

HCS HB 1366 -- SCHOOL BUS DRIVERS (Basye)

COMMITTEE OF ORIGIN: Standing Committee on Elementary and Secondary Education

This bill modifies criminal background checks of school bus drivers to include those drivers employed by municipalities or any other entity under contract with a school district.

The bill authorizes school boards to contract with municipalities to transport high school children. The contract shall require the presence of an adult supervisor approved by the school board on any municipal vehicle transporting school children. While transporting school children, municipal vehicles shall include seating designated solely for school children.

This bill is similar to HB 888 and SB 369 (2017).
