

HB 2678 -- CONCEALED CARRY PERMITS

SPONSOR: Kelley (127)

This bill allows individuals who live in other states to obtain a Missouri concealed carry permit. Out-of-state applicants must take a firearms safety training class in Missouri and apply for the permit with the sheriff of the county in which their class was held. Otherwise out-of-state applicants must meet the same requirements as Missouri residents applying for a permit. Sheriffs may charge a fee of up to \$200 for nonresidents.
