**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of Prosecution Services (OPS)** assume the proposal would not have a measurable fiscal impact on their agency. The creation of a new crime creates additional responsibilities for county prosecutors which may, in turn, result in additional costs which are difficult to determine.

For the purpose of this proposed legislation, officials from the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crime of unlawful interference on a public street or highway - a new class A misdemeanor, subsequent offenses would be a new class D felony. Unlawful traffic interference on an interstate highway would become a new class E felony.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

**Oversight** assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials from the **Office of the State Courts Administrator** state there may be some impact, but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials from the **Department of Corrections** and the **Department of Public Safety - Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2019 (10 Mo.)	FY 2020	FY 2021
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2019 (10 Mo.)	FY 2020	FY 2021
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
