10 may be included in a similar system or in similar systems established by law and made operative; provided,  
11 that teachers in school districts of more than four hundred thousand inhabitants who are or may become  
12 members of a local retirement system may become members of this system with the same legal benefits as  
13 accrue to present members of such state system on the terms and under the conditions provided for in section

10 that no other member of the board of trustees shall send a dissenting decision to the executive director of the

35 to be paid by employer and employee. The executive director shall notify by certified mail both employer  
36 and member, retired member, beneficiary or survivor interested in such determination. Any member, retired

38 within thirty days after being notified of such determination, may appeal to the circuit court of Cole County.  
39 Such appeal shall be tried and determined anew in the circuit court and such court shall hear and consider any  
40 and all competent testimony relative to the issues in the case, which may be offered by either party thereto.  
41 The circuit court shall determine the rights of the parties under sections 169.010 to 169.141 and 169.600 to  
42 169.715 using the same standard provided in section 536.150, and the judgment or order of such circuit court  
43 shall be binding upon the parties and the board shall carry out such judgment or order unless an appeal is  
44 taken from such decision of the circuit court. Appeals may be had from the circuit court by the employer,  
45 member, retired member, beneficiary, survivor or the board, in the manner provided by the civil code.

46 16. The board of trustees shall keep a record of all its proceedings, which shall be open to public

2 be necessary for the preparation of the required mortality and service tables and for the compilation of such  
3 other information as shall be required for the valuation of the system's assets and liabilities. Except for  
4 information pertaining to the salaries and benefits of the executive director and other employees of the board  
5 described under subsection 10 of this section, all individually identifiable information pertaining to members,  
6 retirees, beneficiaries and survivors shall be confidential.

7 18. The board of trustees shall meet regularly at least twice each year, with the dates of such  
8 meetings to be designated in the rules and regulations adopted by the board. Such other meetings as are  
9 deemed necessary may be called by the chairman of the board or by any four members acting jointly.

10 19. The headquarters of the retirement system shall be in Jefferson City, where suitable office space,  
11 utilities and other services and equipment necessary for the operation of the system shall be provided by the  
12 board of trustees and all costs shall be paid from funds of the system. All suits or proceedings directly or  
13 indirectly against the board of trustees, the board's members or employees or the retirement system  
14 established by sections 169.010 to 169.141 or 169.600 to 169.715 shall be brought in Cole County.
