

HB 244 -- COLLABORATIVE PRACTICE ARRANGEMENTS

SPONSOR: Rowland (155)

This bill expands the geographic proximity waiver for collaborative practice arrangements so that it no longer applies to just rural health clinics. It also removes the restriction limiting the waiver to only 28 days a year. This bill also increases the number of nurses a physician can enter into collaborative practice arrangements with from three to five.

This bill is the same as HB 1697 (2016).
