36 (f) The presumption in paragraph (e) of this subdivision may be rebutted by submitting

39 vendor's market in the state during the preceding twelve months. Such proof may consist of sworn  
40 written statements from all of the residents with whom the vendor has an agreement stating that they

3 b. Following the close of each calendar quarter, a vendor shall determine whether the vendor  
4 met either of the requirements provided under subparagraph a of this paragraph during the twelve-  
5 month period ending on the last day of the preceding calendar quarter. If the vendor met either of  
6 such requirements for any such twelve-month period, such vendor shall collect and remit the tax as  
7 provided under section 144.635 for a period of not less than twelve months, beginning not more than  
8 three months following the close of the preceding calendar quarter, and shall continue to collect and  
9 remit the tax for as long as the vendor is engaged in business activities in this state, as provided  
10 under this paragraph, or otherwise maintains a substantial nexus with this state;

11 (3) "Maintains a place of business in this state" includes maintaining, occupying, or using,

27 any transaction whether called leases, rentals, bailments, loans, conditional sales or otherwise, and  
28 notwithstanding that the title or possession of the property or both is retained for security. For the  
29 purpose of this law the place of delivery of the property to the purchaser, user, storer or consumer is  
30 deemed to be the place of sale, whether the delivery be by the vendor or by common carriers,

35 to the vendor for the tangible personal property, including any services that are a part of the sale,  
36 valued in money, whether paid in money or otherwise, and any amount for which credit is given to  
37 the purchaser by the vendor, without any deduction therefrom on account of the cost of the property  
38 sold, the cost of materials used, labor or service cost, losses or any other expenses whatsoever,  
39 except that cash discounts allowed and taken on sales shall not be included and "sales price" shall  
40 not include the amount charged for property returned by customers upon rescission of the contract  
41 of sales when the entire amount charged therefor is refunded either in cash or credit or the amount  
42 charged for labor or services rendered in installing or applying the property sold, the use, storage or  
43 consumption of which is taxable pursuant to sections 144.600 to 144.745. The sales price shall not  
44 include usual and customary delivery charges that are separately stated. In determining the amount

46 shall be specifically exempted;

47 (9) "Selling agent", every person acting as a representative of a principal, when such  
48 principal is not registered with the director of revenue of the state of Missouri for the collection of  
49 the taxes imposed pursuant to sections 144.010 to 144.525 or sections 144.600 to 144.745 and who

11 ownership or control of that property, except that it does not include the temporary storage of  
12 property in this state for subsequent use outside the state, or the sale of the property in the regular  
13 course of business;

14 (14) "Vendor", every person engaged in making sales of tangible personal property by mail  
15 order, by advertising, by agent or peddling tangible personal property, soliciting or taking orders for  
16 sales of tangible personal property, for storage, use or consumption in this state, all salesmen,  
17 solicitors, hawkers, representatives, consignees, peddlers or canvassers, as agents of the dealers,  
18 distributors, consignors, supervisors, principals or employers under whom they operate or from  
19 whom they obtain the tangible personal property sold by them, and every person who maintains a  
20 place of business in this state, maintains a stock of goods in this state, or engages in business  
21 activities within this state and every person who engages in this state in the business of acting as a  
22 selling agent for persons not otherwise vendors as defined in this subdivision. Irrespective of  
23 whether they are making sales on their own behalf or on behalf of the dealers, distributors,  
24 consignors, supervisors, principals or employers, they must be regarded as vendors and the dealers,  
25 distributors, consignors, supervisors, principals or employers must be regarded as vendors for the  
26 purposes of sections 144.600 to 144.745.

27 144.637. 1. The director of revenue shall provide and maintain a database that describes  
28 boundary changes for all taxing jurisdictions and the effective dates of such changes for the use of  
29 vendors collecting the tax imposed under sections 144.600 to 144.745.

30 2. For the identification of counties and cities, codes corresponding to the rates shall be  
31 provided according to Federal Information Processing Standards (FIPS) as developed by the  
32 National Institute of Standards and Technology. For the identification of all other jurisdictions,  
33 codes corresponding to the rates shall be in a format determined by the director.

34 3. The director shall provide and maintain a database that assigns each five- and nine-digit  
35 zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the  
36 zip code area shall apply if the area includes more than one tax rate in any level of taxing  
37 jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a vendor is  
38 unable to determine the nine-digit zip code designation applicable to a purchase after exercising due  
39 diligence to determine the designation, the vendor may apply the rate for the five-digit zip code  
40 area. For purposes of this section, there shall be a rebuttable presumption that a vendor has  
41 exercised due diligence if the vendor has attempted to determine the nine-digit zip code designation  
42 by utilizing software approved by the director that makes this designation from the street address  
43 and the five-digit zip code applicable to a purchase.

44 4. The director may provide address-based boundary database records for assigning taxing  
45 jurisdictions and associated rates which shall be in addition to the requirements of subsection 3 of  
46 this section. The database records shall be in the same approved format as the database records  
47 required under subsection 3 of this section and shall meet the requirements developed pursuant to  
48 the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If the director  
49 develops address-based assignment database records, vendors shall be required to use such database.

1 A vendor shall use such database records in place of the five- and nine-digit zip code database  
 2 records provided for in subsection 3 of this section. If a vendor is unable to determine the  
 3 applicable rate and jurisdiction using an address-based database record after exercising due  
 4 diligence, the vendor may apply the nine-digit zip code designation applicable to a purchase. If a  
 5 nine-digit zip code designation is not available for a street address or if a vendor is unable to  
 6 determine the nine-digit zip code designation applicable to a purchase after exercising due diligence  
 7 to determine the designation, the vendor may apply the rate for the five-digit zip code area. For the  
 8 purposes of this section, there shall be a rebuttable presumption that a vendor has exercised due  
 9 diligence if the vendor has attempted to determine the tax rate and jurisdiction by utilizing software  
 10 approved by the director and makes the assignment from the address and zip code information  
 11 applicable to the purchase. If the director has met the requirements of subsection 3 of this section,  
 12 the director may also elect to certify address-based databases provided by third parties for assigning  
 13 tax rates and jurisdictions. The databases shall be in the same approved format as the database  
 14 records under this section and meet the requirements developed pursuant to the federal Mobile  
 15 Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If the director certifies an address-  
 16 based database provided by a third party, a vendor may use such database in place of the database  
 17 provided for in this subsection.

18 5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section shall be  
 19 in downloadable format as determined by the director. The databases may be directly provided by  
 20 the director or provided by a third party as designated by the director. The databases shall be  
 21 provided at no cost to the user of the database. The provisions of subsections 3 and 4 of this section  
 22 shall not apply if the purchased product is received by the purchaser at the business location of the  
 23 vendor.

24 6. No vendor shall be liable for reliance upon erroneous data provided by the director on tax  
 25 rates, boundaries, or taxing jurisdiction assignments.

26 144.757. 1. Any county or municipality, except municipalities within a county having a  
 27 charter form of government with a population in excess of nine hundred thousand, may, by a  
 28 majority vote of its governing body, impose a local use tax if a local sales tax is imposed as defined  
 29 in section 32.085 at a rate equal to the rate of the local sales tax in effect in such county or  
 30 municipality; provided, however, that no ordinance or order enacted pursuant to sections 144.757 to  
 31 144.761 shall be effective unless the governing body of the county or municipality submits to the  
 32 voters thereof at a municipal, county or state general, primary or special election a proposal to  
 33 authorize the governing body of the county or municipality to impose a local use tax pursuant to  
 34 sections 144.757 to 144.761. Municipalities within a county having a charter form of government  
 35 with a population in excess of nine hundred thousand may, upon voter approval received pursuant to  
 36 paragraph (b) of subdivision (2) of subsection 2 of this section, impose a local use tax at the same  
 37 rate as the local municipal sales tax with the revenues from all such municipal use taxes to be  
 38 distributed pursuant to subsection 4 of section 94.890. The municipality shall within thirty days of  
 39 the approval of the use tax imposed pursuant to paragraph (b) of subdivision (2) of subsection 2 of  
 40 this section select one of the distribution options permitted in subsection 4 of section 94.890 for  
 41 distribution of all municipal use taxes.
