FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education, Department of Public Safety - Missouri State Highway Patrol** and the **City of Kansas City** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Summersville R2 School District** assume there is no fiscal impact from this proposal.

Officials from **Kirksville R-III School District** assume this proposal should have no fiscal impact on the district.

Oversight notes that school bus drivers are required to undergo a criminal background check before being allowed to operate a school bus. Some school districts may contract with municipalities or other entities to provide school buses. This proposal clarifies that any person who drives a school bus, whether the bus is operated by the school district, a transportation company, a municipality or any other entity must undergo that criminal background check.

Oversight is unable to determine if any school districts currently contract school bus drivers that have not undergone the criminal background check. Oversight notes the criminal background check is performed by the Missouri Highway Patrol and they charge a fee for the background check. Oversight assumes the Missouri Highway Patrol may have to complete additional background checks but the expenses of the background check will be offset by the fee charged for the performance of the background check. Oversight will not show an fiscal impact for this proposal.

Oversight assumes this proposal allows school districts to enter into contracts with municipalities to provide transportation to students. Oversight assumes this proposal requires a school-approved adult supervisor on municipal vehicles transporting students and requires seating to be designated for school children. Oversight assumes this proposal is permissive and will not show a fiscal impact.
