

HB 1810 -- FALSIFYING DRUG TESTS

SPONSOR: Tate

This bill creates the offense of falsifying a drug test, which a person commits if he or she knowingly or intentionally distributes, offers for sale, sells, delivers, or finances the delivery of an adulterant or synthetic urine with the intent to defraud or assist an individual in defrauding an alcohol, drug, or urine screening test.

The offense of falsifying a drug test is a class B misdemeanor. If the offender has a prior unrelated conviction of falsifying a drug test, the offense is a class A misdemeanor.
