(2) In the event the balance is not paid within sixty days from the notice of denial, the remaining balance shall be due and payable under the provisions of chapter 143.

29 liability, in an amount equal to fifty percent of the amount such taxpayer contributed to a
30 maternity home.
31 3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's
32 state tax liability for the [taxable] tax year that the credit is claimed, and such taxpayer shall not
33 be allowed to claim a tax credit in excess of fifty thousand dollars per [taxable] tax year. However, any tax credit that cannot be claimed in the [taxable] tax year the contribution was
34 made may be carried over only to the next [four] succeeding [taxable years until the full credit
35 has been claimed] tax year. No tax credit issued under this section shall be assigned,
36 transferred, or sold.
37 4. Except for any excess credit which is carried over pursuant to subsection 3 of this
38 section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such

The director of the department of social services shall establish a procedure by which a taxpayer can determine if a facility has been classified as a maternity home, and by which such taxpayer can then contribute to such maternity home and claim a tax credit. Maternity homes shall be permitted to decline a contribution from a taxpayer. The cumulative amount of tax credits which may be claimed by all the taxpayers contributing to maternity homes in any one fiscal year shall not exceed two million dollars for all fiscal years ending on or before June 30, 2014, and two million five hundred thousand dollars for all fiscal years beginning on or after July 1, 2014, and ending on or before June 30, 2019, and three million five hundred thousand dollars for all fiscal years beginning on or after July 1, 2019. 7. The director of the department of social services shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director of the department of social services, the cumulative amount of tax credits are equally apportioned among all facilities classified as maternity homes. If a maternity home fails to use all, or some percentage to be determined by the director of the department of social services, of its apportioned tax credits during this predetermined period of time, the director of the department of social services may reapportion these unused tax credits to those maternity homes that have used all, or some percentage to be determined by the director of the department of social services, of their apportioned tax credits during this predetermined period of time. The director of the department of social services may establish more than one period of time and reapporportion more than once during each fiscal year. To the maximum extent possible, the director of the department of social services shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.
8. This section shall become effective January 1, 2000, and shall apply to all tax years after December 31, 1999, until sunset. [No tax credits shall be issued under this section after June 30, 2020.]

9. Under section 23.253 of the Missouri sunset act:
   (1) The provisions of the program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this subsection unless reauthorized by an act of the general assembly;
   (2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of the reauthorization of this section;
   (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and
   (4) The provisions of this subsection shall not be construed to limit or in any way impair the department's ability to issue tax credits authorized on or before the date the program authorized under this section expires or a taxpayer's ability to redeem such tax credits.

2. For all fiscal years beginning on or after July 1, 2019, a taxpayer shall be allowed
to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty
percent of the amount of such taxpayer's contributions to a diaper bank.

3. The amount of the tax credit claimed shall not exceed the amount of the
taxpayer's state tax liability for the tax year for which the credit is claimed, and such
taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per
tax year. However, any tax credit that cannot be claimed in the tax year the contribution
was made may be carried over only to the next subsequent tax year. No tax credit issued

section, no taxpayer shall be allowed to claim a tax credit unless the taxpayer contributes

difference shall be added to the cumulative limit created under this subsection for the next
fiscal year and carried over to subsequent fiscal years until claimed.

9. The department shall establish a procedure by which, from the beginning of the
fiscal year until some point in time later in the fiscal year to be determined by the
department, the cumulative amount of tax credits are equally apportioned among all
entities classified as diaper banks. If a diaper bank fails to use all, or some percentage to
be determined by the department, of its apportioned tax credits during this predetermined
period of time, the department may reapportion such unused tax credits to diaper banks
that have used all, or some percentage to be determined by the department, of their
apportioned tax credits during this predetermined period of time. The department may
establish multiple periods each fiscal year and re-apportion accordingly. To the maximum
extent possible, the department shall establish the procedure described under this
subsection in such a manner as to ensure that taxpayers can claim as many of the tax
credits as possible, up to the cumulative limit created under subsection 8 of this section.

10. Each diaper bank shall provide information to the department concerning the
identity of each taxpayer making a contribution and the amount of the contribution. The
department shall provide the information to the department of revenue. The department

       following the calendar year in which the program authorized under this section is sunset;
       and
