

HJR 46 -- MOTOR VEHICLE LICENSING FEES

SPONSOR: Grier

Upon voter approval, this Constitutional amendment distributes revenues from motor vehicle registration fees first to local jurisdictions as a reimbursement for revenues lost from the exemption of motor vehicles from personal property tax and distributes all remaining revenue according to Section 30(a). The provisions of this amendment become effective on January 1, three years after voter approval of this amendment and an amendment that exempts motor vehicles from personal property tax.
