.125] 566.123; or any offense in which there exists a statutory prohibition against either probation or parole.

559.117. 1. The director of the department of corrections is authorized to establish, as a three-year pilot program, a mental health assessment process.

2. Only upon a motion filed by the prosecutor in a criminal case, the judge who is hearing the criminal case in a participating county may request that an offender be placed in the department of corrections for one hundred twenty days for a mental health assessment and for treatment if it appears that the offender has a mental disorder or mental illness such that the offender may qualify for probation including community psychiatric rehabilitation (CPR) programs and such probation is appropriate and not inconsistent with public safety. Before the judge rules upon the motion, the victim shall be given notice of such motion and the opportunity to be heard. Upon recommendation of the court, the department shall determine the offender's eligibility for the mental health assessment process.

3. Following this assessment and treatment period, an assessment report shall be sent to the sentencing court and the sentencing court may, if appropriate, release the offender on probation. The offender shall be supervised on probation by a state probation and parole officer, who shall work cooperatively with the department of mental health to enroll eligible offenders in community psychiatric rehabilitation (CPR) programs.

4. Notwithstanding any other provision of law, probation shall not be granted under this section to offenders who:

   (1) Have been found guilty of, or plead guilty to, murder in the second degree under section 565.021;
   (2) Have been found guilty of, or plead guilty to, rape in the first degree under section 566.030 or forcible rape under section 566.030 as it existed prior to August 28, 2013;

   (6) Have been found guilty of, or plead guilty to, child molestation in the first degree under section 566.067 when classified as a class A felony;
   (7) Have been found to be a predatory sexual offender under section [566.125] 566.123; or
   (8) Have been found guilty of, or plead guilty to, any offense for which there exists a statutory prohibition against either probation or parole.
5. At the end of the three-year pilot, the director of the department of corrections and the
director of the department of mental health shall jointly submit recommendations to the governor
and to the general assembly by December 31, 2015, on whether to expand the process statewide.

The jury shall determine whether the defendant is a predatory sexual offender beyond a reasonable doubt. If the jury determines that the defendant is a predatory sexual offender, the court shall not seek an advisory verdict from the jury. If the jury determines that the defendant
is not a predatory sexual offender, a third stage of the trial shall proceed, unless jury sentencing is removed under section 557.036. The issue at the third stage of the trial shall be the punishment to be assessed and declared. The third stage of the trial shall proceed in the same manner required under section 557.036. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows:

1. On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.

In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C [or D, or E] felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252 relating to fish and game, chapter 302 relating to drivers' and commercial drivers' license, chapter 303 relating to motor vehicle financial responsibility, chapter 304 relating to traffic regulations, chapter 306 relating to watercraft
regulation and licensing, and chapter 307 relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.

Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.
13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.
