

HB 2611 -- RESIDENTIAL FACILITY OR DAY PROGRAM INSPECTIONS

SPONSOR: Smith (163)

This bill changes the inspection requirements for residential treatment facilities or day programs for persons who are affected by a mental disorder, mental illness, intellectual disability, or developmental disability. The bill removes the requirement that the written report of noncompliance be sent by certified mail with return receipt requested. Currently, a re-inspection must be conducted within 55 days of the original inspection. This bill extends this deadline to 60 days.
