

HB 2313 -- POLITICAL SUBDIVISION ELECTIONS

SPONSOR: Dogan

This bill imposes a hard deadline of 10 weeks prior to election day for political subdivisions to request candidate or ballot issue placement on a ballot and precludes any court orders for ballot changes in violation of the deadline (Section 115.125, RSMo).

If a deadline is missed, then a special election may be held, but all costs will be paid by the political subdivision or special district that requests the special election.
