75 **votes to terminate the labor organization's representation of the public employees in the**
76 **bargaining unit, the labor organization shall immediately cease to represent the public**
77 **employees in the bargaining unit.**

78 **12. All labor organizations that have previously been certified shall be recertified**
79 **during the twelve-month period beginning on August 28, 2018, provided that any labor**
80 **organization that has a labor agreement that expires after August 28, 2020, may be**
81 **recertified at any time prior to, but in no event later than, August 28, 2020. All subsequent**
82 **recertification elections shall be held every three years. To meet the recertification**
83 **requirement, continuation of the labor organization's status as the exclusive bargaining**
84 **representative shall be favored in a secret ballot election conducted by the board by more**
85 **than fifty percent of the public employees in the bargaining unit. Public employees shall**
86 **vote by telephone or online during a two-week period beginning on the anniversary of**
87 **initial certification, whether such certification occurred prior to, on, or after August 28,**
88 **2018. Failure to schedule an election within the prescribed time period on the part of the**
89 **labor organization shall result in immediate decertification as the exclusive bargaining**
90 **representative.**

91 **13. In the event of the decertification of a labor organization as the exclusive**
92 **bargaining representative of the public employees in any bargaining unit or failure to**
93 **recertify a labor organization, all terms and conditions of employment existing at the time**
94 **of decertification or failure to recertify shall remain in place until such time as those terms**
95 **or conditions of employment are altered by the public body.**

96 **14. No more than one election shall take place in any bargaining unit within the**
97 **same twelve-month period. Once an election takes place, the board shall not accept cards**
98 **from labor organizations or public employees within the bargaining unit seeking another**
99 **election for one full calendar year after the date of the election.**

100 **15. The board shall assess and collect a fee from each labor organization**
101 **participating in an election conducted under this section for the purpose of paying for such**
102 **election as follows:**

104 **dollars;**

105 **(2) For a bargaining unit of one hundred one to two hundred fifty members, a fee**
106 **of three hundred fifty dollars;**

110 **seven hundred fifty dollars;**

111 **(5) For a bargaining unit of one thousand one to three thousand members, a fee of**
112 **one thousand five hundred dollars;**

113 **(6) For a bargaining unit of more than three thousand members, a fee of two**
114 **thousand dollars.**

105.580. 1. Within eight weeks after a labor organization is certified as the
2 **exclusive bargaining representative for the public employees in a bargaining unit as**
3 **described in section 105.575, representatives of the public body, designated by the public**
4 **body, and representatives of the labor organization, selected by the labor organization,**
5 **shall meet and begin bargaining for an agreement covering the wages, benefits, and other**
6 **terms and conditions of employment for the public employees within the bargaining unit.**

7 **2. No labor organization may refuse to meet with designated representatives of any**
8 **public body or engage in conduct intended to cause the removal or replacement of any**
9 **designated representative by the public body.**

10 **3. The labor organization and the public body shall engage in bargaining with each**
11 **other's designated representatives, but neither side shall be required to offer any particular**
12 **concession or withdraw any particular proposal.**

13 **4. The public body shall not pay any labor organization representative or employee**
14 **for time spent participating in collective bargaining or preparing for collective bargaining**
15 **on behalf of a labor organization, except to the extent the person in question is an employee**
16 **of the public body and elects to use accrued paid time off that was personally accrued by**
17 **such person to cover the time so spent.**

18 **5. Before any proposed agreement or memorandum of understanding is presented**
19 **to a public body, the labor organization, as a condition of its presentation, shall establish**
20 **that it has been ratified by a majority of its members. The public body may approve the**
21 **entire agreement or any part thereof. If the public body rejects any portion of the**

22 agreement, the public body may return any rejected portion of the agreement to the parties
23 for further bargaining, adopt a replacement provision of its own design, or state that no
24 provision covering the topic in question shall be adopted. Any tentative agreement reached
25 between the parties' representatives shall not be binding on the public body or labor
26 organization.

27 6. A public body and a labor organization shall not be subject to binding mediation,
28 binding interest arbitration, or interest arbitration in the event the parties are unable to
29 reach an agreement.

30 7. After the first agreement between the public body and the labor organization is
31 adopted, bargaining for renewal agreements shall take place triennially. Such bargaining
32 shall be completed within thirty days of the end of the public body's fiscal year. The
33 parties may elect to bargain non-economic terms for longer periods, but all economic
34 provisions of the agreement shall be adopted on a triennial basis only.

35 8. The term of any labor agreement, provision of a labor agreement, or extension
36 of a labor agreement entered into after the effective date of sections 105.500 to 105.598
37 shall not exceed a period of three years. Any modification, extension, renewal, or any
38 change whatsoever to a labor agreement in effect as of the effective date of sections 105.500
39 to 105.598 shall be considered a new labor agreement for purposes of this section.

105.583. 1. Prior to any tentative agreement being presented to an exclusive
2 bargaining representative or a public body for ratification, such tentative agreement shall
3 be discussed in detail in a public meeting. Any such tentative agreement shall be published
4 on the public body's website at least five business days prior to the public meeting. During
5 such public meeting, the public shall be permitted to provide comment on the tentative
6 agreement.

7 2. Nothing contained in sections 105.500 to 105.598 shall obligate a public body to
8 enter into a collective bargaining agreement.

9 3. For purposes of this section, the term "public meeting" shall have the same
10 meaning as in section 610.010.

105.585. Labor agreements negotiated between a public body and a labor
2 organization may cover wages, benefits, and all other terms and conditions of employment
3 for public employees within the bargaining unit and shall be subject to the following
4 limitations:

5 (1) Every labor agreement shall include a provision reserving to the public body
6 the right to hire, promote, assign, direct, transfer, schedule, discipline, and discharge
7 public employees. Every labor agreement shall also include a provision reserving to

8 management the right to make, amend, and rescind reasonable work rules and standard
9 operating procedures;

10 (2) Every labor agreement shall expressly prohibit all strikes and picketing of any
11 kind. A strike shall include any refusal to perform services, walkout, sick-out, sit-in, or
12 any other form of interference with the operations of any public body. Every labor
13 agreement shall include a provision acknowledging that any public employee who engages
14 in any strike or concerted refusal to work, or who pickets over any personnel matter, shall
15 be subject to immediate termination of employment;

16 (3) Every labor agreement shall include a provision extending the duty of fair
17 representation by the labor organization to public employees in a bargaining unit;

18 (4) Every labor agreement shall expressly prohibit labor organization
19 representatives and public employees from accepting paid time, other than unused paid
20 time off that was accrued by such public employees, by a public body for the purposes of
21 conducting labor organization-related activities concerning collective bargaining,
22 including, but not limited to, negotiations, bargaining meetings, meet and confer sessions,
23 and any other collective bargaining-related activity, provided that every labor agreement
24 may allow for paid time off for the purposes of grievance-handling, advisory committees,
25 establishing a work calendar, and internal and external communication;

26 (5) Every labor agreement shall inform public employees of their right to refrain
27 from engaging in and supporting labor organization activity as well as their right to oppose
28 labor organization activity; and

29 (6) Every labor agreement shall include a provision stating that in the event of a
30 budget shortfall, the public body shall have the right to require the modification of the
31 economic terms of any labor agreement. Every labor agreement shall also state that if the
32 public body deems it necessary to modify, upon good cause, the economic terms of any
33 labor agreement, the public body shall so notify the labor organization and shall provide
34 a period of thirty days during which the public body and the labor organization shall
35 bargain over any necessary adjustments to the economic terms of the agreement. The
36 labor agreement shall state that if, at the end of the thirty-day period, the parties have been
37 unable to agree upon modifications that meet the public body's requirements, the public
38 body shall have the right, upon good cause, to make necessary adjustments on its own
39 authority.

2 105.590. The secretary or corresponding principal officer of each labor
3 organization shall forward a complete copy of each agreement made by such labor
4 organization with any public body to any public employee who requests such a copy and
whose rights as such public employee are directly affected by such agreement.

105.595. Whenever it shall appear that any labor organization or representative of any labor organization or any public body or representative of a public body has violated or is about to violate any of the provisions of sections 105.570 to 105.590, the department, a public body, or any citizen of the state of Missouri may bring a civil action for such relief, including injunctive relief, as may be appropriate. Any such action may be brought in the county where the violation occurred, or is about to occur, and damages and attorney's fees shall be awarded for the enforcement of the provisions of sections 105.570 to 105.590.

105.598. The board may promulgate rules necessary to implement the provisions of sections 105.500 to 105.595. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

208.862. ~~[Consumer rights and employment relations.]~~

1. Consumers shall retain the right to hire, fire, supervise, and train personal care attendants.
2. Vendors shall continue to perform the functions provided in sections 208.900 to 208.930. In addition to having a philosophy that promotes the consumer's ability to live independently in the most integrated setting or the maximum community inclusion of persons with physical disabilities, as required by subsection 1 of section 208.918, vendors shall provide to consumers advocacy, independent living skills training, peer counseling, and information and referral services, as those terms are used in subsection 3 of section 178.656.
3. The council shall be a public body as that term is ~~[used]~~ **defined** in section 105.500, and personal care attendants shall be employees of the council solely for purposes of ~~[section]~~ **sections 105.500~~[, et seq]~~ to 105.598.**
4. The sole ~~[appropriate]~~ **bargaining** unit of personal care attendants, as that term is ~~[used in subdivision (1) of]~~ **defined in** section 105.500, shall be a statewide unit. Personal care attendants who are related to or members of the family of the consumer to whom they provide services shall not for that reason be excluded from the unit. The state board of mediation shall conduct an election, by mail ballot, to determine whether an organization shall be designated the exclusive bargaining representative as defined in ~~[subdivision (2) of]~~ section 105.500 for the statewide unit of personal care attendants under section 105.525 upon a showing that ten percent of the personal care attendants in said unit want to be represented by a representative. The

21 Missouri office of administration shall represent the council in any collective bargaining with
22 a representative of personal care attendants. Upon completion of bargaining, any agreements
23 shall be reduced to writing and presented to the council for adoption, modification or rejection
24 ~~[in accordance with section 105.520].~~

25 5. The state of Missouri and all vendors shall cooperate in the implementation of any
26 agreements reached by the council and any representative of personal care attendants, including
27 making any payroll deductions authorized by the agreements which can lawfully be made
28 pursuant to agreements entered into under sections 105.500 to ~~[405.530]~~ **105.598** as currently
29 construed by the Missouri appellate courts.

30 6. Personal care attendants shall not have the right to strike and breach of this prohibition
31 will result in disqualification from participation in the consumer directed services program.

32 7. Personal care attendants shall not be considered employees of the state of Missouri
33 or any vendor for any purpose.

34 **8. (1) The provisions of sections 105.500 to 105.598 shall apply to all personal care**
35 **attendants, organizations elected as the exclusive bargaining representative of the**
36 **bargaining unit of personal care attendants under this section, and all officers and**
37 **employees of such organizations. For purposes of this subsection, organizations elected as**
38 **the exclusive bargaining representative of a bargaining unit under this section shall be**
39 **considered a labor organization, as that term is defined in section 105.500.**

40 **(2) If an organization is not recertified or is decertified as the exclusive bargaining**
41 **representative of a bargaining unit of personal care attendants under section 105.575, any**
42 **subsequent certification of an organization as exclusive bargaining representative of a**
43 **bargaining unit of personal care attendants shall be conducted according to the provisions**
44 **of section 105.575, notwithstanding subsection 4 of this section to the contrary.**

2 ~~[105.520. Whenever such proposals are presented by the exclusive~~
3 ~~bargaining representative to a public body, the public body or its designated~~
4 ~~representative or representatives shall meet, confer and discuss such proposals~~
5 ~~relative to salaries and other conditions of employment of the employees of the~~
