Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 135.600 and 135.630, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 135.600 and 135.630, to read as follows:

(1) "Contribution", a donation of cash, stock, bonds or other marketable securities, or real property;

(2) "Maternity home", a residential facility located in this state established for the purpose of providing housing and assistance to pregnant women who are carrying their pregnancies to term, and which is exempt from income taxation under the United States Internal Revenue Code;

(3) "State tax liability", in the case of a business taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143, chapter 147, chapter 148, and chapter 153, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265, and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143;

18 corporation franchise tax imposed by the provisions of chapter 147, or an insurance company
paying an annual tax on its gross premium receipts in this state, or other financial institution
paying taxes to the state of Missouri or any political subdivision of this state pursuant to the
provisions of chapter 148, or an express company which pays an annual tax on its gross receipts
in this state pursuant to chapter 153, or an individual subject to the state income tax imposed by
the provisions of chapter 143.

2. A taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax
liability, in an amount equal to fifty percent of the amount such taxpayer contributed to a
maternity home.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's
state tax liability for the taxable year that the credit is claimed, and such taxpayer shall not be
allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. However, any
tax credit that cannot be claimed in the taxable year the contribution was made may be carried
over to the next four succeeding taxable years until the full credit has been claimed.

4. Except for any excess credit which is carried over pursuant to subsection 3 of this
section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such
taxpayer's contribution or contributions to a maternity home or homes in such taxpayer's taxable
year has a value of at least one hundred dollars.

5. The director of the department of social services shall determine, at least annually,
which facilities in this state may be classified as maternity homes. The director of the
department of social services may require of a facility seeking to be classified as a maternity
home whatever information is reasonably necessary to make such a determination. The director
of the department of social services shall classify a facility as a maternity home if such facility
meets the definition set forth in subsection 1 of this section.

6. The director of the department of social services shall establish a procedure by which
a taxpayer can determine if a facility has been classified as a maternity home, and by which such
taxpayer can then contribute to such maternity home and claim a tax credit. Maternity homes
shall be permitted to decline a contribution from a taxpayer. The cumulative amount of tax
credits which may be claimed by all the taxpayers contributing to maternity homes in any one
fiscal year shall not exceed two million dollars for all fiscal years ending on or before June 30,
2014, and two million five hundred thousand dollars for all fiscal years beginning on or after July
1, 2014.

7. The director of the department of social services shall establish a procedure by which,
from the beginning of the fiscal year until some point in time later in the fiscal year to be
determined by the director of the department of social services, the cumulative amount of tax
credits are equally apportioned among all facilities classified as maternity homes. If a maternity
home fails to use all, or some percentage to be determined by the director of the department of social services, of its apportioned tax credits during this predetermined period of time, the director of the department of social services may reapporportion these unused tax credits to those maternity homes that have used all, or some percentage to be determined by the director of the department of social services, of their apportioned tax credits during this predetermined period of time. The director of the department of social services may establish more than one period of time and reapporportion more than once during each fiscal year. To the maximum extent possible, the director of the department of social services shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.

8. This section shall become effective January 1, 2000, and shall apply to all tax years after December 31, 1999, until sunset. [No tax credits shall be issued under this section after June 30, 2020.]

9. Under section 23.253 of the Missouri sunset act:
   (1) The provisions of the program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this subsection unless reauthorized by an act of the general assembly;
   (2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of the reauthorization of this section; and
   (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

135.630. 1. As used in this section, the following terms mean:
(1) "Contribution", a donation of cash, stock, bonds, or other marketable securities, or real property;
(2) "Director", the director of the department of social services;
(3) "Pregnancy resource center", a nonresidential facility located in this state:

   (b) Where childbirths are not performed; and
   (c) Which does not perform, induce, or refer for abortions and which does not hold itself out as performing, inducing, or referring for abortions; and
   (d) Which provides direct client services at the facility, as opposed to merely providing counseling or referral services by telephone; and
(e) Which provides its services at no cost to its clients; and
(f) When providing medical services, such medical services must be performed in accordance with Missouri statute; and
(g) Which is exempt from income taxation pursuant to the Internal Revenue Code of 1986, as amended;

(4) "State tax liability", in the case of a business taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapters 143, 147, 148, and 153, excluding sections 143.191 to 143.265 and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143, excluding sections 143.191 to 143.265 and related provisions;

(5) "Taxpayer", a person, firm, a partner in a firm, corporation, or a shareholder in an S corporation doing business in the state of Missouri and subject to the state income tax imposed by the provisions of chapter 143, or a corporation subject to the annual corporation franchise tax imposed by the provisions of chapter 147, or an insurance company paying an annual tax on its gross premium receipts in this state, or other financial institution paying taxes to the state of Missouri or any political subdivision of this state pursuant to the provisions of chapter 148, or an express company which pays an annual tax on its gross receipts in this state pursuant to chapter 153, or an individual subject to the state income tax imposed by the provisions of chapter 143, or any charitable organization which is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143.

2. (1) Beginning on March 29, 2013, any contribution to a pregnancy resource center made on or after January 1, 2013, shall be eligible for tax credits as provided by this section.

(2) For all tax years beginning on or after January 1, 2007, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the amount such taxpayer contributed to a pregnancy resource center.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year for which the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. However, any tax credit that cannot be claimed in the taxable year the contribution was made may be carried over to the next four succeeding taxable years until the full credit has been claimed.

4. Except for any excess credit which is carried over pursuant to subsection 3 of this section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such taxpayer's contribution or contributions to a pregnancy resource center or centers in such taxpayer's taxable year has a value of at least one hundred dollars.
5. The director shall determine, at least annually, which facilities in this state may be
classified as pregnancy resource centers. The director may require of a facility seeking to be
classified as a pregnancy resource center whatever information which is reasonably necessary
to make such a determination. The director shall classify a facility as a pregnancy resource
center if such facility meets the definition set forth in subsection 1 of this section.

6. The director shall establish a procedure by which a taxpayer can determine if a facility
has been classified as a pregnancy resource center. Pregnancy resource centers shall be permitted
to decline a contribution from a taxpayer. The cumulative amount of tax credits which may be
claimed by all the taxpayers contributing to pregnancy resource centers in any one fiscal year
shall not exceed two million dollars for all fiscal years ending on or before June 30, 2014, and
two million five hundred thousand dollars for all fiscal years beginning on or after July 1, 2014.
Tax credits shall be issued in the order contributions are received.

7. The director shall establish a procedure by which, from the beginning of the fiscal year
until some point in time later in the fiscal year to be determined by the director, the cumulative
amount of tax credits are equally apportioned among all facilities classified as pregnancy
resource centers. If a pregnancy resource center fails to use all, or some percentage to be
determined by the director, of its apportioned tax credits during this predetermined period of
time, the director may reapportion these unused tax credits to those pregnancy resource centers
that have used all, or some percentage to be determined by the director, of their apportioned tax
credits during this predetermined period of time. The director may establish more than one
period of time and reapportion more than once during each fiscal year. To the maximum extent
possible, the director shall establish the procedure described in this subsection in such a manner
as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of
tax credits available for the fiscal year.

8. Each pregnancy resource center shall provide information to the director concerning
the identity of each taxpayer making a contribution to the pregnancy resource center who is
claiming a tax credit pursuant to this section and the amount of the contribution. The director
shall provide the information to the director of revenue. The director shall be subject to the
confidentiality and penalty provisions of section 32.057 relating to the disclosure of tax
information.

9. Pursuant to section 23.253 of the Missouri sunset act:
   (1) The program authorized under this section shall be reauthorized as of [March 29,
   2013] December 31, 2018, and shall [expire on] automatically sunset on December 31, [2019]
   2024, unless reauthorized by the general assembly; and
   (2) This section shall terminate on September first of the calendar year immediately
   following the calendar year in which a program authorized under this section is sunset; and
(3) The provisions of this subsection shall not be construed to limit or in any way impair the department's ability to issue tax credits authorized on or before the date the program authorized under this section expires or a taxpayer's ability to redeem such tax credits.
