

HB 1373 -- TEACHER REPRESENTATIVE ON STATE BOARD OF EDUCATION

SPONSOR: Ruth

This bill requires the Governor to appoint a teacher representative to the State Board of Education (SBE). This teacher representative must attend all SBE meetings and participate in deliberations. However, the teacher representative will not have the right to vote on any matter or be counted in establishing a quorum.

The teacher representative must be a resident of Missouri, certified to teach, employed full-time as a teacher in the state, have at least five years experience, not on leave, and have written support from the local school board.

The teacher's term will be four years and subsequent appointments will be made in rotation from each Congressional district, beginning with the First Congressional District and continuing in numerical order. These provisions expire August 28, 2025.

The bill specifies that the teacher representative is not allowed in a closed meeting under Sections 610.021 and 610.022, RSMo.

This bill is the same as HB 67 (2017).
