

HCS HB 436 -- CORPORATE SECURITY ADVISORS

SPONSOR: Hill

COMMITTEE ACTION: Voted "Do Pass with HCS" by the Standing Committee on Crime Prevention and Public Safety by a vote of 9 to 0. Voted "Do Pass" by the Standing Committee on Rules- Legislative Oversight by a vote of 11 to 0.

This bill requires corporate security advisors to complete written reports detailing actions taken in the performance of their work duties, whenever actions taken rise above the verbalization level. A corporate security advisor must submit the written report to his or her employer, and the contents of submitted reports will be considered public records.

This bill is similar to HB 2066 (2016).

PROPONENTS: Supporters say that there needs to be some sort of immunity for corporate security advisors when they use force under certain circumstances.

Testifying for the bill was Representative Hill.

OPPONENTS: There was no opposition voiced to the committee.
