

# JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SEVENTY-THIRD DAY, MONDAY, MAY 14, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Ken Wilson.

Heavenly Father, we know of no better way to begin the work of this last week of session than by seeking Your guidance and Your counsel for our lives. We thank You for giving us access to You through prayer and for the delight You take in listening. We ask for forgiveness for the times that we only go through the motions with our prayer life. Give each of us a pure heart to believe and not doubt. Lord, we want to trust not only that You hear us but that You'll help us. We want to trust in Your greater purposes for the countless things that we do not know, see, or understand.

Father, we the members of this honorable body we come before You united in our prayers for Your blessing, Your guidance, and Your help, that we may faithfully do what is best for the people and what is right in Your sight. We pray that we the members will work together as a team for the welfare of all Your people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-second day was approved as printed by the following vote:

Representative Eggleston offered **House Amendment No. 3**.

*House Amendment No. 3*

AMEND Senate Bill No. 757, Page 5, Section 70.370, Line 128, by inserting immediately after all of said section and line the following:

"115.124. 1. Notwithstanding any other law to the contrary, in a nonpartisan election in any political subdivision or special district including municipal elections in any city, town, or village with ~~[one]~~ **two** thousand or fewer inhabitants that have adopted a proposal pursuant to subsection 3 of this section but excluding municipal elections in any city, town, or village with more than ~~[one]~~ **two** thousand inhabitants, if the notice provided for in subsection 5 of section 115.127 has been published in at least one newspaper of general circulation as defined in section 493.050 in the district, and ~~[if the number of candidates who have filed for a particular office is equal to the number of positions in that office to be filled by the election, no election shall be held for such office]~~ **if the number of candidates for each office in a particular political subdivision, special district, or municipality is equal to the number of positions for each office within the political subdivision, special district, or municipality to be filled by the election and no ballot measure is placed on the ballot such that a particular political subdivision will owe no proportional elections costs if an election is not held, no election shall be held,** and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected. If no election is held for ~~[such office]~~ **a particular political subdivision, special district, or municipality** as provided in this section, the election authority shall publish a notice containing the names of the candidates that shall assume the responsibilities of office under this section. Such notice shall be published in at least one newspaper of general circulation as defined in section 493.050 in such political subdivision or district by the first of the month in which the election would have occurred, had it been contested. Notwithstanding any other provision of law to the contrary, if at any election the number of candidates filing for a particular office exceeds the number of positions to be filled at such election, the election authority shall hold the election as scheduled, even if a sufficient number of candidates withdraw from such contest for that office so that the number of candidates remaining after the filing deadline is equal to the number of positions to be filled.

2. The election authority or political subdivision responsible for the oversight of the filing of candidates in any nonpartisan election in any political subdivision or special district shall clearly designate where candidates shall form a line to effectuate such filings and determine the order of such filings; except that, in the case of candidates who file a declaration of candidacy with the election authority or political subdivision prior to 5:00 p.m. on the first day for filing, the election authority or political subdivision may determine by random drawing the order in which such candidates' names shall appear on the ballot. If a drawing is conducted pursuant to this subsection, it shall be conducted so that each candidate, or candidate's representative if the candidate filed under subsection 2 of section 115.355, may draw a number at random at the time of filing. If such drawing is conducted, the election authority or political subdivision shall record the number drawn with the candidate's declaration of candidacy. If such drawing is conducted, the names of candidates filing on the first day of filing for each office on each ballot shall be listed in ascending order of the numbers so drawn.

3. The governing body of any city, town, or village with ~~[one]~~ **two** thousand or fewer inhabitants may submit to the voters at any available election, a question to adopt the provisions of subsection 1 of this section for municipal elections. If a majority of the votes cast by the qualified voters voting thereon are in favor of the question, then the city, town, or village shall conduct nonpartisan municipal elections as provided in subsection 1 of this section for all nonpartisan elections remaining in the year in which the proposal was adopted and for the six calendar years immediately following such approval. At the end of such six-year period, each such city, town, or village shall be prohibited from conducting such elections in such a manner unless such a question is again adopted by the majority of qualified voters as provided in this subsection."; and

3. The director may adopt any rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

4. A judge shall issue the order to serve the civil investigative demand if the judge finds that probable cause exists that a violation of chapter 109 or this chapter has occurred. Once a judge has issued an order to serve a civil investigative demand, the demand issued under this section may seek any information and documents that could be obtained by means of a subpoena duces tecum issued by a court of this state. A civil investigative demand issued under this section may also require answers to written interrogatories that would be permitted by the Missouri supreme court rules.

2. A civil investigative demand issued under this section shall:

- (1) State the statute or statutes that the attorney general believes may have been violated;
- (2) Describe the class or classes of information and evidence to be produced with sufficient specificity so as to fairly indicate the material demanded;
- (3) Prescribe a return date, which shall be at least thirty days, by which the information and evidence is to be produced;
- (4) Identify the members of the attorney general's staff to whom the information and evidence requested is to be produced; and

(5) Provide notice to the recipient of the demand of the recipient's ability to file a petition in the circuit court of Cole County to extend the return date for good cause or to quash or modify any portion of the demand.

3. Service of a civil investigative demand issued under this section may be made by:

(1) Delivering a duly executed copy thereof to the person to be served, or to a partner or any officer or agent authorized by appointment or by law to receive service of process on behalf of such person;

(2) Delivering a duly executed copy thereof to the principal place of business or the residence in this state of the person to be served;

(3) Mailing by registered or certified mail a duly executed copy thereof addressed to the person to be served, at the person's principal place of business or residence in this state, or if such person has no place of business or residence in this state, to his or her principal office, place of business, or his or her residence; or

(4) Mailing by registered or certified mail a duly executed copy thereof, requesting a return receipt signed by the addressee only, to the last known place of business, residence, or abode within or without this state of such person.

4. At any time prior to the return date specified in a civil investigative demand issued under this section or within twenty days after the civil investigative demand is served, whichever is earlier, the recipient of the civil investigative demand may file a petition in the circuit court of Cole County seeking to extend the return date for good cause or to quash or modify any portion of the civil investigative demand. A civil investigative demand issued under this section shall only be quashed or modified on the same basis as a subpoena duces tecum issued by a court of this state.

5. If any person fails to comply with any portion of a civil investigative demand served under this section, the attorney general may file a petition for an order to enforce the civil investigative demand. The attorney general may file such petition in the circuit court of Cole County or in any circuit court where such person has his or her principal place of business or residence. Any person who refuses to comply with an order enforcing a civil investigative demand shall be found in contempt.

6. The attorney general shall have concurrent jurisdiction to enforce the provisions of this subsection.

7. No information, documentary material, or physical evidence requested pursuant to a civil investigative demand issued under this section shall, unless otherwise ordered by a court for good cause shown, be produced for or the contents thereof be disclosed to, any person other than the authorized employee of the attorney general without the consent of the person who produced such information, documentary material or physical evidence; provided, that under such reasonable terms and conditions as the attorney general shall prescribe, such information, documentary material or physical evidence shall be made available for inspection and copying by the person who produced such information, documentary material or physical evidence, or any duly authorized representative of such person. The attorney general, or any attorney designated by him or her, may use the information, documentary material, or physical evidence in the enforcement of chapter 109 or this chapter, by presentation before any court or by disclosure to law enforcement agencies of this state.

610.033. There is created within the office of the attorney general a transparency division. No assistant attorney general while assigned to the transparency division shall participate in the prosecution or defense of any civil claim on behalf of the state, any agency of the state, or any officer of the state, except the prosecution of an action alleging a violation of any provision of chapter 109 or this chapter."; and

## MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Eric R. Greitens.

### PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Eric R. Greitens, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the Ninety-Ninth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that, through the third quarter of fiscal year 2018, the rate of expenditure for each of the appropriation lines in the fiscal year 2018 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2018 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 14<sup>th</sup> day of May 2018.
