"135.580. 1. This section shall be known and may be cited as the "Community Police Tax Credit".

2. As used in this section, the following terms mean:
   (1) "Community policing zone", an area that is designated as such by a city, town, or village and where law enforcement takes a proactive approach to address public safety concerns;
   (2) "Eligible taxpayer", an individual who is employed as a law enforcement officer;
   (3) "High-crime area", an area, as determined by the department of public safety, that has a crime rate in the top twenty-five percent of all areas listed in the report required under subsection 4 of this section;
   (4) "Present address", the address stated on an eligible taxpayer’s income tax return;
   (5) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.

3. For all tax years beginning on or after January 1, 2019, an eligible taxpayer who lives in both a high-crime area and community policing zone shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to three thousand dollars.

4. The department of public safety shall issue a report to the department of revenue that determines the crime rate of areas in this state. The report shall rank areas from the highest to lowest crime rate. Crime rates shall be calculated by adding the total property and violent crimes reported in an area and dividing such sum by the population of the area. The department of public safety shall have discretion in determining the geographic boundaries of the areas but in so determining shall consider the availability of crime data and the difficulty of correlating street addresses to the area. Areas shall not be as large as counties.

5. For eligible taxpayers who apply for the tax credit, the department of revenue shall verify whether the taxpayer’s present address is located in a high-crime area and, if so, apply the tax credit to the taxpayer’s tax return.

6. Tax credits issued under the provisions of this section shall be refundable but shall not be sold, transferred, or assigned.

7. The department of revenue and department of public safety may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to
disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:
   (1) The provisions of the new program authorized under this section shall automatically
       sunset December thirty-first six years after the effective date of this section unless reauthorized by
       an act of the general assembly;
   (2) If such program is reauthorized, the program authorized under this section shall
       automatically sunset December thirty-first twelve years after the effective date of the reauthorization
       of this section; and
   (3) This section shall terminate on September first of the calendar year immediately
       following the calendar year in which the program authorized under this section is sunset.

Further amend said bill, Page 6, Section 135.600, Line 90, by inserting immediately after all of said
section and line the following:

"135.620. 1. As used in this section, the following terms mean:
   (1) "Contribution", a contribution of cash, stock, bonds, or other marketable securities, or
       real property;
   (2) "Director", the director of the department of social services;
   (3) "Homeless individual", the same meaning as such term is defined under 42 U.S.C.

Section 11302;
   (4) "Homeless shelter", a supervised nighttime residence operated by a public, private, or
       charitable organization to provide temporary living arrangements for homeless individuals;
   (5) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding
       withholding tax imposed under sections 143.191 to 143.265, or otherwise due under chapter 148 or
       153;
   (6) "Taxpayer", a person, firm, partner in a firm, corporation, or shareholder in an S
       corporation doing business in the state of Missouri and subject to the state income tax imposed
       under chapter 143; an insurance company paying an annual tax on its gross premium receipts in this
       state; any other financial institution paying taxes to the state of Missouri or any political subdivision
       of this state under chapter 148; an express company that pays an annual tax on its gross receipts in
       this state under chapter 153; an individual subject to the state income tax under chapter 143; or any
       charitable organization that is exempt from federal income tax and whose Missouri unrelated
       business taxable income, if any, would be subject to the state income tax imposed under chapter
       143.

2. For all tax years beginning on or after January 1, 2019, a taxpayer shall be allowed to
   claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the
   amount of such taxpayer's contributions to a homeless shelter.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state
   tax liability for the tax year for which the credit is claimed, and such taxpayer shall not be allowed
   to claim a tax credit in excess of fifty thousand dollars per tax year. However, any portion of the tax
   credit that cannot be claimed in the tax year the contribution was made may be carried over to the
   next four succeeding tax years until the full credit has been claimed. No tax credits issued under the
   provisions of this section shall be assigned, transferred, or sold.

4. Except for any excess credit that is carried over under subsection 3 of this section, a
   taxpayer shall not be allowed to claim a tax credit unless the total amount of such taxpayer's
   contributions to homeless shelters in the tax year is at least one hundred dollars.

5. The director shall determine, at least annually, which facilities in this state may be
classified as homeless shelters. The director may require of a facility seeking classification as a
homeless shelter whatever information that is reasonably necessary to make such a determination.
The director shall classify a facility as a homeless shelter if the facility meets the definition under
subsection 1 of this section. The director shall establish a procedure by which a taxpayer can
determine if a facility has been classified as a homeless shelter.

6. The cumulative amount of tax credits that may be claimed under this section in a tax year
shall not exceed two million five hundred thousand dollars. Tax credits shall be issued in the order
contributions are received.

7. The director shall establish a procedure by which, from the beginning of the tax year until
some point in time later in the tax year to be determined by the director, the cumulative amount of
tax credits are apportioned among all facilities classified as homeless shelters. If a homeless shelter
fails to use all, or some percentage determined by the director, of its apportioned tax credits during
this predetermined period of time, the director may reapportion such unused tax credits to those
homeless shelters that have used all, or some percentage determined by the director, of their
apportioned tax credits during the predetermined period of time. The director may establish more
than one period of time and reapportion more than once during each tax year. To the maximum
extent possible, the administration of this procedure shall enable taxpayers to claim the cumulative
amount of tax credits available for the tax year.

8. Each homeless shelter shall provide information to the director concerning the identity of
each taxpayer who makes a contribution to the homeless shelter and claims a tax credit under this
section and the amount of such contribution. The director shall provide the information to the
director of revenue. The director shall be subject to the confidentiality and penalty provisions of
section 32.057 relating to the disclosure of tax information.

   reauthorization of this section; and
