The department of health and senior services shall apply for a grant under the United States Department of Agriculture's Women, Infants and Children (WIC) Farmers' Market Nutrition Program to provide low-income pregnant and postpartum women, infants, and children under five years of age who are found to be at nutritional risk with vouchers that may be exchanged for eligible food at farmers' markets, roadside stands, and community-supported agriculture (CSA) programs.**

**2. There is hereby established the "Missouri WIC Farmers' Market Nutrition Program" within the department of health and senior services. Upon receipt of any grant moneys under subsection 1 of this section, the program shall supply Missouri-grown fresh produce to WIC participants through the distribution of vouchers that are redeemable only at a Missouri farmers' market, roadside stand, or CSA program approved by the department. The program is designed to provide a supplemental source of fresh produce for the dietary needs of low-income pregnant and postpartum women, infants, and children under five years of age who are found to be at nutritional risk; to stimulate an increased demand for Missouri-grown produce at farmers' markets, roadside stands, and CSA programs; and to develop new and additional farmers' markets, roadside stands, and CSA programs.**
