

HB 697 -- AMBER ALERT SYSTEM (Trent)

COMMITTEE OF ORIGIN: Standing Committee on Crime Prevention and Public Safety

Currently, there are no meeting requirements for the Amber Alert System Oversight Committee. This bill requires the committee to meet at least annually to discuss potential improvements to the Amber Alert System.

The bill establishes Hailey's Law that requires the Amber Alert System to be integrated into the Missouri Uniform Law Enforcement System to expedite the reporting of child abductions.

This bill is similar to HB 635 (2015).
