18 (2) The division may establish limitations upon marijuana production through one or more

37 stockholders, or owners indicate that the officers, directors, stockholders, or owners are not of good
38 moral character;

7 on possession or use of marijuana or marijuana concentrate that would not be a felony if the person
8 were convicted of the offense on the date he or she applied for licensure;

17 licensing authority may have access to criminal history record information furnished by a criminal
18 justice agency subject to any restrictions imposed by such agency. In the event the division or local
19 licensing authority considers the applicant's criminal history record, the division or local licensing
20 authority shall also consider any information provided by the applicant regarding such criminal
21 history record including, but not limited to, evidence of rehabilitation, character references, and

32 for the purpose of conducting fingerprint-based criminal history record checks. The Missouri state
33 highway patrol shall forward the fingerprints to the Federal Bureau of Investigation for the purpose
34 of conducting a fingerprint-based criminal history record check. The division or locality may
35 acquire a name-based criminal history record check for an applicant or a license holder who has
36 twice submitted to a fingerprint-based criminal history record check and whose fingerprints are
37 unclassifiable. An applicant who has previously submitted fingerprints for a state or local license
38 may request that the fingerprints on file be used. The division or locality shall use the information
39 resulting from the fingerprint-based criminal history record check to investigate and determine
40 whether an applicant is qualified to hold a state or local license under sections 195.2200 to
41 195.2281. The division or locality may verify any of the information an applicant is required to
42 submit.

43 195.2215. 1. Ninety days prior to the expiration date of an existing license, the division
44 shall notify the licensee of the expiration date by first-class mail at the licensee's address of record
45 with the division. A licensee may apply for the renewal of an existing license to the division no
46 later than thirty days prior to the date of expiration. Upon receipt of an application for renewal of
47 an existing license and any applicable fees, the division shall submit, within seven days, a copy of
48 the application to the locality to determine whether the application complies with all local

1 restrictions on renewal of licenses. The division shall not accept an application for renewal of a
2 license after the date of expiration, except as provided in subsection 3 of this section. The division
3 may extend the expiration date of the license and accept a late application for renewal of a license if
4 the applicant has filed a timely renewal application with the local licensing authority. The division

6 subsection 3 of this section and based upon reasonable grounds, may waive the thirty-day time

10 3. (1) Notwithstanding the provisions of subsection 1 of this section, a licensee whose
11 license has been expired for ninety days or less may file a late renewal application upon the
12 payment of a nonrefundable late application fee of five hundred dollars to the division. A licensee
13 who files a late renewal application and pays the requisite fees may continue to operate until the
14 division takes final action to approve or deny the licensee's late renewal application unless the
15 division summarily suspends the license.

16 (2) The division may administratively continue the license and accept a late application for
17 renewal of a license at its discretion.

18 (3) Notwithstanding the amount specified for the late application fee in subdivision (1) of

38 (2) (a) Prior to initiating a sale, the employee of the retail marijuana store making the sale
39 shall verify that the purchaser has a valid identification card showing the purchaser is twenty-one
40 years of age or older. If a person under twenty-one years of age presents fraudulent proof of age,

43 (b) If a retail marijuana store licensee or employee has reasonable cause to believe that a
44 person is under twenty-one years of age and is exhibiting fraudulent proof of age in an attempt to
45 obtain any marijuana or marijuana-infused product, the licensee or employee is authorized to
46 confiscate such fraudulent proof of age, if possible, and shall, within seventy-two hours after the
47 confiscation, remit the proof of age to a state or local law enforcement agency. The failure to
48 confiscate such fraudulent proof of age or to remit to a state or local law enforcement agency within

1 seventy-two hours after the confiscation shall not constitute a criminal offense.

2 4. A retail marijuana store may provide a sample of its products to a facility that has a
3 marijuana testing facility license from the division for testing and research purposes. A retail
4 marijuana store shall maintain a record of what was provided to the testing facility, the identity of

7 packaged and labeled as required by rules of the division.

8 6. (1) A licensed retail marijuana store shall only sell marijuana, marijuana products,
9 marijuana accessories, nonconsumable products such as apparel, and marijuana-related products
10 such as childproof packaging containers and shall be prohibited from selling or giving away any
11 consumable product including, but not limited to, cigarettes, alcohol, or edible products that do not
12 contain marijuana including, but not limited to, sodas, candies, or baked goods.

13 (2) A licensed retail marijuana store shall not sell any marijuana or marijuana products that
14 contain nicotine or alcohol, if the sale of the alcohol would require a license.

15 (3) A licensed retail marijuana store shall not sell marijuana or marijuana products over the
16 internet nor deliver marijuana or marijuana products to a person not physically present in the retail
17 marijuana store's licensed premises.

18 7. An automatic dispensing machine that contains marijuana or marijuana products may

46 by the division to adopt regulations or because of a failure by the division to process and issue
47 licenses under sections 195.2200 to 195.2281.

48 2. A locality may enact ordinances or regulations, not in conflict with sections 195.2200 to

24 on time, place, manner, and number of marijuana businesses. A locality may decline to impose any
25 local licensing requirements, but a locality shall notify the division that it either approves or denies
26 each application it receives.

27 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
28 under the authority delegated in this section shall become effective only if it complies with and is
29 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
30 chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to
31 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
32 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
33 August 28, 2018, shall be invalid and void.

34 195.2242. 1. If a locality issues local licenses for a marijuana establishment, a locality may
35 schedule a public hearing on the application. If the locality schedules a hearing, it shall post and
36 publish public notice thereof no later than ten days prior to the hearing. The locality shall give
37 public notice by posting a sign in a conspicuous place on the license applicant's premises for which
38 a local license application has been made and by publication in a newspaper of general circulation in
39 the county in which the applicant's premises are to be located.

40 2. If a locality does not issue local licenses, the locality may give public notice of the state
41 license application by posting a sign in a conspicuous place on the state license applicant's premises
42 for which a state license application has been made and by publication in a newspaper of general
43 circulation in the county in which the applicant's premises are located.

44 195.2245. 1. Applications for a state license under the provisions of sections 195.2200 to
45 195.2281 shall be made to the division on forms prepared and furnished by the division and shall set
46 forth such information as the division may require to enable the division to determine whether a
47 state license should be granted. The information shall include the name and address of the applicant
48 and the names and addresses of the officers, directors, or managers. Each application shall be

1 verified by the oath or affirmation of such person or persons as the division may prescribe. The
2 division may issue a state license to an applicant under this section upon completion of the
3 applicable criminal history background check associated with the application, and the state license is
4 conditioned upon locality approval. A license applicant is prohibited from operating a marijuana
5 establishment without the division's and locality's approval. If the applicant does not receive
6 locality approval within one year from the date of the division's approval, the state license shall
7 expire and shall not be renewed. If an application is denied by the local licensing authority, the
8 division shall revoke the state-issued license.

9 2. Nothing in sections 195.2200 to 195.2281 preempts or otherwise impairs the power of a
10 local government to enact ordinances or resolutions concerning matters authorized to local
11 governments.

12 195.2248. 1. Localities are authorized to adopt and enforce regulations for marijuana
13 establishments that are at least as restrictive as the provisions of sections 195.2200 to 195.2281 and
14 any rule promulgated by the division.

15 2. A marijuana establishment shall not operate until it is licensed by the division under
16 sections 195.2200 to 195.2281 and approved by the locality. In connection with a license, the
17 applicant shall provide a complete and accurate application as required by the division.

18 3. A marijuana establishment shall notify the division in writing of the name, address, and
19 date of birth of an owner, officer, or manager before the new owner, officer, or manager begins
20 managing, owning, or associating with the operation. The owner, officer, manager, or employee
21 shall pass a fingerprint-based criminal history record check as required by the division and obtain
22 the required identification prior to being associated with, managing, owning, or working at the
23 operation.

24 4. A marijuana establishment shall not acquire, possess, cultivate, deliver, transfer,
25 transport, supply, or dispense marijuana for any purpose except as provided in sections 195.2200 to
26 195.2281.

27 5. All managers and employees of a marijuana establishment shall be residents of Missouri
28 upon the date of their license application. All licenses granted under sections 195.2200 to 195.2281
29 are valid for a period of one year after the date of issuance unless revoked or suspended under
30 sections 195.2200 to 195.2281 or the rules promulgated.

31 6. Before granting a state license, the division may consider, except if specifically provided
32 otherwise in sections 195.2200 to 195.2281, the requirements of sections 195.2200 to 195.2281 and
33 any rules promulgated, and all other reasonable restrictions that are or may be placed upon the
34 licensee by the division or locality.

35 7. (1) Each license issued under sections 195.2200 to 195.2281 is separate and distinct. It
36 is unlawful for a person to exercise any of the privileges granted under a license other than the
37 license that the person holds or for a licensee to allow any other person to exercise the privileges
38 granted under the licensee's license. A separate license shall be required for each specific business
39 or business entity and each geographical location.

40 (2) At all times, a licensee shall possess and maintain possession of the premises for which
41 the license is issued by ownership, lease, rental, or other arrangement for possession of the
42 premises.

43 8. The licenses issued under sections 195.2200 to 195.2281 shall specify the date of
44 issuance, the period of licensure, the name of the licensee, and the premises licensed. The licensee
45 shall conspicuously place the license on the licensed premises at all times.

46 9. In computing any time prescribed by sections 195.2200 to 195.2281, the day of the act,
47 event, or default from which the designated time begins to run shall not be included. Saturdays,
48 Sundays, and legal holidays shall be counted as any other day.

1 10. Each licensee shall manage the licensed premises himself or herself or employ a
2 separate and distinct manager on the licensed premises and shall report the name of the manager to
3 the division and local licensing authority. The licensee shall report any change in manager to the
4 division and local licensing authority within seven days after the change.

5 195.2251. 1. A tax shall be levied upon the sale of marijuana or transfer of marijuana by a
6 wholesale marijuana-cultivation facility to a wholesale marijuana-product manufacturing facility or
7 to a retail marijuana store at a rate of twenty percent. The department of revenue shall direct the
8 division to establish procedures for the collection of all taxes levied. The tax shall be evidenced by
9 stamps, which shall be furnished by and purchased from the department of revenue, and the
10 department shall enforce any such tax in a manner similar to taxes levied on cigarettes under chapter
11 149.

12 2. All such tax revenue shall be deposited to the credit of the general revenue; however, no
13 more than ten percent shall be used to fund higher education, ten percent to fund elementary and
14 secondary education, and five percent to fund programs assisting children with mental health issues,
15 and no such tax revenue shall be used to fund any pension or public retirement plan.

16 3. Nothing in this section shall prohibit a locality from imposing its own sales tax or a sales
17 tax upon consumers.

18 195.2254. 1. The division shall deny a state license if the premises on which the applicant
19 proposes to conduct its business does not meet the requirements set forth under sections 195.2200 to
20 195.2281. The division may refuse or deny a license renewal, reinstatement, or initial license
21 issuance for good cause. For purposes of this subsection, "good cause" means:

22 (1) The licensee or applicant has violated, does not meet, or has failed to comply with any
23 of the terms, conditions, or provisions of sections 195.2200 to 195.2281; any rules promulgated; or
24 any supplemental local law, rule, or regulation;

25 (2) The licensee or applicant has failed to comply with any special terms or conditions that
26 were placed on its license under an order of the division or local licensing authority; or

27 (3) The licensed premises has been operated in a manner that adversely affects the public
28 health or the safety of the immediate neighborhood in which the establishment is located.

29 2. If the division denies a state license under subsection 1 of this section, the applicant shall
30 be entitled to a hearing. The division shall provide written notice of the grounds for denial of the
31 state license to the applicant and to the locality no later than fifteen days prior to the hearing.

32 195.2257. 1. In addition to any other sanctions prescribed by sections 195.2200 to
33 195.2281 or any rules promulgated, the division has the power, on its own motion or upon
34 complaint and after investigation and opportunity for a public hearing at which the licensee shall be
35 afforded an opportunity to be heard, to fine a licensee or to suspend or revoke a license issued by
36 the division for a violation by the licensee or by any of the agents or employees of the licensee of
37 the provisions of sections 195.2200 to 195.2281, any of the rules promulgated, or any of the terms,
38 conditions, or provisions of the license issued by the division. The division has the power to
39 administer oaths and issue subpoenas to require the presence of persons and the production of
40 papers, books, and records necessary to the determination of a hearing that the division is authorized
41 to conduct.

42 2. The division shall provide notice of suspension, revocation, fine, or other sanction, as
43 well as the required notice of the hearing under subsection 1 of this section, by mailing the same in
44 writing to the licensee at the address contained in the license and, if different, at the last address
45 furnished to the division or locality by the licensee. Except in the case of a summary suspension, a
46 suspension shall not be for a period longer than six months. If a license is suspended or revoked, a
47 part of the fees paid therefor shall not be returned to the licensee. Any license may be summarily
48 suspended by the division without notice pending any prosecution, investigation, or public hearing.

1 Nothing in this section shall prevent the summary suspension of a license.

2 195.2260. 1. Every licensee licensed under sections 195.2200 to 195.2281 shall be deemed,
3 by virtue of applying for, holding, or renewing such person's license, to have expressly consented to
4 the procedures set forth in this section.

5 2. The division or locality shall not be required to cultivate or care for any marijuana or
6 marijuana product belonging to or seized from a licensee. The division or locality shall not be
7 authorized to sell marijuana, retail or otherwise.

8 3. If the division issues a final agency order imposing a disciplinary action against a
9 licensee under section 195.2254, then, in addition to any other remedies, the division's or locality's
10 final agency order may specify that some or all of the licensee's marijuana or marijuana product is
11 not marijuana or a marijuana product and is an illegal controlled substance. The order may further
12 specify that the licensee shall lose any interest in any of the marijuana or marijuana product even if
13 the marijuana or marijuana product previously qualified as marijuana or a marijuana product. The
14 final agency order may direct the destruction of any such marijuana and marijuana products, except
15 as provided under subsections 4 and 5 of this section. The authorized destruction may include the
16 incidental destruction of any containers, equipment, supplies, and other property associated with the
17 marijuana or marijuana product.

18 4. Following the issuance of a final agency order by the division against a licensee and
19 ordering destruction authorized by subsection 3 of this section, a licensee shall have fifteen days
20 within which to file a petition for stay of agency action with the circuit court. The action shall be
21 filed in the circuit court of Cole County. The licensee shall serve the petition in accordance with the
22 Missouri rules of civil procedure. The circuit court shall promptly rule upon the petition and
23 determine whether the licensee has a substantial likelihood of success on judicial review so as to
24 warrant delay of the destruction authorized by subsection 3 of this section or whether other
25 circumstances warrant delay of such destruction including, but not limited to, the need for
26 preservation of evidence. If destruction is so delayed under judicial order, the court shall issue an
27 order setting forth terms and conditions under which the licensee may maintain the marijuana and
28 marijuana product pending judicial review and prohibiting the licensee from using or distributing
29 the marijuana or marijuana product pending the review. The division shall not carry out the
30 destruction authorized by subsection 3 of this section until fifteen days have passed without the
31 filing of a petition for stay of agency action or until the court has issued an order denying stay of
32 agency action under this subsection.

33 5. A prosecuting attorney shall notify the division if it begins investigating a marijuana
34 establishment. If the division has received notification from a prosecuting attorney that an
35 investigation is being conducted, the division shall not destroy any marijuana or marijuana products
36 from the marijuana establishment until the destruction is approved by the prosecuting attorney.

37 195.2263. 1. Each licensee shall keep a complete set of all records necessary to show fully
38 the business transactions of the licensee, all of which shall be open at all times during business
39 hours for the inspection and examination by the division or its duly authorized representatives. The
40 division may require any licensee to furnish such information as it considers necessary for the
41 proper administration of sections 195.2200 to 195.2281 and may require an audit to be made of the
42 books of account and records on such occasions as it may consider necessary by an auditor to be
43 selected by the division, who shall likewise have access to all books and records of the licensee, and
44 the expense thereof shall be paid by the licensee.

45 2. The licensed premises, including any places of storage where marijuana or marijuana
46 products are stored, cultivated, sold, dispensed, or tested shall be subject to inspection by the
47 division or locality and its investigators, during all business hours and other times of apparent
48 activity, for the purpose of inspection or investigation. Access shall be required during business

1 hours for examination of any inventory or books and records required to be kept by the licensees. If
2 any part of the licensed premises consists of a locked area, upon demand to the licensee, such area
3 shall be made available for inspection without delay, and, upon request by authorized
4 representatives of the division or locality, the licensee shall open the area for inspection.

5 3. Each licensee shall retain all books and records necessary to show fully the business
6 transactions of the licensee for a period of the current tax year and the three immediately preceding
7 tax years.

8 195.2266. If the division does not issue a license to an applicant within ninety days of
9 receipt of the application filed in accordance with sections 195.2200 to 195.2281 and does not
10 notify the applicant of the specific reason for the denial in writing and within such time period or if
11 the division has adopted rules and regulations and has accepted applications but has not issued any
12 licenses by January 1, 2021, the applicant may resubmit its application directly to the locality, and
13 the locality may issue an annual license to the applicant. A locality issuing a license to an applicant
14 shall do so within ninety days of receipt of the resubmitted application unless the locality finds and
15 notifies the applicant that the applicant is not in compliance with any ordinance or regulation, and
16 the locality shall notify the division if an annual license has been issued to the applicant. If an
17 application is submitted to a locality under this section, the division shall forward to the locality the
18 application fee paid by the applicant to the division upon request by the locality. A license issued
19 by a locality in accordance with this section shall have the same force and effect as a license issued
20 by the division. A subsequent or renewed license may be issued under this section on an annual
21 basis only upon resubmission to the locality of a new application submitted to the division.

22 195.2269. If the division does not adopt rules and regulations required by sections 195.2200
23 to 195.2281, an applicant may submit an application directly to a locality after October 1, 2020, and
24 the locality may issue an annual license to the applicant. A locality issuing a license to an applicant
25 shall do so within ninety days of receipt of the application unless it finds and notifies the applicant
26 that the applicant is not in compliance with any ordinance or regulation and shall notify the division
27 if an annual license has been issued to the applicant. A license issued by a locality in accordance
28 with this subsection shall have the same force and effect as a license issued by the division in
29 accordance with sections 195.2200 to 195.2281. A subsequent or renewed license may be issued
30 under this section on an annual basis if the division has not adopted regulations required by sections
31 195.2200 to 195.2281 at least ninety days prior to the date upon which such subsequent or renewed
32 license would be effective or if the division has adopted regulations but has not, at least ninety days
33 after the adoption of such regulations, issued licenses under sections 195.2200 to 195.2281.

34 195.2272. Nothing in sections 195.2200 to 195.2281 shall require an employer to permit or
35 accommodate the use, consumption, possession, transfer, display, transportation, sale, or growing of
36 marijuana in the workplace or to affect the ability of employers to have policies restricting the use
37 of marijuana by employees.

38 195.2275. Nothing in sections 195.2200 to 195.2281 shall allow driving under the influence
39 of marijuana or driving while impaired by marijuana or to supersede statutory laws related to
40 driving under the influence of marijuana or driving while impaired by marijuana, nor shall sections
41 195.2200 to 195.2281 prevent the state from enacting and imposing penalties for driving under the
42 influence of or while impaired by marijuana.

43 195.2278. Nothing in sections 195.2200 to 195.2281 shall permit the transfer of marijuana,
44 with or without remuneration, to a person under twenty-one years of age or to allow a person under
45 twenty-one years of age to purchase, possess, use, transport, grow, or consume marijuana.

46 195.2281. Nothing in sections 195.2200 to 195.2281 shall prohibit a person, employer,
47 school, hospital, detention facility, corporation, or any other entity that occupies, owns, or controls a
48 property from prohibiting or otherwise regulating the possession, consumption, use, display,

1 transfer, distribution, sale, transportation, or growing of marijuana on or in such property.

2 579.001. Any person convicted and serving a sentence for a nonviolent felony involving
3 marijuana or marijuana drug paraphernalia under this chapter may petition the court for, and the
4 court may grant, parole to such person.

5 579.015. 1. A person commits the offense of possession of a controlled substance if he or
6 she knowingly possesses a controlled substance, except as authorized by this chapter or chapter 195.

7 2. The offense of possession of any controlled substance except thirty-five grams or less of
8 marijuana or any synthetic cannabinoid is a class D felony.

9 3. The offense of possession of more than ten grams but thirty-five grams or less of
10 marijuana or any synthetic cannabinoid is a class A misdemeanor, except as provided in sections
11 195.2200 to 195.2281.

12 4. The offense of possession of not more than ten grams of marijuana or any synthetic
13 cannabinoid is a class D misdemeanor. If the defendant has previously been found guilty of any
14 offense of the laws related to controlled substances of this state, or of the United States, or any state,
15 territory, or district, the offense is a class A misdemeanor. Prior findings of guilt shall be pleaded
16 and proven in the same manner as required by section 558.021. The provisions of this subsection
17 shall not apply to any person in compliance with the provisions of sections 195.2200 to 195.2281.

18 5. In any complaint, information, or indictment, and in any action or proceeding brought for
19 the enforcement of any provision of this chapter or chapter 195, it shall not be necessary to include
20 any exception, excuse, proviso, or exemption contained in this chapter or chapter 195, and the
