47 3. A psychologist practicing into a distant state under the temporary authorization
48 to practice shall practice within the scope of practice authorized by the distant state.

49 4. A psychologist practicing into a distant state under the temporary authorization
50 to practice will be subject to the distant state's authority and law. A distant state may, in
51 accordance with that state's due process law, limit or revoke a psychologist's temporary
52 authorization to practice in the distant state and may take any other necessary actions
53 under the distant state's applicable law to protect the health and safety of the distant state's

54 citizens. If a distant state takes action, the state shall promptly notify the home state and
55 the commission.

56 5. If a psychologist's license in any home state, another compact state, or any
57 temporary authorization to practice in any distant state, is restricted, suspended or

59 eligible to practice in a compact state under the temporary authorization to practice.

337.125. A psychologist may practice in a receiving state under the authority to
2 practice interjurisdictional telepsychology only in the performance of the scope of practice
3 for psychology as assigned by an appropriate state psychology regulatory authority, as
4 defined in the rules of the commission, and under the following circumstances:

5 (1) The psychologist initiates a client/patient contact in a home state via

9 3. (1) If a home state takes adverse action against a psychologist's license, that
10 psychologist's authority to practice interjurisdictional telepsychology is terminated and the
11 E.Passport is revoked. Furthermore, that psychologist's temporary authorization to
12 practice is terminated and the IPC is revoked.

13 (2) All home state disciplinary orders which impose adverse action shall be
14 reported to the commission in accordance with the rules promulgated by the commission.
15 A compact state shall report adverse actions in accordance with the rules of the
16 commission.

17 (3) In the event discipline is reported on a psychologist, the psychologist will not be

27 **5. A distant state's psychology regulatory authority shall investigate and take**
28 **appropriate action with respect to reported inappropriate conduct engaged in by a**
29 **psychologist practicing under temporary authorization practice which occurred in that**
30 **distant state as it would if such conduct had occurred by a licensee within the home state.**
31 **In such cases, distant state's law shall control in determining any adverse action against**
32 **a psychologist's temporary authorization to practice.**

33 **6. Nothing in this compact shall override a compact state's decision that a**
34 **psychologist's participation in an alternative program may be used in lieu of adverse action**
35 **and that such participation shall remain non-public if required by the compact state's law.**
36 **Compact states shall require psychologists who enter any alternative programs to not**
37 **provide telepsychology services under the authority to practice interjurisdictional**

6 **witnesses, or the production of evidence from another compact state shall be enforced in**
7 **the latter state by any court of competent jurisdiction, according to that court's practice**
8 **and procedure in considering subpoenas issued in its own proceedings. The issuing state**
9 **psychology regulatory authority shall pay any witness fees, travel expenses, mileage and**

13 **authority to practice interjurisdictional telepsychology or temporary authorization to**
14 **practice.**

15 **2. During the course of any investigation, a psychologist may not change his or her**
16 **home state licensure. A home state psychology regulatory authority is authorized to**
17 **complete any pending investigations of a psychologist and to take any actions appropriate**
18 **under its law. The home state psychology regulatory authority shall promptly report the**
19 **conclusions of such investigations to the commission. Once an investigation has been**
20 **completed, and pending the outcome of said investigation, the psychologist may change his**
21 **or her home state licensure. The commission shall promptly notify the new home state of**
22 **any such decisions as provided in the rules of the commission. All information provided**
23 **to the commission or distributed by compact states pursuant to the psychologist shall be**

- 10 **(2) Licensure data;**
- 11 **(3) Significant investigatory information;**

16 **information;**
- 17 **(7) Any denial of application for licensure, and the reasons for such denial; and**
- 18 **(8) Other information which may facilitate the administration of this compact, as**
19 **determined by the rules of the commission.**

20 **3. The coordinated database administrator shall promptly notify all compact states**
21 **of any adverse action taken against, or significant investigative information on, any licensee**
22 **in a compact state.**

23 **4. Compact states reporting information to the coordinated database may designate**
24 **information that may not be shared with the public without the express permission of the**
25 **compact state reporting the information.**

26 **5. Any information submitted to the coordinated database that is subsequently**
27 **required to be expunged by the law of the compact state reporting the information shall**
28 **be removed from the coordinated database.**

10 **immunity.**

11 **2. The commission shall consist of one voting representative appointed by each**
12 **compact state who shall serve as that state's commissioner. The state psychology**

121 the commission shall strive to avoid any appearance of impropriety;

122 (9) To establish a budget and make expenditures;

123 (10) To borrow money;

133 7. (1) The elected officers shall serve as the executive board, which shall have the
134 power to act on behalf of the commission according to the terms of this compact.

135 (2) The executive board shall be comprised of six members:

136 (a) Five voting members who are elected from the current membership of the

- 144 **(5) The executive board shall meet at least annually.**
- 145 **(6) The executive board shall have the following duties and responsibilities:**
- 146 **(a) Recommend to the entire commission changes to the rules or bylaws, changes**
147 **to this compact legislation, fees paid by compact states such as annual dues, and any other**
148 **applicable fees;**

- 161 **(3) The commission may levy on and collect an annual assessment from each**
162 **compact state or impose fees on other parties to cover the cost of the operations and**
163 **activities of the commission and its staff which shall be in a total amount sufficient to cover**
164 **its annual budget as approved each year for which revenue is not provided by other**
165 **sources. The aggregate annual assessment amount shall be allocated based upon a formula**
166 **to be determined by the commission which shall promulgate a rule binding upon all**
167 **compact states.**
- 168 **(4) The commission shall not incur obligations of any kind prior to securing the**
169 **funds adequate to meet the same; nor shall the commission pledge the credit of any of the**
170 **compact states, except by and with the authority of the compact state.**
- 171 **(5) The commission shall keep accurate accounts of all receipts and disbursements.**
172 **The receipts and disbursements of the commission shall be subject to the audit and**
173 **accounting procedures established under its bylaws. However, all receipts and**

174 disbursements of funds handled by the commission shall be audited yearly by a certified
175 or licensed public accountant and the report of the audit shall be included in and become
176 part of the annual report of the commission.

177 9. (1) The members, officers, executive director, employees and representatives of
178 the commission shall be immune from suit and liability, either personally or in their official
179 capacity, for any claim for damage to or loss of property or personal injury or other civil
180 liability caused by or arising out of any actual or alleged act, error or omission that
181 occurred, or that the person against whom the claim is made had a reasonable basis for
182 believing occurred within the scope of commission employment, duties or responsibilities;
183 provided that nothing in this subsection shall be construed to protect any such person from
184 suit or liability for any damage, loss, injury or liability caused by the intentional or willful
185 or wanton misconduct of that person.

186 (2) The commission shall defend any member, officer, executive director, employee
187 or representative of the commission in any civil action seeking to impose liability arising
188 out of any actual or alleged act, error or omission that occurred within the scope of
189 commission employment, duties or responsibilities, or that the person against whom the
190 claim is made had a reasonable basis for believing occurred within the scope of commission
191 employment, duties or responsibilities; provided that nothing herein shall be construed to
192 prohibit that person from retaining his or her own counsel; and provided further, that the
193 actual or alleged act, error or omission did not result from that person's intentional or
194 willful or wanton misconduct.

195 (3) The commission shall indemnify and hold harmless any member, officer,
196 executive director, employee or representative of the commission for the amount of any
197 settlement or judgment obtained against that person arising out of any actual or alleged
198 act, error or omission that occurred within the scope of commission employment, duties
199 or responsibilities, or that such person had a reasonable basis for believing occurred within
200 the scope of commission employment, duties or responsibilities, provided that the actual
201 or alleged act, error or omission did not result from the intentional or willful or wanton
202 misconduct of that person.

337.150. 1. The commission shall exercise its rulemaking powers pursuant to the
2 criteria set forth in this section and the rules adopted thereunder. Rules and amendments
3 shall become binding as of the date specified in each rule or amendment.

4 2. If a majority of the legislatures of the compact states rejects a rule, by enactment
5 of a statute or resolution in the same manner used to adopt the compact, then such rule
6 shall have no further force and effect in any compact state.

7 **3. Rules or amendments to the rules shall be adopted at a regular or special meeting**
8 **of the commission.**

9 **4. Prior to promulgation and adoption of a final rule or rules by the commission,**
10 **and at least sixty days in advance of the meeting at which the rule will be considered and**
11 **voted upon, the commission shall file a notice of proposed rulemaking:**

12 **(1) On the website of the commission; and**

13 **(2) On the website of each compact states' psychology regulatory authority or the**
14 **publication in which each state would otherwise publish proposed rules.**

15 **5. The notice of proposed rulemaking shall include:**

16 **(1) The proposed time, date, and location of the meeting in which the rule will be**
17 **considered and voted upon;**

18 **(2) The text of the proposed rule or amendment and the reason for the proposed**
19 **rule;**

20 **(3) A request for comments on the proposed rule from any interested person;**

21 **(4) The manner in which interested persons may submit notice to the commission**
22 **of their intention to attend the public hearing and any written comments.**

23 **6. Prior to adoption of a proposed rule, the commission shall allow persons to**
24 **submit written data, facts, opinions and arguments, which shall be made available to the**
25 **public.**

26 **7. The commission shall grant an opportunity for a public hearing before it adopts**
27 **a rule or amendment if a hearing is requested by:**

28 **(1) At least twenty-five persons who submit comments independently of each other;**

29 **(2) A governmental subdivision or agency; or**

30 **(3) A duly appointed person in an association that has at least twenty-five members.**

31 **8. (1) If a hearing is held on the proposed rule or amendment, the commission shall**
32 **publish the place, time, and date of the scheduled public hearing.**

33 **(2) All persons wishing to be heard at the hearing shall notify the executive director**
34 **of the commission or other designated member in writing of their desire to appear and**
35 **testify at the hearing not less than five business days before the scheduled date of the**
36 **hearing.**

37 **(3) Hearings shall be conducted in a manner providing each person who wishes to**
38 **comment a fair and reasonable opportunity to comment orally or in writing.**

39 **(4) No transcript of the hearing is required, unless a written request for a transcript**
40 **is made, in which case the person requesting the transcript shall bear the cost of producing**
41 **the transcript. A recording may be made in lieu of a transcript under the same terms and**

42 conditions as a transcript. This subdivision shall not preclude the commission from
43 making a transcript or recording of the hearing if it so chooses.

44 (5) Nothing in this section shall be construed as requiring a separate hearing on
45 each rule. Rules may be grouped for the convenience of the commission at hearings
46 required by this section.

47 9. Following the scheduled hearing date, or by the close of business on the
48 scheduled hearing date if the hearing was not held, the commission shall consider all
49 written and oral comments received.

50 10. The commission shall, by majority vote of all members, take final action on the
51 proposed rule and shall determine the effective date of the rule, if any, based on the
52 rulemaking record and the full text of the rule.

53 11. If no written notice of intent to attend the public hearing by interested parties
54 is received, the commission may proceed with promulgation of the proposed rule without
55 a public hearing.

56 12. Upon determination that an emergency exists, the commission may consider and
57 adopt an emergency rule without prior notice, opportunity for comment, or hearing,
58 provided that the usual rulemaking procedures provided in the compact and in this section
59 shall be retroactively applied to the rule as soon as reasonably possible, in no event later
60 than ninety days after the effective date of the rule. For the purposes of this provision, an
61 emergency rule is one that shall be adopted immediately in order to:

62 (1) Meet an imminent threat to public health, safety, or welfare;

63 (2) Prevent a loss of commission or compact state funds;

64 (3) Meet a deadline for the promulgation of an administrative rule that is
65 established by federal law or rule; or

66 (4) Protect public health and safety.

67 13. (1) The commission or an authorized committee of the commission may direct
68 revisions to a previously adopted rule or amendment for purposes of correcting
69 typographical errors, errors in format, errors in consistency, or grammatical errors.
70 Public notice of any revisions shall be posted on the website of the commission. The
71 revision shall be subject to challenge by any person for a period of thirty days after
72 posting. The revision may be challenged only on grounds that the revision results in a
73 material change to a rule.

74 (2) A challenge shall be made in writing, and delivered to the chair of the
75 commission prior to the end of the notice period. If no challenge is made, the revision will
76 take effect without further action. If the revision is challenged, the revision may not take
77 effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government
2 in each compact state shall enforce this compact and take all actions necessary and
3 appropriate to effectuate the compact's purposes and intent. The provisions of this
4 compact and the rules promulgated hereunder shall have standing as statutory law.

5 (2) All courts shall take judicial notice of the compact and the rules in any judicial
6 or administrative proceeding in a compact state pertaining to the subject matter of this
7 compact which may affect the powers, responsibilities or actions of the commission.

8 (3) The commission shall be entitled to receive service of process in any such
9 proceeding, and shall have standing to intervene in such a proceeding for all purposes.
10 Failure to provide service of process to the commission shall render a judgment or order
11 void as to the commission, this compact or promulgated rules.

12 2. (1) If the commission determines that a compact state has defaulted in the
13 performance of its obligations or responsibilities under this compact or the promulgated
14 rules, the commission shall:

15 (a) Provide written notice to the defaulting state and other compact states of the
16 nature of the default, the proposed means of remedying the default or any other action to
17 be taken by the commission; and

18 (b) Provide remedial training and specific technical assistance regarding the
19 default.

20 (2) If a state in default fails to remedy the default, the defaulting state may be
21 terminated from the compact upon an affirmative vote of a majority of the compact states,
22 and all rights, privileges and benefits conferred by this compact shall be terminated on the
23 effective date of termination. A remedy of the default does not relieve the offending state
24 of obligations or liabilities incurred during the period of default.

25 (3) Termination of membership in the compact shall be imposed only after all other
26 means of securing compliance have been exhausted. Notice of intent to suspend or
27 terminate shall be submitted by the commission to the governor, the majority and minority
28 leaders of the defaulting state's legislature, and each of the compact states.

29 (4) A compact state which has been terminated is responsible for all assessments,
30 obligations and liabilities incurred through the effective date of termination, including
31 obligations which extend beyond the effective date of termination.

32 (5) The commission shall not bear any costs incurred by the state which is found
33 to be in default or which has been terminated from the compact, unless agreed upon in
34 writing between the commission and the defaulting state.

35 (6) The defaulting state may appeal the action of the commission by petitioning the
36 U.S. District Court for the state of Georgia or the federal district where the compact has

37 its principal offices. The prevailing member shall be awarded all costs of such litigation,
38 including reasonable attorney's fees.

39 **3. (1) Upon request by a compact state, the commission shall attempt to resolve**
40 **disputes related to the compact which arise among compact states and between compact**
41 **and noncompact states.**

42 **(2) The commission shall promulgate a rule providing for both mediation and**
43 **binding dispute resolution for disputes that arise before the commission.**

44 **4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the**
45 **provisions and rules of this compact.**

46 **(2) By majority vote, the commission may initiate legal action in the United States**
47 **District Court for the State of Georgia or the federal district where the compact has its**
48 **principal offices against a compact state in default to enforce compliance with the**
49 **provisions of the compact and its promulgated rules and bylaws. The relief sought may**
50 **include both injunctive relief and damages. In the event judicial enforcement is necessary,**
51 **the prevailing member shall be awarded all costs of such litigation, including reasonable**
52 **attorney's fees.**

53 **(3) The remedies herein shall not be the exclusive remedies of the commission. The**
54 **commission may pursue any other remedies available under federal or state law.**

337.160. 1. The compact shall come into effect on the date on which the compact
2 **is enacted into law in the seventh compact state. The provisions which become effective at**
3 **that time shall be limited to the powers granted to the commission relating to assembly and**
4 **the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking**
5 **powers necessary to the implementation and administration of the compact.**

6 **2. Any state which joins the compact subsequent to the commission's initial**
7 **adoption of the rules shall be subject to the rules as they exist on the date on which the**
8 **compact becomes law in that state. Any rule which has been previously adopted by the**
9 **commission shall have the full force and effect of law on the day the compact becomes law**
10 **in that state.**

11 **3. (1) Any compact state may withdraw from this compact by enacting a statute**
12 **repealing the same.**

13 **(2) A compact state's withdrawal shall not take effect until six months after**
14 **enactment of the repealing statute.**

15 **(3) Withdrawal shall not affect the continuing requirement of the withdrawing**
16 **state's psychology regulatory authority to comply with the investigative and adverse action**
17 **reporting requirements of this act prior to the effective date of withdrawal.**

18 **4. Nothing contained in this compact shall be construed to invalidate or prevent any**
19 **psychology licensure agreement or other cooperative arrangement between a compact state**
20 **and a noncompact state which does not conflict with the provisions of this compact.**

21 **5. This compact may be amended by the compact states. No amendment to this**
22 **compact shall become effective and binding upon any compact state until it is enacted into**
23 **the law of all compact states.**

337.165. This compact shall be liberally construed so as to effectuate the purposes
2 **thereof. If this compact shall be held contrary to the constitution of any state member**
3 **thereto, the compact shall remain in full force and effect as to the remaining compact**
4 **states.**

 337.315. 1. An applied behavior analysis intervention shall produce socially significant
2 improvements in human behavior through skill acquisition, increase or decrease in behaviors
3 under specific environmental conditions and the reduction of problematic behavior. An applied
4 behavior analysis intervention shall:

5 (1) Be based on empirical research and the identification of functional relations between
6 behavior and environment, contextual factors, antecedent stimuli and reinforcement operations
7 through the direct observation and measurement of behavior, arrangement of events and
8 observation of effects on behavior, as well as other information gathering methods such as record
9 review and interviews; and

10 (2) Utilize changes and arrangements of contextual factors, antecedent stimuli, positive
11 reinforcement, and other consequences to produce behavior change.

12 2. Each person wishing to practice as a licensed behavior analyst shall:

13 (1) Submit a complete application on a form approved by the committee, **which shall**
14 **include a statement that the applicant has completed two hours of suicide assessment,**
15 **referral, treatment, and management training;**

17 (3) Submit a two-inch or three-inch photograph or passport photograph taken no more
18 than six months prior to the application date;

24 by a certifying entity, as defined in section 337.300;

33 than six months prior to the application date;

34 (4) Provide two classified sets of fingerprints for processing by the Missouri state
35 highway patrol under section 43.543. One set of fingerprints shall be used by the highway patrol
36 to search the criminal history repository and the second set shall be forwarded to the Federal
37 Bureau of Investigation for searching the federal criminal history files;

38 (5) Have passed an examination and been certified as a board-certified assistant behavior
39 analyst by a certifying entity, as defined in section 337.300;

42 statement from all issuing states verifying licensure and identifying any disciplinary action taken
43 against the license holder by that state; and

44 (8) Submit documentation satisfactory to the committee that the applicant will be directly
45 supervised by a licensed behavior analyst in a manner consistent with the certifying entity.

46 4. The committee shall be authorized to issue a temporary license to an applicant for a
47 behavior analyst license or assistant behavior analyst license upon receipt of a complete
48 application, submission of a fee as set by the committee by rule for behavior analyst or assistant
49 behavior analyst, and a showing of valid licensure as a behavior analyst or assistant behavior
50 analyst in another state, only if the applicant has submitted fingerprints and no disqualifying
51 criminal history appears on the family care safety registry. The temporary license shall expire
52 upon issuance of a license or denial of the application but no later than ninety days from issuance
53 of the temporary license. Upon written request to the committee, the holder of a temporary
54 license shall be entitled to one extension of ninety days of the temporary license.

55 5. (1) The committee shall, in accordance with rules promulgated by the committee,
56 issue a provisional behavior analyst license or a provisional assistant behavior analyst license
57 upon receipt by the committee of a complete application, appropriate fee as set by the committee
58 by rule, and proof of satisfaction of requirements under subsections 2 and 3 of this section,
59 respectively, and other requirements established by the committee by rule, except that applicants
60 for a provisional license as either a behavior analyst or assistant behavior analyst need not have
61 passed an examination and been certified as a board-certified behavior analyst or a

62 board-certified assistant behavior analyst to obtain a provisional behavior analyst or provisional
63 assistant behavior analyst license.

64 (2) A provisional license issued under this subsection shall only authorize and permit the
65 licensee to render behavior analysis under the supervision and the full professional responsibility
66 and control of such licensee's licensed supervisor.

67 (3) A provisional license shall automatically terminate upon issuance of a permanent
68 license, upon a finding of cause to discipline after notice and hearing under section 337.330,
69 upon termination of supervision by a licensed supervisor, or upon the expiration of one year from
70 the date of issuance of the provisional license, whichever first occurs. The provisional license
71 may be renewed after one year, with a maximum issuance of two years. Upon a showing of good
72 cause, the committee by rule shall provide procedures for exceptions and variances from the
73 requirement of a maximum issuance of two years.

74 6. No person shall hold himself or herself out to be licensed behavior analysts or LBA,
75 provisionally licensed behavior analyst or PLBA, provisionally licensed assistant behavior

88 psychologists in the state of Missouri and whose practice is commensurate with their level of

24 administering sections 337.300 to 337.345.

25 7. The committee is authorized to issue an inactive license to any licensee who makes
26 written application for such license on a form provided by the committee and remits the fee for
27 an inactive license established by the committee. An inactive license may be issued only to a
28 person who has previously been issued a license to practice as a licensed behavior analyst or a
29 licensed assistant behavior analyst who is no longer regularly engaged in such practice and who
30 does not hold himself or herself out to the public as being professionally engaged in such practice
31 in this state. Each inactive license shall be subject to all provisions of this chapter, except as
32 otherwise specifically provided. Each inactive license may be renewed by the committee subject

10 committee.

11 2. The division shall mail a renewal notice to the last known address of each licensee
12 prior to the registration renewal date. Failure to provide the division with the information
13 required for registration, or to pay the registration fee after such notice shall effect a revocation
14 of the license after a period of sixty days from the registration renewal date. The license shall
15 be restored if, within two years of the registration date, the applicant provides written application
16 and the payment of the registration fee and a delinquency fee.

17 3. A new certificate to replace any certificate lost, destroyed or mutilated may be issued
18 subject to the rules of the committee, upon payment of a fee.

31 fund which exceeds the appropriate multiple of the appropriations from the committee's fund for
32 the preceding fiscal year.

33 6. The committee shall hold public examinations at least two times per year, at such
34 times and places as may be fixed by the committee, notice of such examinations to be given to

48 supervised counseling experience and such applicant may reapply for licensure as a professional
49 counselor upon completion of such acceptable supervised counseling experience.

50 5. All persons licensed to practice professional counseling in this state shall pay on or

10 or declaration. Each application shall be accompanied by the fees required by the committee.

11 2. The committee shall mail a renewal notice to the last known address of each licensee
12 prior to the licensure renewal date. Failure to provide the committee with the information
13 required for licensure, or to pay the licensure fee after such notice shall effect a revocation of the

15 if, within two years of the licensure date, the applicant provides written application and the
16 payment of the licensure fee and a delinquency fee.

29 shall not be transferred and placed to the credit of general revenue until the amount in the fund
30 at the end of the biennium exceeds two times the amount of the appropriations from the clinical
31 social workers fund for the preceding fiscal year or, if the committee requires by rule renewal
32 less frequently than yearly, then three times the appropriation from the committee's fund for the
33 preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the

34 fund which exceeds the appropriate multiple of the appropriations from the clinical social
35 workers fund for the preceding fiscal year.

337.618. Each license issued pursuant to the provisions of sections 337.600 to 337.689

10 health, military service, foreign residency, or for other good cause. All requests for waivers or
11 extensions of time shall be made in writing and submitted to the board before the renewal date.

337.662. 1. Applications for licensure as a baccalaureate social worker shall be in

6 information as the committee may require. Each application shall contain a statement that it is
7 made under oath or affirmation and that the information contained therein is true and correct to
8 the best knowledge and belief of the applicant, subject to the penalties provided for the making
9 of a false affidavit or declaration. Each application shall be accompanied by the fees required
10 by the committee.

11 2. The committee shall mail a renewal notice to the last known address of each licensee
12 prior to the licensure renewal date. Failure to provide the committee with the information
13 required for licensure **as provided in subsection 1 of this section**, or to pay the licensure fee
14 after such notice shall effect a revocation of the license after a period of sixty days from the
15 licensure renewal date. The license shall be restored if, within two years of the licensure date,
16 the applicant provides written application and the payment of the licensure fee and a delinquency
17 fee.

18 3. A new certificate to replace any certificate lost, destroyed or mutilated may be issued
19 subject to the rules of the committee, upon payment of a fee.

20 4. The committee shall set the amount of the fees which sections 337.650 to 337.689

6 information as the committee may require. Each application shall contain a statement that it is
7 made under oath or affirmation and that the information contained therein is true and correct to
8 the best knowledge and belief of the applicant, subject to the penalties provided for the making
9 of a false affidavit or declaration. Each application shall be accompanied by the fees required
10 by the division.

11 2. The division shall mail a renewal notice to the last known address of each licensee
12 prior to the licensure renewal date. Failure to provide the division with the information required
13 for license, or to pay the licensure fee after such notice shall effect a revocation of the license
14 after a period of sixty days from the license renewal date. The license shall be restored if, within
15 two years of the licensure date, the applicant provides written application and the payment of the
16 licensure fee and a delinquency fee.

17 3. A new certificate to replace any certificate lost, destroyed or mutilated may be issued
18 subject to the rules of the division upon payment of a fee.

25 shall not be transferred and placed to the credit of general revenue until the amount in the fund
26 at the end of the biennium exceeds two times the amount of the appropriations from the marital
27 and family therapists' fund for the preceding fiscal year or, if the division requires by rule
28 renewal less frequently than yearly then three times the appropriation from the fund for the
29 preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the
30 fund which exceeds the appropriate multiple of the appropriations from the marital and family
31 therapists' fund for the preceding fiscal year.

337.718. 1. Each license issued pursuant to the provisions of sections 337.700 to

3 notification by the commission to the revisor of statutes that seven states have adopted the
4 psychology interjurisdictional compact.
