FISCAL ANALYSIS

ASSUMPTION

§193.265 - Free certificates for certain children

Officials from the **Department of Health and Senior Services (DHSS)** state Section 193.265.1 of this proposed legislation states no fee shall be required or collected for a certification of birth, death, or marriage if the request is made by the Children's Division (CD) or the Division of Youth Services (DYS) on behalf of a child who has come under juvenile court jurisdiction per section 211.031. Per Section 193.265, RSMo, DHSS receives a fee of \$15 for each certified birth certificate, marriage and divorce statement issued. The fees are distributed into General Revenue (\$4), the Children's Trust Fund (\$5), the Endowed Care Cemetery Audit Fund (\$1) and the Missouri Public Health Services (MOPHS) Fund (\$5).

The DHSS began issuing one free copy of a certified birth certificate to the CD on behalf of a child in foster care starting August 2017. Prior to this date, DHSS issued non-certified administrative use copies only upon the request of the CD. These were provided free of charge and DHSS would recoup the cost of issuance once a certified copy was requested.

The total requests from the Children's Division have increased, on average, 5 percent each year since 2015. Given that this proposed legislation will require DHSS to also provide a free certified copy of deaths and marriages to the CD, a free certified copy of births, deaths, and marriages to the DYS, and the legislation contains no provisions for limiting the number of copies requested per individual under jurisdiction, DHSS estimates a 30 percent increase in requests once the legislation becomes effective. In subsequent years, DHSS anticipates the continued 5 percent increase. As of December 15, 2017, DHSS has received 3,413 requests from the Children's Division for 2017. Using 2017 data as a base, DHSS estimates 4,437 (3,413 requests x 30% increase = **1,024** + 3,413 = 4,437) requests for FY 2019; 4,659 (4,437 x 5% increase = **222** + 4,437 = 4,659) requests for FY 2020; and 4,892 (4,659 x 5% = **233** + 4,659 = 4,892) requests for FY 2021. This equates to a difference from current issuance of 1,024 certificates for FY 2019, 1,246 certificates for FY 2020 (1,024 + 222), and 1,479 certificates for FY 2021 (1,024 + 222 + 233).

The fees collected on certified copies are deposited into the MOPHS fund (\$5 per certificate) and are allocated to the Bureau of Vital Records for program operations. MOPHS revenue supports the maintenance of Missouri's electronic birth and death registration system (MoEVR), staff to process all requests, and specialized print paper. The maintenance of the MoEVR system is critical for the accurate and timely processing of Missouri birth and death certificates and Bureau of Vital Records staff have a current back log of eight weeks. The revenue lost from issuing these additional certificates necessitates the need to seek general revenue funds to supplant the loss.

ASSUMPTION (continued)

	General Revenue (\$4/certificate)	Children’s Trust Fund (\$5/certificate)	Endowed Care Cemetery Audit Fund (\$1/certificate)	Missouri Public Health Services (MOPHS) Fund (\$5/certificate)
FY 2019 (1,024 certificates)	\$4,096	\$5,120	\$1,024	\$5,120
FY 2020 (1,243 certificates)	\$4,984	\$6,230	\$1,246	\$6,230
FY 2021 (1,479 certificates)	\$5,916	\$7,395	\$1,479	\$7,395

With the expected increase in requests, coupled with the current back-log of requests to all customers (eight week turn-around), the additional requests necessitates the need for 0.5 FTE of a Senior Office Support Assistant (\$26,340 annually) to process the requests within a timely manner. Processing entails reviewing the application and making a determination on whether the applicant has provided sufficient information to identify the record, and either reject the application or issue the certified copy. Without additional staff, the back-log of requests will increase the turn-around time to all customers significantly.

The DHSS estimates the fiscal impact of this proposal to the General Revenue Fund to be a cost + loss of certificate revenue of \$44,125 for FY 2019; \$43,531 for FY 2020; and \$46,043 for FY 2021. In addition, there will be a loss of certificate revenue to the Children’s Trust Fund, the MOPHS fund and the Endowed Care Cemetery Fund for each year.

Officials from the **Department of Social Services (DSS), Division of Youth Services (DYS), Children’s Division (CD)** and **Division of Legal Services (DLS)** state HB 1470 amends Section 193.265, RSMo stating that the DYS and CD shall not be charged a fee for the issuance of a certification of birth, death or marriage on the behalf of a child who has come under the jurisdiction of the juvenile court under Section 210.031.

DYS officials state the DYS requests no more than 100 birth certificates a year for youth in its custody. Currently, the DYS is charged \$15 per birth certificate. Therefore, if HB 1470 is enacted, the DYS would have a cost savings of up to \$1,500 per year.

Oversight assumes savings up to \$1,500 for the DSS, DYS to be minimal and will not present these savings for fiscal note purposes.

The CD states it is not currently being charged for certification of birth, death or marriage for children in the Division’s custody. Therefore, this legislation would not create a fiscal or programmatic impact on the CD.

DLS officials assume the proposal will have no fiscal impact on their division.

ASSUMPTION (continued)

Officials from the **Office of State Courts Administrator** assume the proposal would not fiscally impact their agency.

Oversight notes, based on discussions with Department of Social Services personnel, of the number of children that are under the care and control of the department, very few are under the “jurisdiction of the juvenile court” as provided for in 193.265.1 of the proposal. Therefore, Oversight assumes DHSS will not have a significant increase in the number of certificates it issues to the Children’s Division or Division of Youth Services and will not need additional personnel or resources. Oversight assumes the additional expenses (and offsetting savings) incurred as a result of providing certificates provided to the CD and DYS will be absorbable within current funding levels.
