

HB 472 -- COLLEGE CREDIT DISCLOSURE ACT

SPONSOR: Smith (85)

This bill establishes the College Credit Disclosure Act, which requires a higher education institution not accredited by a recognized regional accreditor to disclose in writing during the admission application process that the institution is not accredited if it grants college-level credit. The information that is required in the disclosure is specified in the bill.

The bill exempts an institution that is affiliated with a religion if its faith-related accreditor is federally recognized. The disclosure must be signed by the student before registering for any class that grants credit.

This bill is similar to HB 2143 (2016).
