The member contribution rate for 2019 and subsequent periods shall be 9% of compensation unless a lower member contribution rate applies as set forth in the bill.

For the 12-month period beginning July 1, 2021, and for each subsequent 12-month period beginning July 1 of each year, the employer contribution rate shall be determined as set forth in the bill.

The Board of Trustees shall certify to the employers the contribution rate to be effective for July 1, 2021, and for each following July 1st no later than six months prior to the date such rate is to be effective.

Starting January 1, 2019, each employer shall transfer its employer contributions to the retirement system promptly following the end of each payroll period at the time the employer transfers member contributions.
