

HB 2409 -- INTOXICATING LIQUOR

SPONSOR: Fraker

This bill specifies that any person, firm, or corporation who owns and operates more than one premise licensed to sell intoxicating liquor at retail may, with the permission of the supervisor of liquor control, designate one or more places in this state as a central warehouse in which liquor, except beer and other malt liquor, purchased from a wholesaler may be delivered and stored. The liquor stored in such warehouses may then be transferred to any premise in the state licensed to sell intoxicating liquor at retail which is owned and operated by the same person, firm, or corporation.

This bill is similar to SB 664 (2018) and HB 1141 (2017).
