FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety (DPS)** assume they will be able to absorb the cost of developing and posting the hotline posters on their website. For those establishments that request a poster be mailed to them, DPS will set in place a fee to charge the establishment that would cover the cost of printing and mailing first class. DPS assumes no fiscal impact.

Oversight assumes a minimal amount of costs and reimbursement revenue to DPS from this proposal and will not reflect it in the fiscal note.

FISCAL IMPACT - Small Business

Small businesses that are required to display posters would be impacted by this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
