

HB 2220 -- SUPERINTENDENT SALARIES AND SALARY REPORTING

SPONSOR: Cookson

In any contract between a school district and superintendent entered into or renewed after August 28, 2018, the salary and benefits of the superintendent are capped at three times the amount he or she would receive if hired to be a classroom teacher in the district.

Each August the school district shall publish the names, salaries, and job titles of all public school employees in the local newspaper.

This bill is similar to HB 583 (2017).
