The bill provides students the opportunity to choose between the ACT WorkKeys assessment or ACT (including ACT Plus Writing) assessment in any school year in which the Department of Elementary and Secondary Education (DESE) directs a state-funded census administration of the ACT assessment.

The bill will allow a teacher to count hours spent in a local business externship as contact hours of professional development.

This bill combines HB 93, HB 94, and HB 799 (2017).

PROPOSERS: Supporters say that this bill combines three bills that have been filed this session. All of such bills were voted out of the Rules - Administrative Oversight committee unanimously.

Testifying for the bill was Representative Lauer.
