Any forms utilized by the family support division for assessing eligibility under this chapter shall be as simple as practicable;

(22) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. The department of social services, at the direction of the general assembly, may implement presumptive eligibility by regulation promulgated pursuant to chapter 207;

After April 1, 1990, any family receiving aid pursuant to 42 U.S.C. 601, et seq., as amended, in at least three of the six months immediately preceding the month in which such family becomes

Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his or her home state licensure. - (2) The commission shall maintain its financial records in accordance with the bylaws; and
- (3) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

6. The commission shall have the following powers:

- (1) The authority to promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rule shall have the force and effect of law and shall be binding in all compact states;

8. (1) The commission shall pay, or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

(2) The commission may accept any and all appropriate revenue sources, donations and grants of money, equipment, supplies, materials and services.

(3) The commission may levy on and collect an annual assessment from each compact state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff which shall be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the commission which shall promulgate a rule binding upon all compact states.

(4) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the compact states, except by and with the authority of the compact state.

(5) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the commission.

9. (1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or

responsibilities; provided that nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

337.150. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the compact states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compact state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

(1) On the website of the commission; and

(2) On the website of each compact states' psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.

5. The notice of proposed rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person;

(4) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five persons who submit comments independently of each other;

(2) A governmental subdivision or agency; or

(3) A duly appointed person in an association that has at least twenty-five members.

8. (1) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(2) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(3) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(4) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(5) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of commission or compact state funds;
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
- (4) Protect public health and safety.

13. (1) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule.

(2) A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

337.155. 1. (1) The executive, legislative and judicial branches of state government in each compact state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities or actions of the commission.

(3) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

2. (1) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

- (a) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default or any other action to be taken by the commission; and
- (b) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges and benefits conferred by this compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(4) A compact state which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(5) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(6) The defaulting state may appeal the action of the commission by petitioning the U.S. District Court for the state of Georgia or the federal district where the compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3. (1) Upon request by a compact state, the commission shall attempt to resolve disputes related to the compact which arise among compact states and between compact and noncompact states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

4. (1) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(2) By majority vote, the commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

337.160. 1. The compact shall come into effect on the date on which the compact is enacted into law in the seventh compact state. The provisions which become effective at that time shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state which joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. (1) Any compact state may withdraw from this compact by enacting a statute repealing the same.

(2) A compact state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(3) Withdrawal shall not affect the continuing requirement of the withdrawing state's psychology regulatory authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

5. This compact may be amended by the compact states. No amendment to this compact shall become effective and binding upon any compact state until it is enacted into the law of all compact states.

337.165. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any state member thereto, the compact shall remain in full force and effect as to the remaining compact states."; and

Further amend said bill, Page 9, Section 630.945, Line 7, by inserting immediately after all of said section and line the following:

Sections 337.100, 337.105, 337.110, 337.115, 337.120, 337.125, 337.130, 337.135, 337.140, 337.145, 337.150, 337.155, 337.160, and 337.165 of this act shall become effective upon notification by the commission to the revisor of statutes that seven states have adopted the psychology interjurisdictional compact."; and

Mr. Speaker: Your Special Investigative Committee on Oversight has continued its investigation concerning certain allegations against Governor Eric R. Greitens and begs leave to submit a Supplement to Committee Report No. 1.

Exhibits and transcripts are on file with the Chief Clerk and are available on the House of Representatives website.

SUPPLEMENT TO COMMITTEE REPORT NO. 1

April 30, 2018

/s/ Chairman Jay Barnes
 /s/ Vice-chairman Don Phillips
 /s/ Ranking Member Gina Mitten
 /s/ Rep. Jeanie Lauer
 /s/ Rep. Kevin Austin
 /s/ Rep. Shawn Rhoads
 /s/ Rep. Tommie Pierson Jr.

SENSITIVE CONTENT WARNING

This report contains content of a sensitive and sexual nature. The House Special Investigative Committee on Oversight has kept descriptions of an adult nature and coarse language in order to provide an unfiltered record of witness testimony. In some cases, the identities of witnesses and sensitive information have been redacted from the record to protect privacy.

ADDITIONAL FINDINGS OF THE COMMITTEE

1. On Thursday, April 12, 2018, Greitens posted a public statement to Facebook in which he claimed that video of an interview taken by the Circuit Attorney’s office “undermined the narrative” and “directly contradicted allegations in the House report.” Specifically, Greitens claimed Witness 1 “never once mentions any coercion” in the videotaped interview.¹ However, Witness 1 described the same facts regarding the morning of March 21, 2015 in her interview with the Circuit Attorney’s office as she did with this Committee. For example, compare:

Circuit Attorney Testimony	Committee Testimony
And I was like, “I’m leaving and went to go upstairs, and he took me in his arms and was like, no, no ... you can’t leave like this. You can’t leave. Come here. And lays me down on the ground where I’m laying on his, like, basement floor in the fetal position.” ²	I was like, “No, I’m leaving, I’m leaving.” And I start walking out – or going to go up the stairs, and he grabs me and like – like in a bear hug and was like, “Shh, shh, it’s okay, calm down, calm down, and like lays me down on this ground in the basement.” ³
I’m crying, like, hysterically at this point. And he was like, shush, it’s okay. It’s okay, It’s okay. ⁴	I was laying next to him just crying, like uncontrollably crying. And he was like, Shh, shh, it’s okay, it’s okay. ⁵
[H]e proceeds to undo his pants and take his [penis] out of his underwear or whatever. And like, put it near my face. ⁶	He starts undoing his pants, and he takes his penis out and put it, like near where my face is. ⁷
I gave him a blow job at this point. ⁸	So I gave him oral sex at this point. ⁹
I just felt like, I’m going to do this and he’ll be satisfied that he had his little whore, and I’m going to leave and I’ll never see him again, was what was going through my mind at this point... ¹⁰	I’m like – so this guy literally just wants me for this, and this is all he wants, and then he’ll let me – because at this point, too, I also know I have to be back at work, and he’s not going to let me leave, because he’s obviously still horny. ¹¹

Circuit Attorney Testimony	Committee Testimony
“And at this point, just really coaxing me like a wounded little animal on the ground[.]” ¹²	“Coerced, maybe. I felt as though that would allow me to leave.” ¹⁴ And “It’s a hard question [on consent] because I did it – it felt like consent, but no, I didn’t want to do it.” ¹⁵
[T]hen he says, I’m going to put a blindfold on you. He puts the blindfold on me. And at this point there’s, like, really no talking. I really was standing there, like, I have no clue what the hell is going on. I’m probably just as much turned on as I am fearful as I am curious. You know, I don’t even know. We hadn’t kissed or anything. ¹³	[H]e said, Follow me downstairs, I’m going to show you how to do a proper pull-up. So I did what he said. And at this point, I was intrigued, definitely, because I thought for sure he really has feelings for me. ¹⁶ I honestly was, like, in shock, because I was – I was intrigued, but I’m also – how – I’m not even talking to him. I’m not – we’re not doing anything I want to do right now, but I’m intrigued enough and I’m letting him and I trust him – I don’t know. No, I’m not talking at all at this point. ¹⁷

2. Witness 1 testified to additional feelings in her Circuit Attorney interview, stating that, while performing oral sex on the morning of March 21, 2015 that she was thinking “the whole time – at this point, I hate him in my mind. I think he’s disgusting. I hate him. I can’t believe I’m down here.”¹⁸ She further stated, “I just felt super degraded, really disgusting.”¹⁹

3. In his Thursday, April 12 statement, Greitens further noted that Witness 1 told the Circuit Attorney that she did not tell her friends about the slap until after a false report about the location of such an incident had been made in the media.²⁰ However, the testimony to the Committee corroborates that Witness 1 did not tell her friends about the slap until later.

- a. Witness 1 did not claim to the Committee that she had told either of the friends who testified to the Committee about the slap contemporaneous to the event. She was never asked that question, but instead to identify people with whom she had spoken about her relationship with Eric Greitens in general.²¹
- b. Neither of Witness 1’s friends who testified before the Committee claimed that she told them about the slap in 2015. Witness 2 testified she learned of the slap “maybe a month or so ago when we had met up for dinner[.]”²² Likewise, Witness 4 stated she learned of it “recently” after she “specifically called” Witness 1 to ask about it, and that, Witness 1 told her “that was true and that she was embarrassed.”²³

4. Witness 1’s testimony on the slapping incident did not change. Compare:

Circuit Attorney Testimony	Committee Testimony
[H]e said, I want to see you ... she's gone Friday to Friday. On Saturday night ... I went over to his house ... And then we went upstairs into his ... spare bedroom and were making out. And then he asked me if I had slept with anyone ... And I said, yes, I have, with my husband. Because at some point I had ... And he slapped me across the face. And not like playful like. ... And then as far as I remember, we talked about that. Because I asked him if he was maybe screwed up from being in the war? Like what – that was so bizarre to me that he would think that that was okay. ²⁴	[H]is wife would be out-of-town for a week. ... And so on that Saturday, I went over to his house. [H]e has a spare bedroom upstairs and took me up there, and we were, like, making out at this point. ... And he looks at me and asked me ... have you been intimate with anybody? ... And I said, Well, I slept with my husband ... and he slapped me across the face, just like hard to where I was like, What, Eric, what in the heck? ... And he just said, No, Like, that was – you're mine. ... And I said, I think you're screwed up from being in the Navy. ... That was just so bizarre to me. ²⁵

5. The Committee does not find anything in the Circuit Attorney interview that causes it to change its statement regarding Witness 1's credibility.

6. Greitens' claims about the content of the Circuit Attorney interview mischaracterize the actual testimony received and reviewed by this Committee.

7. On Wednesday, April 11, 2018, Eric Greitens stated this Committee's work was "based on the testimony of someone who said, under oath, that they may have been remembering this through a dream."²⁶ The Committee finds that Greitens' statement mischaracterizes the purported testimony cited by his counsel in the pending criminal case in the City of St. Louis. In a recent motion, Greitens' counsel cited Witness 1's answer to the specific question of whether she saw what she believed to be a phone on the morning of March 21, 2015. According to the motion of Greitens' counsel, Witness 1 answered, "... I haven't talked about it because I don't know if it's because I'm remembering it through a dream or I – I'm not sure, but yes, I feel like I saw it after that happened, but I haven't spoken about it because of that."²⁷

8. Witness 1's answer to a specific question whether she saw a phone does not bear on her testimony about other events. To the contrary, her reluctance to state under oath that she specifically remembers seeing the phone adds to her credibility. Further, this is consistent with Witness 1's testimony to the Committee. When asked by the Committee if she remembered the first time she saw Greitens' phone she said "I don't know. That's a good question. I'm not sure."²⁸

9. Greitens further stated, "Soon after this story broke, for example, the people who are attacking me now falsely claim that I slapped a woman while my wife was giving birth. It was absolutely untrue and slanderous and incredibly hurtful. It has also been 100 percent disproven, because it was impossible."²⁹ However, Witness 1 never claimed to the Committee or to anyone else of which we are aware that he slapped her at such time. Instead, she testified that Greitens slapped her in an upstairs bedroom while his wife was out-of-town.³⁰

²⁴ Tr. CA at 26:18 to 27:12.

²⁵ Tr. W1 at 39:14 to 40:21.

²⁶ See Tr. Greitens Statement on Committee Report #1 at 2:22-25.

²⁷ See Committee Report #1 at ¶32, citing Exhibits 23 and 24. The Committee included purported quotes of Witness 1 from her deposition in the criminal case on the theory, explained in note 36, that counsel had an obligation not to mislead the court. The Committee further notes the ellipsis placed in front of the quote from Greitens' lawyers' brief makes it impossible for the Committee to determine her full answer to the question in the absence of the full transcript. Further, Greitens' claims about a recent video disclosed by the Circuit Attorney are demonstrably false. As a result, the Committee will no longer provide such deference to cherry-picked evidence.

²⁸ Tr. W1 at 99:10-12

²⁹ See Ex. 25.

³⁰ Tr. W1 at 39:13 to 40:21; see also Tr. CA at 26:16 to 27:16.

10. On or about Wednesday, April 11, 2018, Greitens sponsored advertisements on Facebook promoting his response to the House report, repeating his assertions that the Committee’s work is a “political witch-hunt” and Witness 1’s alleged “dream” statement.³¹

11. On the afternoon of April 16, after learning that the Committee was in possession of the video interview of Witness 1, counsel for Greitens requested leave from the Circuit Court of the City of St. Louis to provide information to the Committee relating to said video interview. In an order that afternoon, the Court granted such leave “limited to the contents of the videotape interview of [W]itness [1]”.

12. On April 17, at 12:07am, counsel for Greitens emailed the Committee a letter containing purported excerpts of testimony from the nearly ten-hour deposition of Witness 1 taken in the Circuit Court case. The Committee subsequently subpoenaed Greitens’ counsel, the Circuit Attorney’s office, and counsel for Witness 1 seeking the deposition video and transcript. The Circuit Attorney’s office and counsel for Witness 1 informed the Committee that they supported the subpoena and desired to disclose said documents to the Committee. Defense counsel sought more time to respond.

13. On April 24, the Committee filed a Request that the Circuit Court in St. Louis City instruct the Circuit Attorney and defense counsel to comply with the Committee’s duly-issued subpoena. The Request indicated that “the Circuit Attorney and counsel for Witness 1 [we]re prepared to honor the subpoena.” Subsequent to the filing of the request, defense counsel refused to join the Circuit Attorney and counsel for Witness 1 and instead requested more time as well as a briefing schedule on the Request.

14. This Committee’s charge is to determine the truth. Having claimed that the deposition testimony is helpful to Greitens, it is incumbent upon his counsel to comply with the Committee’s duly-issued subpoena and to expeditiously provide it with the entire deposition transcript.
