

HB 691 -- MO HEALTHNET BENEFITS

SPONSOR: Korman

This bill requires any MO HealthNet participant who is 18 years old or older to be a Missouri resident for six or more months before receiving any MO HealthNet benefits. The bill requires the Department of Social Services to apply to the United States Secretary of Health and Human Services for any necessary state plan amendments or waivers that are necessary to implement these provisions.

This bill is the same as HB 2263 (2016).
