

HB 2632 -- CORRECTIONAL FACILITIES

SPONSOR: Dinkins

Currently, it is a crime to possess, deliver, deposit, or conceal certain items in a prison or jail. This bill adds two-way telecommunications devices and their component parts to the list of prohibited items.

This bill provides that the prohibition on telecommunications devices does not apply to law enforcement officers lawfully engaged in their duties or any person who is authorized to use such a device in the facility. However, the bill prohibits any such person from knowingly delivering, attempting to deliver, or depositing a two-way telecommunications device or its component parts to any inmate, prisoner, or detainee. The bill specifies persons to whom the provisions of the bill do not apply.

This bill is the same as HB 2566 (2018) and similar to HB 207 (2017).
