FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections** and the **Department of Social Services** each assume the proposal would not fiscally impact their respective agencies.

Officials from the Callaway County Sheriff's Department, the Clark County Sheriff's Department, the Cole County Sheriff's Department, the Cole County Sheriff's Department, the Columbia Police Department, the Independence Police Department, the Joplin Police Department, the Platte County Sheriff's Department, and the St. Charles Police Department did not respond to **Oversight's** request for fiscal impact.

In response to a similar proposal from this year (HB 1437), officials from the **St. Louis County Police Department**, and the **Boone County Sheriff's Department** each assume the proposal would not fiscally impact their respective agencies.

In response to a similar proposal from this year (HB 1437), officials from the **Jefferson County Sheriff's Office** state as a medical provider, we have all these requirements in place already. The only thing we need to make sure of is that custody does not use restraints on anyone that is in their third trimester. We can review all the policies related to this.

In response to a similar proposal from this year (HB 1437), officials from the **Jasper County Sheriff's Department** state they would incur costs from:

- for a county the size of Jasper County, a contract with an additional medical professional would cost a minimum of \$36,000 per year. Currently, we contract with a male doctor, this requirement is that a female doctor be present during examinations (221.523.1(10)).
- mandatory substance abuse treatment during incarceration (221.523.1(3));
- maternal health evaluations (221.523.1(1)). This could cost up to \$3,000 per year for transportation and medical service costs.

In response to a similar proposal from this year (SB 803), officials from the **City of Kansas City** assumed the proposal would not fiscally impact their agency.

With the conflicting responses from county sheriffs and municipalities, **Oversight** will reflect a potential cost of \$0 or Unknown to local political subdivisions from Section 221.523.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill specifies the necessary health care standards for pregnant offenders in a correctional center or county or city jail. The bill requires each of these facilities to develop procedures by January 1, 2019.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
