

HB 1631 -- MINORITY-OWNED BUSINESS PROGRAMS

SPONSOR: Evans

This bill expands the definition of "minority business enterprise" to include a Missouri nonprofit corporation that has a majority of individuals serving on the board of directors and corporate officers who are members of a minority. The bill further expands the definition of "women's business enterprise" to include a Missouri nonprofit corporation that has a majority of individuals serving on the board of directors and corporate officers who are women.
