

HB 1679 -- STUDENT MEAL PLANS AT PUBLIC INSTITUTIONS OF HIGHER
EDUCATION

SPONSOR: Chipman

After July 1, 2019, this bill will prohibit any public institution of higher education in Missouri from requiring any student to purchase meal plans or require students to dine at on-campus facilities when a student has presented medical documentation of a food allergy or sensitivity, or a medical dietary issue, to the institution.

This bill is the same as HB 732 (2017) and similar to HB 2099 (2016).
