43 practice will be subject to the distant state's authority and law. A distant state may, in accordance  
44 with that state's due process law, limit or revoke a psychologist's temporary authorization to practice  
45 in the distant state and may take any other necessary actions under the distant state's applicable law  
46 to protect the health and safety of the distant state's citizens. If a distant state takes action, the state  
47 shall promptly notify the home state and the commission.

48          5. If a psychologist's license in any home state, another compact state, or any temporary

1 authorization to practice in any distant state, is restricted, suspended or otherwise limited, the IPC  
2 shall be revoked and therefore the psychologist shall not be eligible to practice in a compact state  
3 under the temporary authorization to practice.

4 337.125. A psychologist may practice in a receiving state under the authority to practice  
5 interjurisdictional telepsychology only in the performance of the scope of practice for psychology as  
6 assigned by an appropriate state psychology regulatory authority, as defined in the rules of the  
7 commission, and under the following circumstances:

8 (1) The psychologist initiates a client/patient contact in a home state via telecommunications

17 against a psychologist based on an adverse action taken by a distant state regarding temporary in-  
18 person, face-to-face practice.

19 3. (1) If a home state takes adverse action against a psychologist's license, that  
20 psychologist's authority to practice interjurisdictional telepsychology is terminated and the

22 terminated and the IPC is revoked.

23 (2) All home state disciplinary orders which impose adverse action shall be reported to the  
24 commission in accordance with the rules promulgated by the commission. A compact state shall  
25 report adverse actions in accordance with the rules of the commission.

30 commission.

31 4. A home state's psychology regulatory authority shall investigate and take appropriate  
32 action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a  
33 receiving state as it would if such conduct had occurred by a licensee within the home state. In such  
34 cases, the home state's law shall control in determining any adverse action against a psychologist's  
35 license.

36 5. A distant state's psychology regulatory authority shall investigate and take appropriate  
37 action with respect to reported inappropriate conduct engaged in by a psychologist practicing under  
38 temporary authorization practice which occurred in that distant state as it would if such conduct had

40 determining any adverse action against a psychologist's temporary authorization to practice.

41 6. Nothing in this compact shall override a compact state's decision that a psychologist's  
42 participation in an alternative program may be used in lieu of adverse action and that such  
43 participation shall remain non-public if required by the compact state's law. Compact states shall  
44 require psychologists who enter any alternative programs to not provide telepsychology services  
45 under the authority to practice interjurisdictional telepsychology or provide temporary psychological  
46 services under the temporary authorization to practice in any other compact state during the term of  
47 the alternative program.

6 psychology regulatory authority for the attendance and testimony of witnesses, or the production of  
7 evidence from another compact state shall be enforced in the latter state by any court of competent  
8 jurisdiction, according to that court's practice and procedure in considering subpoenas issued in its  
9 own proceedings. The issuing state psychology regulatory authority shall pay any witness fees,  
10 travel expenses, mileage and other fees required by the service statutes of the state where the  
11 witnesses or evidence are located; and

12 (2) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to  
13 practice interjurisdictional telepsychology or temporary authorization to practice.

14 2. During the course of any investigation, a psychologist may not change his or her home  
15 state licensure. A home state psychology regulatory authority is authorized to complete any  
16 pending investigations of a psychologist and to take any actions appropriate under its law. The  
17 home state psychology regulatory authority shall promptly report the conclusions of such  
18 investigations to the commission. Once an investigation has been completed, and pending the  
19 outcome of said investigation, the psychologist may change his or her home state licensure. The  
20 commission shall promptly notify the new home state of any such decisions as provided in the rules  
21 of the commission. All information provided to the commission or distributed by compact states  
22 pursuant to the psychologist shall be confidential, filed under seal and used for investigatory or  
23 disciplinary matters. The commission may create additional rules for mandated or discretionary  
24 sharing of information by compact states.

26 coordinated licensure information system "coordinated database" and reporting system containing  
27 licensure and disciplinary action information on all psychologist individuals to whom this compact  
28 is applicable in all compact states as defined by the rules of the commission.

29 2. Notwithstanding any other provision of state law to the contrary, a compact state shall

39 (7) Any denial of application for licensure, and the reasons for such denial; and

40 (8) Other information which may facilitate the administration of this compact, as  
41 determined by the rules of the commission.

42 3. The coordinated database administrator shall promptly notify all compact states of any  
43 adverse action taken against, or significant investigative information on, any licensee in a compact  
44 state.

45 4. Compact states reporting information to the coordinated database may designate  
46 information that may not be shared with the public without the express permission of the compact  
47 state reporting the information.

48 5. Any information submitted to the coordinated database that is subsequently required to be

1 expunged by the law of the compact state reporting the information shall be removed from the  
2 coordinated database.

3 337.145. 1. The compact states hereby create and establish a joint public agency known as

6 (2) Venue is proper and judicial proceedings by or against the commission shall be brought  
7 solely and exclusively in a court of competent jurisdiction where the principal office of the  
8 commission is located. The commission may waive venue and jurisdictional defenses to the extent  
9 it adopts or consents to participate in alternative dispute resolution proceedings.

10 (3) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

11 2. The commission shall consist of one voting representative appointed by each compact  
12 state who shall serve as that state's commissioner. The state psychology regulatory authority shall  
13 appoint its delegate. This delegate shall be empowered to act on behalf of the compact state. This  
14 delegate shall be limited to:

15 (1) Executive director, executive secretary or similar executive;

18 compact state.

19 3. (1) Any commissioner may be removed or suspended from office as provided by the law  
20 of the state from which the commissioner is appointed. Any vacancy occurring in the commission  
21 shall be filled in accordance with the laws of the compact state in which the vacancy exists.

22 (2) Each commissioner shall be entitled to one vote with regard to the promulgation of rules  
23 and creation of bylaws and shall otherwise have an opportunity to participate in the business and  
24 affairs of the commission. A commissioner shall vote in person or by such other means as provided  
25 in the bylaws. The bylaws may provide for commissioners' participation in meetings by telephone or  
26 other means of communication.

27 (3) The commission shall meet at least once during each calendar year. Additional meetings  
28 shall be held as set forth in the bylaws.

29 (4) All meetings shall be open to the public, and public notice of meetings shall be given in  
30 the same manner as required under the rulemaking provisions in section 337.150.

31 (5) The commission may convene in a closed, nonpublic meeting if the commission shall  
32 discuss:

33 (a) Noncompliance of a compact state with its obligations under the compact;

34 (b) The employment, compensation, discipline or other personnel matters, practices or  
35 procedures related to specific employees or other matters related to the commission's internal

43 clearly unwarranted invasion of personal privacy;

44 (h) Disclosure of investigatory records compiled for law enforcement purposes;

45 (i) Disclosure of information related to any investigatory reports prepared by or on behalf of  
46 or for use of the commission or other committee charged with responsibility for investigation or

1           (6) If a meeting, or portion of a meeting, is closed pursuant to subdivision (5) of subsection  
2 3 of this section, the commission's legal counsel or designee shall certify that the meeting may be  
3 closed and shall reference each relevant exempting provision. The commission shall keep minutes  
4 which fully and clearly describe all matters discussed in a meeting and shall provide a full and  
5 accurate summary of actions taken, of any person participating in the meeting, and the reasons  
6 therefore, including a description of the views expressed. All documents considered in connection  
7 with an action shall be identified in such minutes. All minutes and documents of a closed meeting  
8 shall remain under seal, subject to release only by a majority vote of the commission or order of a  
9 court of competent jurisdiction.

10           4. The commission shall, by a majority vote of the commissioners, prescribe bylaws or rules

21 the public's interest, the privacy of individuals of such proceedings, and proprietary information,  
22 including trade secrets. The commission may meet in closed session only after a majority of the  
23 commissioners vote to close a meeting to the public in whole or in part. As soon as practicable, the  
24 commission shall make public a copy of the vote to close the meeting revealing the vote of each  
25 commissioner with no proxy votes allowed;

26           (4) Establishing the titles, duties and authority and reasonable procedures for the election of  
27 the officers of the commission;

28           (5) Providing reasonable standards and procedures for the establishment of the personnel

38 and a copy of any amendment thereto, with the appropriate agency or officer in each of the compact  
39 states;

40           (2) The commission shall maintain its financial records in accordance with the bylaws; and

41           (3) The commission shall meet and take such actions as are consistent with the provisions of  
42 this compact and the bylaws.

43           6. The commission shall have the following powers:

45 and administration of this compact. The rule shall have the force and effect of law and shall be  
46 binding in all compact states;

47           (2) To bring and prosecute legal proceedings or actions in the name of the commission,  
48 provided that the standing of any state psychology regulatory authority or other regulatory body

1 responsible for psychology licensure to sue or be sued under applicable law shall not be affected;

9 (6) To accept any and all appropriate donations and grants of money, equipment, supplies,

16 improve or use, any property, real, personal or mixed; provided that at all times the commission  
17 shall strive to avoid any appearance of impropriety;

18 (9) To establish a budget and make expenditures;

19 (10) To borrow money;

20 (11) To appoint committees, including advisory committees comprised of members, state

22 interested persons as may be designated in this compact and the bylaws;

23 (12) To provide and receive information from, and to cooperate with, law enforcement  
24 agencies;

25 (13) To adopt and use an official seal; and

26 (14) To perform such other functions as may be necessary or appropriate to achieve the  
27 purposes of this compact consistent with the state regulation of psychology licensure, temporary in-  
28 person, face-to-face practice and telepsychology practice.

29 7. (1) The elected officers shall serve as the executive board, which shall have the power to  
30 act on behalf of the commission according to the terms of this compact.

31 (2) The executive board shall be comprised of six members:

32 (a) Five voting members who are elected from the current membership of the commission  
33 by the commission;

34 (b) One ex officio, nonvoting member from the recognized membership organization  
35 composed of state and provincial psychology regulatory authorities.

36 (3) The ex officio member shall have served as staff or member on a state psychology  
37 regulatory authority and will be selected by its respective organization.

38 (4) The commission may remove any member of the executive board as provided in bylaws.

39 (5) The executive board shall meet at least annually.

40 (6) The executive board shall have the following duties and responsibilities:

41 (a) Recommend to the entire commission changes to the rules or bylaws, changes to this  
42 compact legislation, fees paid by compact states such as annual dues, and any other applicable fees;

43 (b) Ensure compact administration services are appropriately provided, contractual or  
44 otherwise;

45 (c) Prepare and recommend the budget;

46 (d) Maintain financial records on behalf of the commission;

47 (e) Monitor compact compliance of member states and provide compliance reports to the  
48 commission;

1 (f) Establish additional committees as necessary; and

2 (g) Other duties as provided in rules or bylaws.

3 8. (1) The commission shall pay, or provide for the payment of the reasonable expenses of  
4 its establishment, organization and ongoing activities.

5 (2) The commission may accept any and all appropriate revenue sources, donations and  
6 grants of money, equipment, supplies, materials and services.

7 (3) The commission may levy on and collect an annual assessment from each compact state  
8 or impose fees on other parties to cover the cost of the operations and activities of the commission  
9 and its staff which shall be in a total amount sufficient to cover its annual budget as approved each  
10 year for which revenue is not provided by other sources. The aggregate annual assessment amount  
11 shall be allocated based upon a formula to be determined by the commission which shall promulgate  
12 a rule binding upon all compact states.

13 (4) The commission shall not incur obligations of any kind prior to securing the funds  
14 adequate to meet the same; nor shall the commission pledge the credit of any of the compact states,  
15 except by and with the authority of the compact state.

16 (5) The commission shall keep accurate accounts of all receipts and disbursements. The  
17 receipts and disbursements of the commission shall be subject to the audit and accounting  
18 procedures established under its bylaws. However, all receipts and disbursements of funds handled  
19 by the commission shall be audited yearly by a certified or licensed public accountant and the report  
20 of the audit shall be included in and become part of the annual report of the commission.

21 9. (1) The members, officers, executive director, employees and representatives of the  
22 commission shall be immune from suit and liability, either personally or in their official capacity,  
23 for any claim for damage to or loss of property or personal injury or other civil liability caused by  
24 or arising out of any actual or alleged act, error or omission that occurred, or that the person against  
25 whom the claim is made had a reasonable basis for believing occurred within the scope of  
26 commission employment, duties or responsibilities; provided that nothing in this subsection shall be  
27 construed to protect any such person from suit or liability for any damage, loss, injury or liability  
28 caused by the intentional or willful or wanton misconduct of that person.

29 (2) The commission shall defend any member, officer, executive director, employee or  
30 representative of the commission in any civil action seeking to impose liability arising out of any  
31 actual or alleged act, error or omission that occurred within the scope of commission employment,  
32 duties or responsibilities, or that the person against whom the claim is made had a reasonable basis  
33 for believing occurred within the scope of commission employment, duties or responsibilities;  
34 provided that nothing herein shall be construed to prohibit that person from retaining his or her own  
35 counsel; and provided further, that the actual or alleged act, error or omission did not result from  
36 that person's intentional or willful or wanton misconduct.

37 (3) The commission shall indemnify and hold harmless any member, officer, executive  
38 director, employee or representative of the commission for the amount of any settlement or  
39 judgment obtained against that person arising out of any actual or alleged act, error or omission that  
40 occurred within the scope of commission employment, duties or responsibilities, or that such person  
41 had a reasonable basis for believing occurred within the scope of commission employment, duties or  
42 responsibilities, provided that the actual or alleged act, error or omission did not result from the  
43 intentional or willful or wanton misconduct of that person.

44 337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria  
45 set forth in this section and the rules adopted thereunder. Rules and amendments shall become  
46 binding as of the date specified in each rule or amendment.

47 2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a  
48 statute or resolution in the same manner used to adopt the compact, then such rule shall have no

1 further force and effect in any compact state.

2 3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the  
3 commission.

4 4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least  
5 sixty days in advance of the meeting at which the rule will be considered and voted upon, the  
6 commission shall file a notice of proposed rulemaking:

7 (1) On the website of the commission; and

8 (2) On the website of each compact states' psychology regulatory authority or the  
9 publication in which each state would otherwise publish proposed rules.

10 5. The notice of proposed rulemaking shall include:

11 (1) The proposed time, date, and location of the meeting in which the rule will be  
12 considered and voted upon;

13 (2) The text of the proposed rule or amendment and the reason for the proposed rule;

14 (3) A request for comments on the proposed rule from any interested person;

15 (4) The manner in which interested persons may submit notice to the commission of their  
16 intention to attend the public hearing and any written comments.

17 6. Prior to adoption of a proposed rule, the commission shall allow persons to submit  
18 written data, facts, opinions and arguments, which shall be made available to the public.

19 7. The commission shall grant an opportunity for a public hearing before it adopts a rule or  
20 amendment if a hearing is requested by:

21 (1) At least twenty-five persons who submit comments independently of each other;

22 (2) A governmental subdivision or agency; or

23 (3) A duly appointed person in an association that has at least twenty-five members.

24 8. (1) If a hearing is held on the proposed rule or amendment, the commission shall publish  
25 the place, time, and date of the scheduled public hearing.

26 (2) All persons wishing to be heard at the hearing shall notify the executive director of the  
27 commission or other designated member in writing of their desire to appear and testify at the  
28 hearing not less than five business days before the scheduled date of the hearing.

29 (3) Hearings shall be conducted in a manner providing each person who wishes to comment  
30 a fair and reasonable opportunity to comment orally or in writing.

31 (4) No transcript of the hearing is required, unless a written request for a transcript is made,  
32 in which case the person requesting the transcript shall bear the cost of producing the transcript. A  
33 recording may be made in lieu of a transcript under the same terms and conditions as a transcript.  
34 This subdivision shall not preclude the commission from making a transcript or recording of the  
35 hearing if it so chooses.

36 (5) Nothing in this section shall be construed as requiring a separate hearing on each rule.  
37 Rules may be grouped for the convenience of the commission at hearings required by this section.

38 9. Following the scheduled hearing date, or by the close of business on the scheduled  
39 hearing date if the hearing was not held, the commission shall consider all written and oral  
40 comments received.

41 10. The commission shall, by majority vote of all members, take final action on the  
42 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking  
43 record and the full text of the rule.

44 11. If no written notice of intent to attend the public hearing by interested parties is  
45 received, the commission may proceed with promulgation of the proposed rule without a public  
46 hearing.

47 12. Upon determination that an emergency exists, the commission may consider and adopt  
48 an emergency rule without prior notice, opportunity for comment, or hearing, provided that the

1 usual rulemaking procedures provided in the compact and in this section shall be retroactively  
 2 applied to the rule as soon as reasonably possible, in no event later than ninety days after the  
 3 effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be  
 4 adopted immediately in order to:

5 (1) Meet an imminent threat to public health, safety, or welfare;

6 (2) Prevent a loss of commission or compact state funds;

7 (3) Meet a deadline for the promulgation of an administrative rule that is established by  
 8 federal law or rule; or

9 (4) Protect public health and safety.

10 13. (1) The commission or an authorized committee of the commission may direct  
 11 revisions to a previously adopted rule or amendment for purposes of correcting typographical errors,  
 12 errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be  
 13 posted on the website of the commission. The revision shall be subject to challenge by any person  
 14 for a period of thirty days after posting. The revision may be challenged only on grounds that the  
 15 revision results in a material change to a rule.

16 (2) A challenge shall be made in writing, and delivered to the chair of the commission prior  
 17 to the end of the notice period. If no challenge is made, the revision will take effect without further  
 18 action. If the revision is challenged, the revision may not take effect without the approval of the  
 19 commission.

20 337.155. 1. (1) The executive, legislative and judicial branches of state government in each  
 21 compact state shall enforce this compact and take all actions necessary and appropriate to effectuate  
 22 the compact's purposes and intent. The provisions of this compact and the rules promulgated  
 23 hereunder shall have standing as statutory law.

24 (2) All courts shall take judicial notice of the compact and the rules in any judicial or  
 25 administrative proceeding in a compact state pertaining to the subject matter of this compact which  
 26 may affect the powers, responsibilities or actions of the commission.

27 (3) The commission shall be entitled to receive service of process in any such proceeding,  
 28 and shall have standing to intervene in such a proceeding for all purposes. Failure to provide  
 29 service of process to the commission shall render a judgment or order void as to the commission,  
 30 this compact or promulgated rules.

31 2. (1) If the commission determines that a compact state has defaulted in the performance  
 32 of its obligations or responsibilities under this compact or the promulgated rules, the commission  
 33 shall:

34 (a) Provide written notice to the defaulting state and other compact states of the nature of  
 35 the default, the proposed means of remedying the default or any other action to be taken by the  
 36 commission; and

37 (b) Provide remedial training and specific technical assistance regarding the default.

38 (2) If a state in default fails to remedy the default, the defaulting state may be terminated  
 39 from the compact upon an affirmative vote of a majority of the compact states, and all rights,  
 40 privileges and benefits conferred by this compact shall be terminated on the effective date of  
 41 termination. A remedy of the default does not relieve the offending state of obligations or liabilities  
 42 incurred during the period of default.

43 (3) Termination of membership in the compact shall be imposed only after all other means  
 44 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be  
 45 submitted by the commission to the governor, the majority and minority leaders of the defaulting  
 46 state's legislature, and each of the compact states.

47 (4) A compact state which has been terminated is responsible for all assessments,  
 48 obligations and liabilities incurred through the effective date of termination, including obligations

1 which extend beyond the effective date of termination.

2 (5) The commission shall not bear any costs incurred by the state which is found to be in  
3 default or which has been terminated from the compact, unless agreed upon in writing between the  
4 commission and the defaulting state.

5 (6) The defaulting state may appeal the action of the commission by petitioning the U.S.  
6 District Court for the state of Georgia or the federal district where the compact has its principal  
7 offices. The prevailing member shall be awarded all costs of such litigation, including reasonable  
8 attorney's fees.

9 3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes  
10 related to the compact which arise among compact states and between compact and noncompact  
11 states.

12 (2) The commission shall promulgate a rule providing for both mediation and binding  
13 dispute resolution for disputes that arise before the commission.

14 4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the  
15 provisions and rules of this compact.

16 (2) By majority vote, the commission may initiate legal action in the United States District  
17 Court for the State of Georgia or the federal district where the compact has its principal offices  
18 against a compact state in default to enforce compliance with the provisions of the compact and its  
19 promulgated rules and bylaws. The relief sought may include both injunctive relief and damages.  
20 In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of  
21 such litigation, including reasonable attorney's fees.

22 (3) The remedies herein shall not be the exclusive remedies of the commission. The  
23 commission may pursue any other remedies available under federal or state law.

24 337.160. 1. The compact shall come into effect on the date on which the compact is enacted  
25 into law in the seventh compact state. The provisions which become effective at that time shall be  
26 limited to the powers granted to the commission relating to assembly and the promulgation of rules.  
27 Thereafter, the commission shall meet and exercise rulemaking powers necessary to the  
28 implementation and administration of the compact.

29 2. Any state which joins the compact subsequent to the commission's initial adoption of the  
30 rules shall be subject to the rules as they exist on the date on which the compact becomes law in that  
31 state. Any rule which has been previously adopted by the commission shall have the full force and  
32 effect of law on the day the compact becomes law in that state.

33 3. (1) Any compact state may withdraw from this compact by enacting a statute repealing  
34 the same.

35 (2) A compact state's withdrawal shall not take effect until six months after enactment of the  
36 repealing statute.

37 (3) Withdrawal shall not affect the continuing requirement of the withdrawing state's  
38 psychology regulatory authority to comply with the investigative and adverse action reporting  
39 requirements of this act prior to the effective date of withdrawal.

40 4. Nothing contained in this compact shall be construed to invalidate or prevent any  
41 psychology licensure agreement or other cooperative arrangement between a compact state and a  
42 noncompact state which does not conflict with the provisions of this compact.

43 5. This compact may be amended by the compact states. No amendment to this compact  
44 shall become effective and binding upon any compact state until it is enacted into the law of all  
45 compact states.

46 337.165. This compact shall be liberally construed so as to effectuate the purposes thereof.  
47 If this compact shall be held contrary to the constitution of any state member thereto, the compact  
48 shall remain in full force and effect as to the remaining compact states.

1           Section B. Sections 337.100, 337.105, 337.110, 337.115, 337.120, 337.125, 337.130,  
2 337.135, 337.140, 337.145, 337.150, 337.155, 337.160, and 337.165 of this act shall become  
3 effective upon notification by the commission to the revisor of statutes that seven states have  
4 adopted the psychology interjurisdictional compact."; and  
5  
6 Further amend said bill by amending the title, enacting clause, and intersectional references  
7 accordingly.
