

JOURNAL OF THE HOUSE

FIRST EXTRAORDINARY SESSION OF THE SECOND REGULAR SESSION
99TH GENERAL ASSEMBLY

THIRD DAY, WEDNESDAY, SEPTEMBER 12, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Why art thou cast down, O my soul? and why art thou disquieted within me? Hope thou in God. (Psalm 42:5)

O Mighty God, whose presence underlies all that we do, whose power overarches all that we say, and whose peace surrounds all that we think, we bow at the shrine our parents founded and lift our spirits to You in prayer. As we offer unto You the devotion of our hearts, may the fruits of Your spirit - love and joy, gentleness, goodness, patience and peace - come to new life within us.

We pray for our State and for our people in every section of our land. May the hungry be fed, the ignorant receive knowledge, the fearful find faith, and the weary come to rest. Grant that we may do all we can that citizens be raised to walk in right and good paths, that youth discover high ideals for clean and creative living, and that adults in body may become adults in mind and heart.

Bless our Governor, our Speaker, Members of this House of Representatives, plus their families, and direct them in all Your ways - to the glory of Your most holy name.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the first day was approved as printed by the following vote:

PERFECTION OF HOUSE BILLS

HB 2, relating to treatment courts, was taken up by Representative Austin.

On motion of Representative Austin, the title of **HB 2** was agreed to.

Representative Lavender offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 2, Page 8, Section 208.151, Line 227, by inserting after all of said section and line the following:

"208.207. 1. Beginning January 1, 2019, individuals nineteen years of age or older and under sixty-five years of age who are not otherwise eligible for MO HealthNet services under this chapter, who qualify for MO HealthNet services under 42 U.S.C. Section 1396a(a)(10)(A)(i)(VIII) and as set forth in 42 CFR 435.119, and who have income at or below one hundred thirty-three percent of the federal poverty level plus five percent of the applicable family size as determined under 42 U.S.C. Section 1396a(e)(14) and as set forth in 42 CFR 435.603 shall be eligible for medical assistance under MO HealthNet and shall receive coverage for the health benefits service package.

2. For purposes of this section, "health benefits service package" shall mean, subject to federal approval, benefits covered by the MO HealthNet program as determined by the department of social services to meet the benchmark or benchmark-equivalent coverage requirement under 42 U.S.C. Section 1396a(k)(1).

3. The reimbursement rate to MO HealthNet providers for MO HealthNet services provided to individuals qualifying under the provisions of this section shall be comparable to commercial reimbursement payment levels with trend adjustment for comparable services. The rates shall be determined annually by the department of social services, and the department may develop such rates through a contracted actuary. The higher commercial comparable rates shall only apply for services provided to individuals qualifying under this section.

4. (1) The department of social services shall discontinue eligibility for persons who are eligible under subsection 1 of this section if:

(a) The federal medical assistance percentage established under 42 U.S.C. Section 1396d(y) or 1396d(z) is less than ninety percent as specified for the year 2020 and each year thereafter or an amount determined by the MO HealthNet oversight committee to be necessary to maintain state budget solvency, whichever is lower; and

(b) The general assembly votes to discontinue eligibility for persons who are eligible under subsection 1 of this section. Prior to any vote under this paragraph, the MO HealthNet oversight committee and the department of social services shall provide the general assembly with information on the current and projected expenses incurred due to expanding eligibility to persons under subsection 1 of this section in relation to health-related savings and revenues and health outcomes of individuals and families receiving benefits under subsection 1 of this section.

(2) The department of social services shall inform persons eligible under subsection 1 of this section that their benefits may be reduced or eliminated if federal funding decreases or is eliminated.

5. The MO HealthNet oversight committee shall conduct research and investigate any potential health-related savings and revenues associated with expanding eligibility to persons under subsection 1 of this section. The committee shall investigate the federal matching rate below which the state could not maintain the expanded eligibility to persons under subsection 1 of this section. If the amount is determined to be greater than ninety percent, the committee shall report its findings to the general assembly for its consideration prior to any vote under paragraph (b) of subdivision (1) of subsection 4 of this section. In conducting its research and investigation, the committee shall also determine the feasibility of:

(1) Implementing capped cost-sharing for persons eligible under subsection 1 of this section, which may be reduced based on healthy behaviors of participants;

(2) Expanding Medicaid coverage for certain health care services that are currently financed by the state; and

(3) Enrolling persons under subsection 1 of this section in private health benefit plans."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The Chair ruled the point of order well taken.

On motion of Representative Austin, **HB 2** was ordered perfected and printed.
